Q2 2024 Prior Authorization Code Matrix

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to all lines of business.

What you need to know:

MHC has updated our Prior Authorization Code Matrix, and the primary updates include modifications to the following specialties/services for Medi-Cal, Medicare, and Marketplace:

- Genetic Counseling & Testing
- Multiple Categories
- Transportation Services

When this is happening:

The Prior Authorization Code Matrix is available online via the provider portal as well as our public website. Please note that this document is updated at least quarterly and is subject to change. It is advised that you check this document prior to Prior Authorization submission, as codes may be removed or added. All codes listed require Prior Authorization.

Please refer to the CA Exception tab for specific guidance and state-specific nuances. Office visits and/or procedures at Contracted/Network Providers and referrals to Contracted/Network Specialists do not require Prior Authorization. In addition, because this is a national document, some codes/services listed may not be covered by Medicare, Medi-Cal, or Marketplace; please refer to each regulatory agency for specific non-covered codes.
