

Plan ahead for bright smiles

Did you know Wisconsin Medicaid only covers braces for children in severe cases, such as when a child cannot close their mouth or chew properly?

Orthodontic treatment is not authorized for cosmetic reasons.

This means if your child(ren) needs braces, you may need to save money or find another way to pay for them.

Here are some dental charities who may be able help your child get braces at a lower cost:

Smiles Change Lives

smileschangelives.org

info@smileschangelives.org

816.421.4949

Smile for a Lifetime

smileforalifetime.org

info@smileforalifetime.org

Gifted Smiles
