A. Welcome to Molina Dual Options

Molina Dual Options is a Cal MediConnect Plan. A Cal MediConnect Plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. It also has Case Managers and care teams to help you manage all your providers and services. They all work together to provide the care you need.

Molina Dual Options was approved by the State of California and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of Cal MediConnect.

Cal MediConnect is a demonstration program jointly monitored by California and the federal government to provide better care for people who have both Medicare and Medi-Cal. Under this demonstration, the state and federal government want to test new ways to improve how you get your Medicare and Medi-Cal services.

At Molina Healthcare, we understand every member is different and has unique needs. That is why Molina Dual Options combines your Medicare and Medi-Cal benefits into one plan, so you can have personalized assistance and peace of mind.

Molina Healthcare was founded over 35 years ago, to bring quality health care to more people – especially those who need it most. From the beginning, Molina has put the needs of our members first, and we continue to do this today.

Welcome to Molina Healthcare. Your extended family.

B. Information about Medicare and Medi-Cal

B1. Medicare

Medicare is the federal health insurance program for:

- People 65 years of age or older,
- Some people under age 65 with certain disabilities, and
- People with end-stage renal disease (kidney failure).

B2. Medi-Cal

Medi-Cal is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

Each state decides:

- what counts as income and resources,
- who qualifies,
- what services are covered, and
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and California approved Molina Dual Options. You can get Medicare and Medi-Cal services through our plan as long as:

- We choose to offer the plan, and
- Medicare and the State of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services will not be affected.

C. Advantages of this plan

You will now get all your covered Medicare and Medi-Cal services from Molina Dual Options, including prescription drugs. **You will not pay extra to join this health plan.**

Molina Dual Options will help make your Medicare and Medi-Cal benefits work better together and work better for you. Some of the advantages include:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You will have access to a Case Manager. This is a person who works with you, with Molina Dual Options, and with your care team to help make a care plan.
- You will be able to direct your own care with help from your care team and Case Manager.
- The care team and Case Manager will work with you to come up with a care plan specifically designed to meet your health needs. The care team will help coordinate the services you need. This means, for example:
 - Your care team will make sure your doctors know about all the medicines you take so they can make sure you are taking the right medicines, and so your doctors can reduce any side effects you may have from the medicines.
 - Your care team will make sure your test results are shared with all your doctors and other providers, as appropriate.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as you:

- Have both Medicare Part A and Medicare Part B, **and**
- Are currently eligible for Medi-Cal and, **and**
- Are a United States citizen or are lawfully present in the United States.

There may be additional eligibility rules in your county. Call Member Services for more information.

F. What to expect when you first join a health plan

When you first join the plan, you will get a health risk assessment (HRA) to complete and return. The assessment will help us determine your needs and help you.

We are required to complete an HRA for you. This HRA is the basis for developing your individual care plan (ICP). The HRA will include questions to identify your medical, LTSS, and behavioral health and functional needs.

We will reach out to you to complete the HRA. The HRA can be completed by an in-person visit, telephone call, or mail.

We will send you more information regarding this HRA.

If Molina Dual Options is new for you, you can keep seeing the doctors you go to now for a certain amount of time. You can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider makes a direct request to us to continue to see your current provider.
- We can establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say existing relationship, it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in Molina Dual Options.
 - We will determine an existing relationship by reviewing your health information available to us or information you give us.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- We have 30 days to respond to your request. You may also ask us to make a faster decision and we must respond in 15 days.
- You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

Note: This request **cannot** be made for providers of Durable Medical Equipment (DME), transportation, other ancillary services, or services not included under Cal MediConnect.

After the continuity of care period ends, you will need to see doctors and other providers in the Molina Dual Options network that are affiliated with your primary care provider's medical group, unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. Our plan's PCPs are affiliated with IPAs and medical groups. When you choose your PCP, you are also choosing the affiliated IPAs or medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with his or her IPA or medical group. An IPA or Medical Group is an association of PCPs and specialists created to provide coordinated healthcare services to you. See Chapter 3 for more information on getting care.

G. Your Care Team and Care Plan

G1. Care Team

Do you need help getting the care you need? A care team can help you. A care team may include your doctor, a Case Manager, or other health person that you choose.

A Case Manager is a person who is trained to help you manage the care you need. You will get a Case Manager when you enroll in Molina Dual Options. This person will also refer you to community resources, if Molina Dual Options does not provide the services that you need.

You can call us at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time to ask for a care team.

G2. Care Plan

Your care team will work with you to come up with a care plan. A care plan tells you and your doctors what services you need, and how you will get them. It includes your medical, behavioral health, and LTSS needs. Your care plan will be made just for you and your needs.

Your care plan will include:

- Your health care goals.
- A timeline for when you should get the services you need.

After your health risk assessment, your care team will meet with you. They will talk to you about services you need. They can also tell you about services you may want to think about getting. Your care plan will be based on your needs. Your care team will work with you to update your care plan at least every year.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short. It tells you which prescription drugs are covered by Molina Dual Options.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. See Chapter 5 for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, visit www.MolinaHealthcare.com/Duals or call (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

J4. The Explanation of Benefits

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Explanation of Benefits* (EOB).

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

The EOB tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take. Chapter 6 gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

A. Information about “services,” “covered services,” “providers,” and “network providers”

Services are health care, long-term services and supports, supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and long-term services and supports (LTSS) are listed in the Benefits Chart in Chapter 4.

Providers are doctors, nurses, and other people who give you services and care. The term providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain long-term services and supports (LTSS).

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

B. Rules for getting your health care, behavioral health, and long-term services and supports (LTSS) covered by the plan

Molina Dual Options covers all services covered by Medicare and Medi-Cal. This includes behavioral health and long-term services and supports (LTSS).

