

Medicare Opioid Treatment Programs Benefit

Information for Molina providers & local OTP facilities

Benefit Effective January 1, 2020

Effective Jan. 1, 2020, Opioid Use Disorder (OUD) treatment services provided by Opioid Treatment Programs (OTPs) are now covered as a Medicare Part B benefit (Medical Insurance).

Under the Calendar Year 2020 Physician Fee Schedule final rule, Opioid Treatment Programs will be covered by Molina's Medicare Advantage (D-SNP). For Molina D-SNP beneficiaries who currently receive OTP services through Medicaid, these services will be covered as a Medicare benefit effective January 1, 2020.

In order to bill and receive payment from Molina for D-SNP members for opioid use disorder treatment services at an OTP facility, the OTP provider must be:

1. Certified and accredited by SAMHSA
2. Enrolled in the Medicare program as a Medicare OTP provider

Prior authorization is NOT required, **except for** those providers not contracted with Molina. If not currently contracted, please fax your request to Molina at 800-594-7404.

For MI Health Link dual demonstration program (MMP), these services will be obtained through the Prepaid Inpatient Health Programs (PIHP), Detroit Wayne Integrated Health Network and/or Macomb County Community Mental Health.

For MI Health Link (MMP) members, in addition to Items #1 and #2 above, the PIHP will determine the prior authorization requirements under the OTP facility's arrangement with the PIHP. To determine if a Molina member is a MI Health Link (MMP) member, please check the member identification card or you may eligibility on the Michigan Department of Health and Human Services (MDHHS) CHAMPS website. The information will include the verbiage "ICO-Molina."

Additional information is published in an OTP Benefit Overview document published on our provider website at the following link:
