B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions (FAQ)	Answers
What's a HIDE SNP?	Our plan is a highly integrated dual eligible (HIDE) SNP, also called an "integrated D-SNP." A HIDE SNP is a health plan that contracts with both Medicare and Healthy Connections Medicaid to provide benefits of both programs to enrollees. It's for people with both Medicare and Healthy Connections Medicaid. A HIDE SNP is an organization made up of doctors, hospitals, pharmacies, providers of behavioral health (mental health) services, and other providers. It also has care coordinators to help you manage all your providers and services. They all work together to provide the care you need.
Will I get the same Medicare and Medicaid benefits in Molina Medicare Complete Care Plus (HMO D-SNP) that I get now?	You'll get most of your covered Medicare and Healthy Connections Medicaid benefits directly from Molina Medicare Complete Care Plus (HMO D-SNP). You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care coordinator's assessment. You may also get other benefits outside of your health plan the same way you do now, outside of the plan. When you enroll in Molina Medicare Complete Care Plus (HMO D-SNP), you and your care coordinator will work together to develop a care plan to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D drugs that Molina Medicare Complete Care Plus (HMO D-SNP) doesn't normally cover, you can get a temporary supply and we'll help transition to another drug or get an exception for Molina Medicare Complete Care Plus (HMO D-SNP) to cover your drug, if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.

Frequently asked questions (FAQ) (Continued)

Frequently Asked Questions (FAQ)	Answers
Can I use the same doctors I use now?	This is often the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Molina Medicare Complete Care Plus (HMO D-SNP) and have a contract with us, you can keep using them. • Providers with an agreement with us are "in-network." Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. **You must use the providers in Molina Medicare Complete Care Plus (HMO D-SNP)'s network.** If you use providers or pharmacies that aren't in our network, the plan may not pay for these services or drugs. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Molina Medicare Complete Care Plus (HMO D-SNP)'s plan. If Molina Medicare Complete Care Plus (HMO D-SNP) is new for you, you can continue using the doctors you use now for 90 days after you first enroll, even if they are out-of-network. If you need to continue using your out-of-network providers after your first 90 days in our plan, we'll only cover that care if the provider enters a single case agreement with us. If you're getting ongoing treatment from an out-of-network provider and think they may need a single case agreement in order to keep treating you, contact Member Services at (855) 735-5831, TTY: 711, Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. To find out if your doctors are in the plan's network, call Member Services or read Molina Medicare Complete Care Plus (HMO D-SNP)'s *Provider and Pharmacy Directory* on the plan's website at MolinaHealthcare.com. If Molina Medicare Complete Care Plus (HMO D-SNP) is new for you, we'll work with you to develop a care plan to address your needs.
What's a Molina Medicare Complete Care Plus (HMO D-SNP) care coordinator?	A Molina Medicare Complete Care Plus (HMO D-SNP) care coordinator is one main person for you to contact. This person helps to manage all your providers and services and makes sure you get what you need.
What happens if I need a service but no one in Molina Medicare Complete Care Plus (HMO D-SNP)'s network can provide it?	Most services will be provided by our network providers. If you need a service that can't be provided within our network, Molina Medicare Complete Care Plus (HMO D-SNP) will pay for the cost of an out-of-network provider.