Molina Dual Options will generally pay for the health care services, behavioral health services, and LTSS you get if you follow the plan's rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means that it must be included in the plan's Benefits Chart. (The chart is in Chapter 4 of this handbook).
- The care must be determined **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care provider (PCP)** who has ordered the care or has told you to see another doctor. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, your network PCP must give you approval before you can see someone that is not your PCP or use other providers in the plan's network. This is called a **referral**. If you don't get approval, Molina Dual Options may not cover the services. You don't need a referral to see certain specialists, such as women's health specialists. To learn more about referrals, see page 30.
 - Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with his or her medical group. A medical group is an association of PCPs and specialists created to provide coordinated health care services to you.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- You do not need a referral from your PCP for emergency care or urgently needed care or to see a woman's health provider. You can get other kinds of care without having a referral from your PCP. To learn more about this, see page 30.
- To learn more about choosing a PCP, see page 30.
- **You must get your care from network providers that are affiliated with your PCP's medical group.** Usually, the plan will not cover care from a provider who does not work with the health plan and your PCP's medical group. Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and to see what emergency or urgently needed care means, see Section H, page 36.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get the care from an out-of-network provider. Molina Dual Options requires a prior authorization to get care from an out of network provider once medical necessity determination is complete. In this situation, we will cover the care at no cost to you. To learn about getting approval to see an out-of-network provider, see Section D, page 30.
 - The plan covers kidney dialysis services when you are outside the plan's service area for a short time. You can get these services at a Medicare-certified dialysis facility.
 - When you first join the plan, you can ask to continue to see your current providers. With some exceptions, we are required to approve this request if we can establish that you had an existing relationship with the providers (see Chapter 1, page 8). If we approve your request, you can continue seeing the providers you see now for up to 12 months for services. During that time, your Case Manager will contact you to help you find providers in our network that are affiliated with your PCP's medical group. After 12 months, we will no longer cover your care if you continue to see providers that are not in our network and not affiliated with your PCP's medical group.

C. Information about your Case Manager

C1. What a Case Manager is

- A Molina Dual Options Case Manager is a main person for you to contact to assist you with your care, if required. This person helps to coordinate your care and manage your services to ensure you receive the help that you require.

C2. How you can contact your Case Manager

- If you want to contact your Case Manager, please call Member Services at (855) 665-4627, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. TTY: 711. Or, visit www.MolinaHealthcare.com/Duals.

C3. How you can change your Case Manager

- You may request a change in Case Manager by calling case management or member services. Molina Dual Options HealthCare Services staff may make changes to member case manager assignment based on member needs or location.

D. Care from primary care providers, specialists, other network medical providers, and out-of-network medical providers

D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care. Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group.

Definition of a "PCP," and what a PCP does do for you

Primary Care Provider (PCP) is a physician, nurse practitioner, or health care professional and/or medical home or clinic (Federally Qualified Health Centers - FQHC) who gives you routine health care. Molina Dual Options maintains a network of specialty providers to care for its members. Referrals from a Molina Dual Options PCP are required for a member to receive specialty services; however, no prior authorization is required. Members are allowed to directly access women health specialists for routine and preventive health without a referral services. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our Plan. This includes:

- Your X-rays
- Laboratory tests
- Therapies
- Care from doctors who are specialists
- Hospital admissions
- Follow-up care

"Coordinating" your services includes checking or consulting with other network providers about your care and how it is going. If you need certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral to see a specialist). In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office.

Your choice of PCP

Your relationship with your PCP is an important one. We strongly recommend that you choose a PCP close to home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship easier. For a copy of the most current Provider/Pharmacy Directory, or to seek additional assistance in choosing a PCP, please contact Member Services. If there is a particular specialist or hospital that you want to use, check first to be sure your PCP makes referrals to that specialist, or uses that hospital. Once you have chosen your PCP, we recommend that you have all your medical records transferred to his or her office. This will provide your PCP access to your medical history and make him or her aware of any existing health care conditions you may have. Your PCP is now responsible for all

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

your routine health care services, so he or she should be the first one you call with any health concerns. The name and office telephone number of your PCP is printed on your membership card.

Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP may leave our plan's network. If your PCP leaves our plan network, we can help you find a new PCP who is within our plan network if the one you now have leaves our network.

Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services whether you are seeing a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.

You can change your PCP at any time. In most cases, changes will be in effect the first day of the following calendar month. There may be exceptions if you're currently receiving a treatment at the time of your PCP change request. You can change your PCP through your personal website at www.mymolina.com or you may contact Member Services for more information about any of our Molina Healthcare providers and request the PCP change. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).

Services you can get without first getting approval from your PCP

In most cases, you will need approval from your PCP before seeing other providers. Your PCP will request services for other providers by submitting a Service Authorization Request Form, typically called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.
- Gastroenterologists care for patients with digestive or intestinal problems.
- Nephrologists care for patients with kidney problems.
- Urologists care for patients with urinary and bladder problems.
- As a member you are not limited to specific specialists. Molina Dual Options maintains a network of specialty providers to care for its members. Referrals from your PCP may be required to receive specialty services, members are allowed to directly access women health specialists for routine and preventive health without a referral services. For some services you may be required to get a Prior Authorization. Your PCP may request a prior authorization from Molina Healthcare's Utilization Management Department by telephone, fax, or mail based on the urgency of the requested service.
- Please refer to the Benefits Chart in Chapter 4 for information about which services require prior authorization.

D3. What to do when a provider leaves our plan

A network provider you use might leave our plan. If this happens, you will have to switch to a new provider. They need to be part of the Molina Dual Options network. We will allow a change period to start getting care from your new provider. If your PCP leaves Molina Dual Options, we will let you know. We will help you switch to a new PCP so that you can still get covered services if:

- You have a Serious Chronic Condition due to disease, illness, or other medical problem or disorder that is serious in nature, and that either:
 - Persists without full cure or gets worse over an extended period of time, or
 - Requires ongoing treatment to maintain remission or to prevent it from getting worse.

If you have a Serious Chronic Condition, you may stay with the doctor or hospital providing treatment for up to 12 months.

- You have had an Acute Condition, a medical condition that begins quickly and needs prompt attention. An Acute Condition usually lasts for less time than a Serious Chronic Condition. In this case, you may stay with your doctor or hospital for the length of the Acute Condition.
- Your child is a newborn or up to 36 months old. Your child can stay with the doctor or hospital for up to 12 months.
- You have a terminal illness. If you have a disease that you are not expected to recover from, you can stay with your doctor or hospital for the length of the illness.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- You present written documentation of being diagnosed with a maternal mental health condition from your treating health care provider. “Maternal Mental Health Condition” means a mental health condition that can impact a woman during pregnancy, peri or postpartum, or that arises during pregnancy in the peri or postpartum period, up to one year after delivery. If you have a Maternal Mental Health Condition, you may be able to stay with the doctor or hospital for until up to 12 months from the diagnosis or to the end of pregnancy, whichever occurs later.
- You have received authorization for a surgery or other procedure to be performed within 180 days of the date that your doctor or hospital will no longer be with Molina Healthcare, or within 180 days of your enrollment with Molina Healthcare.

If your provider leaves the plan's network, but stays in the service area, and you are diagnosed with a maternal mental health problem you can still get care. You can still use covered services for this problem for up to 12 months from the diagnosis or to the end of pregnancy, whichever is later.

D4. How to get care from out-of-network providers

If you need medical care that requires our plan to cover and the providers in our network cannot provide this care, including Long Term Services and Supports you can get this care from an out-of-network provider. Out-of-network services require a prior authorization. You or your provider can ask for this prior authorization. Please contact Member Services for assistance. If you obtain routine care from out-of-network providers without prior authorization, neither Medicare/Medicaid nor the Plan will be responsible for the costs.

