

A healthy smile just got easier with our dental benefit!

As a member of Molina Medicare Complete Care (HMO D-SNP), you get the added benefit of supplemental dental services. Using this benefit is as easy as ABC.

ACCESS

How do I access the benefit?

A

Molina Medicare Complete Care (HMO D-SNP) has partnered with DentaQuest, a national dental company to provide covered supplemental dental services to our members. Services are only available when provided by dentists who are part of the DentaQuest network. If you receive care from a dental provider who is not in the DentaQuest network you must pay for your own care.

To find a DentaQuest dental provider close to you:

- *Starting January 1, 2023, search online – use our supplemental dental provider online search tool at MolinaHealthcare.com/Medicare to find a DentaQuest network dentist*
- *Call DentaQuest at (844) 583-5033, (TTY: 711), Monday – Friday, 8 a.m. to 7 p.m., CT*

When you call, a representative will verify your eligibility and search for a network dental provider in your area. A referral from your Primary Care Physician (PCP) is not required for this benefit.

BENEFIT

What is the benefit?

B

Preventive dental services have no annual maximum allowance. Preventive dental services include exams, cleanings, x-rays and fluoride services.

You have a \$5,000 calendar year maximum for ALL covered comprehensive supplemental dental services. Each service has a specific limit (e.g., maximum allowance, number of procedures, and/or frequency of services).

Your denture coverage is limited to one set every 3 years.

Only the ADA dental procedure codes listed below are covered, comprehensive services will require Prior Authorization. These codes may be updated by the American Dental Association (ADA) during the year. If you have a question about a dental ADA code, please call Member Services.

You are responsible for paying for any supplemental dental service received from a dental provider who is not in the DentaQuest network.

Depending on the clinical need, not all dental procedures recommended by a dentist may be covered by the Plan. To minimize your financial liability, you need to ask the dentist for a dental treatment plan in writing before agreeing to any work. Have the dentist detail all the costs – what the Plan will pay and what you will have to pay out-of-pocket.

DentaQuest network dentists may collect usual, reasonable, and customary fees for all services not covered under your supplemental dental benefit.

You are responsible for paying for procedures when the maximum coverage for that service is met and/or when your calendar year maximum has been reached.

You can get this document for free in non-English language(s) or other formats, such as large print, braille, or audio. Call (800) 424-4509 (TTY: 711). The call is free.