If you go to an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medi-Cal.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medi-Cal.
- If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

E. How to get long-term services and supports (LTSS)

Long-term services and supports (LTSS) consist of Community Based Adult Services (CBAS), Multipurpose Senior Services Program (MSSP), and Nursing Facilities (NF). The services may occur in your home, community, or in a facility. The different types of LTSS are described below:

- Your PCP or provider's office
- Specialty Care providers office
- Therapy or behavioral health appointment
- Clinic, Urgent Care, Hospital or ambulatory surgery center
- Dentist

Additionally, you can call and request a trip to the pharmacy to pick-up your prescription even without having a medical appointment. Please call as soon as possible and at least seventy-two (72) hours before a routine appointment to book your trip. However, if the trip is for an urgent/same day appointment or facility discharge we will try to assist with the transportation request

H. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

H1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- Serious risk to your health or to that of your unborn child; **or**
- Serious harm to bodily functions; **or**
- Serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. You can find the number to Member Services on the back of your ID card.

Covered services in a medical emergency

Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories except under limited circumstances. Contact the plan for details.

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. To learn more, see the Benefits Chart in Chapter 4.

- After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by us. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. Molina Dual Options will cover medically necessary Post-Stabilization Services that are provided by an in-network or out-of-network provider in any of the following situations:
 - the plan has authorized such services
 - services were administered to maintain and stabilize the member's condition

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- You go to a network provider, **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting this care. (See the next section.)

H2. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a sudden illness, injury, or condition that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated.

Urgently needed care when you are in the plan's service area

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

In most situations, we will cover urgently needed care only if:

- You get this care from a network provider, **and**
- You follow the other rules described in this chapter.

However, if you can't get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

When network providers are temporarily unavailable or inaccessible, urgent care can be accessed using any available urgent care center. You may also call the 24 hour Nurse Advice Line at (888) 275-8750. TTY users should call 711.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States.

H3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from Molina Dual Options.

Please visit our website for information on how to obtain needed care during a declared disaster: www.MolinaHealthcare.com/Duals.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at no cost to you. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5 for more information.

I. What to do if you are billed directly for services covered by our plan

If a provider sends you a bill instead of sending it to the plan, you should ask us to pay the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If you have paid for your covered services or if you have gotten a bill for covered medical services, see Chapter 7 to learn what to do.

I1. What to do if services are not covered by our plan

Molina Dual Options covers all services:

- That are determined medically necessary, **and**
- That are listed in the plan's Benefits Chart (see Chapter 4), **and**
- That you get by following plan rules.

If you get services that are not covered by our plan, **you must pay the full cost yourself.**

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9 explains what to do if you want us to cover a medical item or service. It also tells you how to appeal our coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you go over the limit, you will have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are and how close you are to reaching them.

J. Coverage of health care services when you are in a clinical research study

J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe.

Once Medicare or our plan approves a study you want to be in, someone who works on the study will contact you. That person will tell you about the study and see if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in a Medicare-approved clinical research study, you do *not* need to get approval from us or your primary care provider. The providers that give you care as part of the study do *not* need to be network providers.

You do need to tell us before you start participating in a clinical research study.

If you plan to be in a clinical research study, you or your Case Manager should contact Member Services to let us know you will be in a clinical trial.

J2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

We will pay any costs if you volunteer for a clinical research study that Medicare does not approve but that our plan approves. If you are part of a study that Medicare or our plan has **not approved**, you will have to pay any costs for being in the study.

J3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading “Medicare & Clinical Research Studies” on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

K. How your health care services are covered when you get care in a religious non-medical health care institution

K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

You may choose to get health care at any time for any reason. This benefit is only for Medicare Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

K2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-expected.”

- “Non-expected” medical treatment is any care that is voluntary and not required by any federal, state, or local law.
- “Expected” medical treatment is any care that is not voluntary and is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.

Our plan covers an unlimited number of days for an inpatient hospital stay. (See the Benefits Chart in Chapter 4).

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

L. Durable medical equipment (DME)

L1. DME as a member of our plan

DME means certain items ordered by a provider for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of Molina Dual Options, you will not own DME, no matter how long you rent it.

In certain situations, we will transfer ownership of the DME item to you. Call Member Services to find out about the requirements you must meet and the papers you need to provide.

L2. DME ownership when you switch to Original Medicare or Medicare Advantage

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

Note: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 12. You can also find more information about them in the *Medicare & You 2021 Handbook*. If you don't have a copy of this booklet, you can get it at the Medicare website (<http://www.medicare.gov>) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- You did not become the owner of the DME item while you were in our plan **and**
- You leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or a Medicare Advantage plan.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, **those Original Medicare or Medicare Advantage payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this case when you return to Original Medicare or a Medicare Advantage plan.

L3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you are a member of our plan, we will cover the following:

- Rental of oxygen equipment

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned to the owner when it's no longer medically necessary for you or if you leave our plan.

L4. Oxygen equipment when you switch to Original Medicare or Medicare Advantage

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**:

- your supplier must provide the oxygen equipment, supplies, and services for another 24 months.
- your supplier must provide oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- a new 5-year period begins.
- you will rent from a supplier for 36 months.
- your supplier must then provide the oxygen equipment, supplies, and services for another 24 months.
- a new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to a Medicare Advantage plan**, the plan will cover at least what Original Medicare covers. You can ask your Medicare Advantage plan what oxygen equipment and supplies it covers and what your costs will be.

A. Your covered services

This chapter tells you what services Molina Dual Options pays for. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5. This chapter also explains limits on some services.

Because you get assistance from Medi-Cal, you pay nothing for your covered services as long as you follow the plan's rules. See Chapter 3 for details about the plan's rules.

If you need help understanding what services are covered, call your Case Manager and/or Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

B. Rules against providers charging you for services

We do not allow Molina Dual Options providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, see Chapter 7 or call Member Services.

C. Our plan's Benefits Chart

The Benefits Chart tells you which services the plan pays for. It lists categories of services in alphabetical order and explains the covered services.

We will pay for the services listed in the Benefits Chart only when the following rules are met.

You do not pay anything for the services listed in the Benefits Chart, as long as you meet the coverage requirements described below.

- Your Medicare and Medi-Cal covered services must be provided according to the rules set by Medicare and Medi-Cal.
- The services (including medical care, behavioral health and substance use services, long term services and supports, supplies, equipment, and drugs) must be medically necessary. Medically necessary means you need the services to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice. A service is medically necessary when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, we will not pay for care you get from an out-of-network provider. Chapter 3 has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can see someone that is not on your PCP or use other providers in the plan's network. This is called a referral. Chapter 3 has more information about getting a referral and explains when you do not need a referral.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- You must get care from providers that are affiliated with your PCP's medical group. See Chapter 3 for more information.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization. Covered services that need prior authorization first are marked in the Benefits Chart by an asterisk (*). In addition, you must get prior authorization first for the following services that are not listed in the Benefits Chart:
 - Cosmetic, Plastic and Reconstructive Procedures
 - Neuropsychological Testing and Psychological Testing and Therapy
 - Specialty Pharmacy Drugs
 - Sleep Studies
- All preventive services are free. You will see this apple  next to preventive services in the Benefits Chart.
- Care Plan Optional (CPO) services may be available under your Individualized Care Plan. These services give you more help at home, like meals, help for you or your caregiver, or shower grab bars and ramps. These services can help you live more independently but do **not** replace long-term services and supports (LTSS) that you are authorized to get under Medi-Cal. Examples of CPO services that Molina Dual Options has offered in the past include: Personal Emergency Response System and meals. If you need help or would like to find out how CPO services may help you, contact your care coordinator.

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who have lived in an inpatient facility for at least 90 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can receive transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: www.dhcs.ca.gov/services/ltc/Pages/CCT.aspx.

For CCT transition coordination services:

Medi-Cal will pay for the transition coordination services. You pay nothing for these services.

For services that are not related to your CCT transition:

The provider will bill Molina Dual Options for your services. Molina Dual Options will pay for the services provided after your transition. You pay nothing for these services.

While you are getting CCT transition coordination services, Molina Dual Options will pay for the services that are listed in the Benefits Chart in Section D of this chapter.

No change in Molina Dual Options drug coverage benefit:

Drugs are not covered by the CCT program. You will continue to get your normal drug benefit through Molina Dual Options. For more information, please see Chapter 5.

E3. Hospice Care

You can get care from any hospice program certified by Medicare. You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. Your hospice doctor can be a network provider or an out-of-network provider.

See the Benefits Chart in Section D of this chapter for more information about what Molina Dual Options pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

- The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis (except for emergency care or urgently needed care):

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by Molina Dual Options' Medicare Part D benefit:

- Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5.

Note: If you need non-hospice care, you should call your Case Manager or Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time to arrange the services. Non-hospice care is care that is not related to your terminal prognosis.

F. Benefits not covered by Molina Dual Options, Medicare, or Medi-Cal

This section tells you what kinds of benefits are excluded by the plan. Excluded means that we do not pay for these benefits. Medicare and Medi-Cal will not pay for them either.

The list below describes some services and items that are not covered by us under any conditions and some that are excluded by us only in some cases.

We will not pay for the excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. If you think that we should pay for a service that is not covered, you can file an appeal. For information about filing an appeal, see Chapter 9.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- Experimental medical and surgical treatments, items, and drugs, unless covered by Medicare or under a Medicare-approved clinical research study or by our plan. See Chapter 3, page 39, for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.

- Personal comfort and convenience items
- Completing forms such as disability, Woman, Infants, and Children (WIC), Department of Motor Vehicles (DMV)
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.

- Radial keratotomy, LASIK surgery, and other low-vision aids.
- Reversal of sterilization procedures and non-prescription contraceptive supplies.

You are still responsible for your cost-sharing amounts.
- Over-the-counter (OTC) drugs (unless approved)
- Elective circumcisions

Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail order. They include drugs covered under Medicare Part D and Medi-Cal. Key terms and their definitions appear in alphabetical order in the last chapter of the Member Handbook.

Molina Dual Options also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, see the Benefits Chart in Chapter 4.

Rules for the plan's outpatient drug coverage

We will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care.
2. You generally must use a network pharmacy to fill your prescription.
3. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - See Chapter 9 to learn about asking for an exception.
4. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we will pay for prescriptions **only** if they are filled at any of our network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may go to any of our network pharmacies.

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your Case Manager.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill us for your covered prescription drug.

If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. You can then ask us to pay you back. If you cannot pay for the drug, contact Member Services right away. We will do what we can to help.

- To learn how to ask us to pay you back, see Chapter 7.
- If you need help getting a prescription filled, you can contact Member Services or your Case Manager.

A3. What to do if you change to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, you can contact Member Services or your Case Manager.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy.

To find a new network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your Case Manager.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
- If your long-term care facility's pharmacy is not in our network, or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that supply drugs requiring special handling and instructions on their use.

To find a specialized pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your Case Manager.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. The drugs that are not available through the plan's mail-order service are marked with NM in our Drug List.

Our plan's mail-order service allows you to order at least a 30-day supply of the drug and no more than a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling my prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please call Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time or you can visit www.MolinaHealthcare.com/Duals.

Usually, a mail-order prescription will get to you within 10 days. Please call Member Services for help in receiving a temporary supply of your prescription at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time if your mail-order is delayed.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

After the pharmacy gets a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time.

- This will give you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allow you to stop or delay the order before it is shipped.
- It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.
- If you choose not to use our auto refill program, please contact your pharmacy 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail order refills, please contact us by calling Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. The pharmacy will contact you by phone at the number you have provided. It is important to make sure that your pharmacy has the most current contact information.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use the plan's network mail-order services to get a long-term supply of maintenance drugs. See the section above to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If the prescription is related to urgently needed care
- If these prescriptions are related to care for a medical emergency
- Coverage will be limited to a 31-day supply unless the prescription is written for less

In these cases, please check first with Member Services to see if there is a network pharmacy nearby.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

A9. Paying you back if you pay for a prescription

If you must use an out-of-network pharmacy, you will generally have to pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, see Chapter 7.

B. The plan's Drug List

We have a *List of Covered Drugs*. We call it the "Drug List" for short.

The drugs on the Drug List are selected by us with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under your Medi-Cal benefits.

The Drug List includes both brand-name drugs, for example BYSTOLIC and generic drugs, for example *metoprolol*. Generic drugs have the same active ingredients as brand-name drugs. Generally, they work just as well as brand-name drugs and usually cost less.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit the plan's website at www.MolinaHealthcare.com/Duals. The Drug List on the website is always the most current one.
- Call Member Services to find out if a drug is on the plan's Drug List or to ask for a copy of the list.
- Ask your Case Manager to find out if a drug is on the plan's Drug List.

B3. Drugs that are not on the Drug List

We do not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow us to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

Molina Dual Options will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, see Chapter 9.)

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D and Medi-Cal drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered by Molina Dual Options for free, but they are not considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. The use of the drug must be either approved by the Food and Drug Administration (FDA) or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Medi-Cal.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra[®], Cialis[®], Levitra[®], and Caverject[®]
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

B4. Drug List tiers

Every drug on our Drug List is in one of three (3) tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter (OTC) drugs).

- Tier 1 drugs are generic drugs. For Tier 1 drugs, you pay nothing.
- Tier 2 drugs are brand name drugs. For Tier 2 drugs, you pay nothing.
- Tier 3 drugs are Non-Medicare Rx/Over-The-Counter (OTC) drugs. For Tier 3 drugs, you pay nothing.

To find out which tier your drug is in, look for the drug on our Drug List.

Chapter 6 tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

To learn more about asking for exceptions, see Chapter 9.

Prior authorization (PA) - certain criteria must be met before a drug is covered. For example, diagnosis, lab values, or previous treatments tried and failed.

Step therapy (ST) - Certain cost-effective drugs must be used before other more expensive drugs are covered. For example, certain brand-name medications will only be covered if a generic alternative has been tried first.

Quantity limit (QL) - Certain drugs have a maximum quantity that will be covered. For example, certain drugs that are approved by the FDA to be taken once daily may have a quantity limit of #30 per 30 days.

B vs. D - Some drugs may be covered under Medicare part D or B, depending on the circumstances.

1. Limiting use of a brand-name drug when a generic version is available

Generally, a generic drug works the same as a brand-name drug and usually costs less. If there is a generic version of a brand-name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand-name drug when there is a generic version.
- However, if your provider has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand-name drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from Molina Dual Options before you fill your prescription. If you don't get approval, Molina Dual Options may not cover the drug.

3. Trying a different drug first

In general, we want you to try lower-cost drugs (that often are as effective) before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A does not work for you, we will then cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services or check our website at www.MolinaHealthcare.com/Duals.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by our plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, some of the drugs covered by our plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on our Drug List, **or**
 - was never on our Drug List, **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year**.
 - This temporary supply will be for up to 60 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of up to 60 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
 - You are new to our plan.
 - We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan**.
 - This temporary supply will be for up to a 60-day supply.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 60-days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
 - You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- If you are a new resident of a LTC facility and have been enrolled in our Plan for more than 90 days and need a drug that isn't on our formulary or is subject to other restrictions, such as step therapy or dosage limits, we will cover a temporary 31-day emergency supply of that drug (unless the prescription is for fewer days) while the member pursues a formulary exception. Exceptions are available in situations where you experience a change in the level of care you are receiving that also requires you to transition from one facility or treatment center to another. In such circumstances, you would be eligible for a temporary, one-time fill exception even if you are outside of the first 90 days as a member of the plan. This is for Medicare Part D covered drugs only and does not apply to Medi-Cal covered drugs. Please note that our transition policy applies only to those drugs that are "Part D drugs" and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out of network, unless you qualify for out of network access.
- To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug.

There may be a different drug covered by our plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug even though it is not on the Drug List. Or you can ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, he or she can help you ask for one.

If a drug you are taking will be taken off the Drug List or limited in some way for next year, we will allow you to ask for an exception before next year.

- We will tell you about any change in the coverage for your drug for next year. You can then ask us to make an exception and cover the drug in the way you would like it to be covered for next year.
- We will answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, see Chapter 9.

If you need help asking for an exception, you can contact Member Services or your Case Manager.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval for a drug. (Prior approval is permission from Molina Dual Options before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, see Section C earlier in this chapter.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check our up to date Drug List online at www.MolinaHealthcare.com/Duals or
- Call Member Services to check the current Drug List at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time.

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception. Please see Chapter 9 of this handbook for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug’s manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. Contact your prescribing doctor if you receive a notification.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

We may make other changes that affect the drugs you take.

We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. He or she can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, see Chapter 9.

We may make changes to drugs you take that do not affect you now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change will not affect your use of the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by our plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by our plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, we will cover your drugs as long as the drugs meet all of our rules for coverage.

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a pain, anti-nausea, laxative, or anti-anxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. See the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, see Chapter 4.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or maybe allergic to
- Have unsafe amounts of opioid pain medications

If we see a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

G2. Programs to help members manage their drugs

If you take medications for different medical conditions and/or are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your Case Manager.

G3. Drug management program to help members safely use their opioid medications

Molina Dual Options has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from a certain pharmacy and/or from a certain doctor**
- **Limiting the amount** of those medications we will cover for you

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can file an appeal. If you file an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we will automatically send your case to an Independent Review Entity (IRE). (To learn how to file an appeal and to find out more about the IRE, see Chapter 9.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

Chapter 6: What you pay for your Medicare and Medi-Cal prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- Drugs and items covered under Medi-Cal, **and**
- Drugs and items covered by the plan as additional benefits.

Because you are eligible for Medi-Cal, you are getting “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the “Drug List.” It tells you:
 - Which drugs we pay for
 - Which of the three (3) tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Member Services. You can also find the Drug List on our website at www.MolinaHealthcare.com/Duals. The Drug List on the website is always the most current.
- Chapter 5 of this *Member Handbook*.
 - Chapter 5 tells how to get your outpatient prescription drugs through our plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with us.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. You can read more about network pharmacies in Chapter 5.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

A. The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount we pay.

When you get prescription drugs through our plan, we send you a report called the *Explanation of Benefits*. We call it the EOB for short. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The report tells what prescription drugs you got. It shows the total drug costs, what we paid, and what you and others paying for you paid.
- **“Year-to-date” information**. This is your total drug costs and the total payments made since January 1.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs will not count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, see the Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for drugs that you have paid for. You can ask us to pay you back for the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

To learn how to ask us to pay you back for the drug, see Chapter 7.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

3. Send us information about the payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the reports we send you.

When you get an *Explanation of Benefits* in the mail, please make sure it is complete and correct. If you think something is wrong or missing from the report, or if you have any questions, please call Member Services. Be sure to keep these reports. They are an important record of your drug expenses.

C. You pay nothing for a one-month or long-term supply of drugs

With Molina Dual Options, you pay nothing for covered drugs as long as you follow the plan's rules.

C1. Our tiers

Tiers are groups of drugs on our Drug List. Every drug in the plan's Drug List is in one of three (3) tiers. You have no copays for prescription and OTC drugs on Molina Dual Options' Drug List. To find the tiers for your drugs, you can look in the Drug List.

- Tier 1 drugs are generic drugs. For tier 1 drugs, you pay nothing.
- Tier 2 drugs are brand name drugs. For tier 2 drugs, you pay nothing.
- Tier 3 drugs are Non-Medicare Rx/Over-the-Counter (OTC) drugs. For tier 3 drugs, you pay nothing.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. See Chapter 5 to find out when we will do that.

To learn more about these pharmacy choices, see Chapter 5 in this handbook and our *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, see Chapter 5 or the *Provider and Pharmacy Directory*.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

For information about which pharmacies can give you long-term supplies, see the plan's *Provider and Pharmacy Directory*.

D. Vaccinations

We cover Medicare Part D vaccines. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

D1. What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies are pharmacies that have agreed to work with our plan. A network provider is a provider who works with the health plan. A network provider should work with Molina Dual Options to ensure that you do not have any upfront costs for a Part D vaccine.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

| | |
|--|-----|
| A. Asking us to pay for your services or drugs | 107 |
| B. Sending a request for payment | 108 |
| C. Coverage decisions | 109 |
| D. Appeals | 109 |

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for your covered services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for health care or drugs, send the bill to us. To send us a bill, see page 149.

- If the services or drugs are covered, we will pay the provider directly.
- If the services or drugs are covered and you already paid the bill, it is your right to be paid back.
- If the services or drugs are **not** covered, we will tell you.

Contact Member Services or your Case Manager if you have any questions. If you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask us to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid for the service, we will pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. Show your Molina Dual Options Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. **Call Member Services if you get any bills.**

- Because Molina Dual Options pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, send us the bill and proof of any payment you made. We will pay you back for your covered services.

3. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, you will have to pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Please see Chapter 5 to learn more about out-of-network pharmacies.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

4. When you pay the full cost for a prescription because you do not have your Member ID Card with you

If you do not have your Member ID Card with you, you can ask the pharmacy to call us or to look up your plan enrollment information.

- If the pharmacy cannot get the information they need right away, you may have to pay the full cost of the prescription yourself.
- Send us a copy of your receipt when you ask us to pay you back.

5. When you pay the full cost for a prescription for a drug that is not covered

You may pay the full cost of the prescription because the drug is not covered.

- The drug may not be on our *List of Covered Drugs* (Drug List), or it could have a requirement or restriction that you did not know about or do not think should apply to you. If you decide to get the drug, you may need to pay the full cost for it.
 - If you do not pay for the drug but think it should be covered, you can ask for a coverage decision (see Chapter 9).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (see Chapter 9).
- Send us a copy of your receipt when you ask us to pay you back. In some situations, we may need to get more information from your doctor or other prescriber in order to pay you back for the drug.

When you send us a request for payment, we will review your request and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide it should be covered, we will pay for the service or drug. If we deny your request for payment, you can appeal our decision.

To learn how to make an appeal, see Chapter 9.

B. Sending a request for payment

Send us your bill and proof of any payment you have made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It is a good idea to make a copy of your bill and receipts for your records.** You can ask your Case Manager for help.

Mail your request for payment together with any bills or receipts to us at this address:

www.MolinaHealthcare.com/Duals.

You must submit your claim to us within 365 days of the date you got the service and/or item, **or within 36 months** of the date you got the drug.

C. Coverage decisions

When we get your request for payment, we will make a coverage decision. This means that we will decide whether your health care or drug is covered by our plan. We will also decide the amount of money, if any, you have to pay for the health care or drug.

- We will let you know if we need more information from you.
- If we decide that the health care or drug is covered and you followed all the rules for getting it, we will pay for it. If you have already paid for the service or drug, we will mail you a check for what you paid. If you have not paid for the service or drug yet, we will pay the provider directly.

Chapter 3 explains the rules for getting your services covered. Chapter 5 explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for the service or drug, we will send you a letter explaining why not. The letter will also explain your rights to make an appeal.
- To learn more about coverage decisions, see Chapter 9.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called making an appeal. You can also make an appeal if you do not agree with the amount we pay.

- The appeals process is a formal process with detailed procedures and important deadlines. To learn more about appeals, see Chapter 9.
- If you want to make an appeal about getting paid back for a health care service, go to page 149.
- If you want to make an appeal about getting paid back for a drug, go to page 150.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

A. Your right to get information in a way that meets your needs

We must tell you about the plan's benefits and your rights in a way that you can understand. We must tell you about your rights each year that you are in our plan.

- To get information in a way that you can understand, call Member Services. Our plan has people who can answer questions in different languages.
- Our plan can also give you materials in Spanish, Armenian, Cambodian, Chinese, Farsi, Korean, Russian, Tagalog, Vietnamese, Arabic and in formats such as large print, braille, or audio. To make a standing request to get materials in a language other than English or in an alternate format now and in the future, please contact Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.
- You can ask that we always send you information in the language or format you need. This is called a standing request. We will keep track of your standing request so you do not need to make separate requests each time we send you information. G. Your right to make decisions about your health care

G1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers when you get services. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all the kinds of treatment.
- **Know the risks.** You have the right to be told about any risks involved. You must be told in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to see another doctor before deciding on treatment.
- **Say “no.”** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You also have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, you will not be dropped from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you believe you should get.
- **Ask us to cover a service or drug that was denied or is usually not covered.** This is called a coverage decision. Chapter 9 tells how to ask the plan for a coverage decision.

G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

You may call Molina Dual Options to get information regarding State law on Advance Directives, and changes to Advance Directive laws. Molina Dual Options updates advanced directive information no later than ninety (90) calendar days after receiving notice of changes to State laws.

For more information, call Molina Dual Options Member Services toll-free at (855) 665-4627, Monday - Friday, 8 a.m. to 8 p.m., local time. If you are deaf or hard of hearing, call TTY: 711 for the California Relay Service

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to give someone the right to make health care decisions for you.
- Give your doctors written instructions about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Medi-Cal such as HICAP may also have advance directive forms.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Be sure to keep a copy at home.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**
 - The hospital will ask you whether you have signed an advance directive form and whether you have it with you.
 - If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

G3. What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Cal MediConnect Ombuds Program.

- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor’s office, hospitals, and other providers’ offices.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most Molina Dual Options members, Medi-Cal pays for your Part A premium and your Part B premium.
 - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.**
 - If you disagree with our decision to not cover a service or drug, you can make an appeal. Please see Chapter 9 to learn how to make an appeal.
- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get Molina Dual Options. Chapter 1 tells about our service area.
 - We can help you figure out whether you are moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can let you know if we have a plan in your new area.
 - Also, be sure to let Medicare and Medi-Cal know your new address when you move. See Chapter 2 for phone numbers for Medicare and Medi-Cal.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- Call Member Services for help if you have questions or concerns.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan has said it will not pay for.
- You disagree with a decision your plan has made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Multipurpose Senior Services Program (MSSP), Community-Based Adult Services (CBAS), and Nursing Facility (NF) services.
- **If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation.** This chapter is broken into different sections to help you easily find what you are looking for.

If you are facing a problem with your health or long-term services and supports

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you are having a problem with your care, you can call the Cal MediConnect Ombuds Program at 1-855-501-3077 for help.** This chapter explains the different options you have for different problems and complaints, but you can always call the Cal MediConnect Ombuds Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, see Chapter 2 for more information on ombudsman programs.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

A. What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Medi-Cal approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

A1. About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- “Making a complaint” rather than “filing a grievance”
- “Coverage decision” rather than “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”
- “Fast coverage decision” rather than “expedited determination”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to call for help

B1. Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

You can get help from the Cal MediConnect Ombuds Program

If you need help, you can always call the Cal MediConnect Ombuds Program. The Cal MediConnect Ombuds Program is an ombudsman program that can answer your questions and help you understand what to do to handle your problem. The Cal MediConnect Ombuds Program is not connected with us or with any insurance company or health plan. They can help you understand which process to use. The phone number for the Cal MediConnect Ombuds Program is 1-855-501-3077. The services are free. See Chapter 2 for more information on ombudsman programs.

You can get help from the Health Insurance Counseling and Advocacy Program

You can also call the Health Insurance Counseling and Advocacy Program (HICAP). HICAP counselors can answer your questions and help you understand what to do to handle your problem. HICAP is not connected with us or with any insurance company or health plan. HICAP has trained counselors in every county, and services are free. The HICAP phone number is 1-800-434-0222.

Getting help from Medicare

You can call Medicare directly for help with problems. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week.
TTY: 1-877-486-2048. The call is free.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- Visit the Medicare website at www.medicare.gov.

You can get help from the California Department of Managed Health Care

In this paragraph, the term “grievance” means an appeal or complaint about Medi-Cal services, your health plan, or one of your providers.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TTY line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website www.dmhca.ca.gov has complaint forms, IMR application forms, and instructions online.

Getting help from Medi-Cal

You can call the Cal MediConnect Ombudsman Program directly for help with problems with Medi-Cal. The phone number is 1-855-501-3077.

Getting help from the Quality Improvement Organization (QIO)

You can call Livanta (QIO) directly for help with problems. Call Livanta at (877) 588-1123, TTY: (855) 887-6668.

C. Problems with your benefits

C1. Using the process for coverage decisions and appeals or for making a complaint

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

| Is your problem or concern about your benefits or coverage? | |
|---|--|
| (This includes problems about whether particular medical care, long-term services and supports, or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.) | |
| <p>Yes.</p> <p>My problem is about benefits or coverage.</p> <p>Go to Section E: “Coverage decisions and appeals” on page 136.</p> | <p>No.</p> <p>My problem is not about benefits or coverage.</p> <p>Skip ahead to Section J: “How to make a complaint” on page 170.</p> |

D. Coverage decisions and appeals

D1. Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment. You are not responsible for Medicare costs except Part D copays.

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Medi-Cal, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not covered or is no longer covered by Medicare or Medi-Cal. If you or your doctor disagree with our decision, you can appeal.

D2. Getting help with coverage decisions and appeals

Who can I call for help asking for coverage decisions or making an appeal?

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

You can ask any of these people for help:

- Call **Member Services** at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.
- Call the **Cal MediConnect Ombuds Program** for free help. The Cal MediConnect Ombuds Program helps people enrolled in Cal MediConnect with service or billing problems. The phone number is 1-855-501-3077.
- Call the **Health Insurance Counseling and Advocacy Program (HICAP)** for free help. HICAP is an independent organization. It is not connected with this plan. The phone number is 1-800-434-0222.
- Call the **Help Center at the Department of Managed Health Care (DMHC)** for free help. The DMHC is responsible for regulating health plans. The DMHC helps people enrolled in Cal MediConnect with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TTY number, 1-877-688-9891.
- Talk to **your doctor or other provider**. Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- Talk to a **friend or family member** and ask him or her to act for you. You can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Member Services and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.MolinaHealthcare.com/Duals. The form gives the person permission to act for you. You must give us a copy of the signed form.
- **You also have the right to ask a lawyer** to act for you. You may call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify. If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form. You can ask for a legal aid attorney from the Health Consumer Alliance at 1-888-804-3536.
 - However, **you do not have to have a lawyer** to ask for any kind of coverage decision or to make an appeal.

D3. Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section E on page 138** gives you information if you have problems about services, items, and drugs (but **not** Part D drugs). For example, use this section if:
 - You are not getting medical care you want, and you believe our plan covers this care.
 - We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- **NOTE:** Only use Section E if these are drugs **not** covered by Part D. Drugs in the *List of Covered Drugs*, also known as the Drug List, with a (*) are not covered by Part D. See Section F on page 150 for Part D drug appeals.
- o You got medical care or services you think should be covered, but we are not paying for this care.
- o You got and paid for medical services or items you thought were covered, and you want to ask us to pay you back.
- o You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. See Sections G and H on pages 158 and 164.
- **Section F on page 150** gives you information about Part D drugs. For example, use this section if:
 - o You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - o You want to ask us to waive limits on the amount of the drug you can get.
 - o You want to ask us to cover a drug that requires prior approval.
 - o We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - o You want to ask us to pay for a prescription drug you already bought. (This is asking for a coverage decision about payment.)
- **Section G on page 158** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - o You are in the hospital and think the doctor asked you to leave the hospital too soon.
- **Section H on page 164** gives you information if you think your home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

If you're not sure which section you should use, please call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.

If you need other help or information, please call the Cal MediConnect Ombuds Program at 1-855-501-3077.

E. Problems about services, items, and drugs (not Part D drugs)

E1. When to use this section

This section is about what to do if you have problems with your benefits for your medical, behavioral health, and long-term services and supports (LTSS). You can also use this section for problems with

drugs that are **not** covered by Part D, including Medicare Part B drugs. Drugs in the Drug List with a (*) are **not** covered by Part D. Use Section F for Part D drug Appeals.

This section tells what you can do if you are in any of the following situations:

1. You think we cover medical, behavioral health, or long-term services and supports (LTSS) you need but are not getting.

What you can do: You can ask us to make a coverage decision. Go to Section E2 on page 139 for information on asking for a coverage decision.

2. We did not approve care your doctor wants to give you, and you think we should have.

What you can do: You can appeal our decision to not approve the care. Go to Section E3 on page 141 for information on making an appeal.

3. You got services or items that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Go to Section E3 on page 141 for information on making an appeal.

4. You got and paid for services or items you thought were covered, and you want us to reimburse you for the services or items.

What you can do: You can ask us to pay you back. Go to Section E5 on page 149 for information on asking us for payment.

5. We reduced or stopped your coverage for a certain service, and you disagree with our decision.

What you can do: You can appeal our decision to reduce or stop the service. Go to Section E3 on page 141 for information on making an appeal.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H on pages 158 and 164 to find out more.

E2. Asking for a coverage decision

How to ask for a coverage decision to get medical, behavioral health, or certain long-term services and supports (MSSP, CBAS, or NF services)

To ask for a coverage decision, call, write, or fax us, or ask your representative or doctor to ask us for a decision.

- You can call us at: (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time
- You can fax us at: (310) 507-6186
- You can write to us at: 200 Oceangate Suite 100, Long Beach, CA 90802

How long does it take to get a coverage decision?

After you ask and we get all of the information we need, it usually takes 5 business days for us to make a decision unless your request is for a Medicare Part B prescription drug. If your request is for a Medicare

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

Part B prescription drug, we will give you a decision no more than 72 hours after we receive your request. If we do not give you our decision within 14 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

Sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a “fast coverage decision.” If we approve the request, we will notify you of our decision within 72 hours (or within 24 hours for a Medicare Part B prescription drug).

The legal term for “fast coverage decision” is “expedited determination.”

However, sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you decision if your request is for a Medicare Part B prescription drug.

Asking for a fast coverage decision:

- Start by calling or faxing to ask us to cover the care you want.
- Call us at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time or fax us at (310) 507-6186.
- Find other details on how to contact us in Chapter 2.

You can also ask your provider or your representative to request a fast coverage decision for you.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision **only if you are asking for coverage for care or an item you have not yet received.** (You cannot ask for a fast coverage decision if your request is about payment for care or an item you already got.)
2. You can get a fast coverage decision **only if the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) could cause serious harm to your health or hurt your ability to function.**
 - If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) instead.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- The letter will also tell how you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, see Section 10 on page 170.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

E3. Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. If you or your doctor or other provider disagree with our decision, you can appeal.

In most cases, you must start your appeal at Level 1. If you do not want to first appeal to the plan for a Medi-Cal service, if your health problem is urgent or involves an immediate and serious threat to your health, or if you are in severe pain and need an immediate decision, you may ask for an Independent Medical Review from the Department of Managed Health Care at www.dmhc.ca.gov. Go to page 169 for more information.

If you need help during the appeals process, you can call the Cal MediConnect Ombuds Program at 1-855-501-3077. The Cal MediConnect Ombuds Program is not connected with us or with any insurance company or health plans.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review our coverage decision to see if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

If we tell you after our review that the service or item is not covered, your case can go to a Level 2 Appeal.

At a glance: How to make a Level 1 Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal (see page 169).
- If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is in process (see page 169).
- Keep reading this section to learn about what deadline applies to your appeal.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

How do I make a Level 1 Appeal?

- To start your appeal, you, your doctor or other provider, or your representative must contact us. You can call us at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time. For additional details on how to reach us for appeals, see Chapter 2.
- You can ask us for a “standard appeal” or a “fast appeal.”
- If you are asking for a standard appeal or fast appeal, make your appeal in writing or call us.
 - You can submit a written request to the following address: PO Box 22816, Long Beach, CA 90802
 - You can submit your request online at: Medicare.appealsandgrievances@molinahealthcare.com
 - You may also ask for an appeal by calling us at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.

The legal term for “fast appeal” is “expedited reconsideration.”

- We will send you a letter within 5 calendar days of receiving your appeal letting you know that we received it.

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone besides your doctor or other provider can make the appeal for you, but first you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

To get an Appointment of Representative form, call Member Services and ask for one, or visit www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or our website at www.MolinaHealthcare.com/Duals.

If the appeal comes from someone besides you or your doctor or other provider, we must get the completed Appointment of Representative form before we can review the appeal.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read “Will my benefits continue during Level 1 appeals” on page 165 for more information.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information,** visit www.MolinaHealthcare.com/Duals.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.

Can my doctor give you more information about my appeal?

Yes, you and your doctor may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care. Then, we check to see if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a “standard” appeal decision?

We must give you our answer within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your health condition requires us to.

- If we do not give you an answer to your appeal within 30 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item. You will be notified when this happens. If your problem is about coverage of a Medi-Cal service or item, you will need to file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E4 on page 144.

If our answer is Yes to part or all of what you asked for, we must approve or give the coverage within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal. If your problem is about coverage of a Medi-Cal service or item, the letter will tell you how to file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E4 on page 144.

When will I hear about a “fast” appeal decision?

If you ask for a fast appeal, we will give you our answer within 72 hours after we get your appeal. We will give you our answer sooner if your health requires us to do so.

- If we do not give you an answer to your appeal within 72 hours, we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item. You will be notified when this happens.
- If your problem is about coverage of a Medi-Cal service or item, you will need to file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E4 on page 144.

If our answer is Yes to part or all of what you asked for, we must authorize or provide the coverage within 72 hours after we get your appeal.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information,** visit

www.MolinaHealthcare.com/Duals.

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal. If your problem is about coverage of a Medi-Cal service or item, the letter will tell you how to file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E4 on page 144.

Will my benefits continue during Level 1 appeals?

If we decide to change or stop coverage for a service or item that was previously approved, we will send you a notice before taking the action. If you disagree with the action, you can file a Level 1 Appeal and ask that we continue your benefits for the service or item. You must **make the request on or before the later of the following** in order to continue your benefits:

- Within 10 days of the mailing date of our notice of action; or
- The intended effective date of the action.

If you meet this deadline, you can keep getting the disputed service or item while your appeal is processing.

E4. Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

- If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is usually covered by Medicare or Medi-Cal.
- If your problem is about a Medicare service or item, we will automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a Medi-Cal service or item, you can file a Level 2 Appeal yourself. The letter will tell you how to do this. Information is also below.

What is a Level 2 Appeal?

A Level 2 Appeal is the second appeal, which is done by an independent organization that is not connected to our plan.

My problem is about a Medi-Cal service or item. How can I make a Level 2 Appeal?

There are two ways to make a Level 2 appeal for Medi-Cal services and items: (1) Filing a complaint or Independent Medical Review or (2) State Hearing.

(1) Independent Medical Review

You can file a complaint with or ask for an Independent Medical Review (IMR) from the Help Center at the California Department of Managed Health Care (DMHC). By filing a complaint, the DMHC will review our decision and make a determination. An IMR is available for any Medi-Cal covered service or item that is medical in nature. An IMR is a review of your case by doctors who are not part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it is not medically necessary.
- Will not cover an experimental or investigational Medi-Cal treatment for a serious medical condition.
- Will not pay for emergency or urgent Medi-Cal services that you already received.
- Has not resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours for a fast appeal.

NOTE: If your provider filed an appeal for you, but we do not get your Appointment of Representative form, you will need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care.

You are entitled to both an IMR and a State Hearing, but not if you have already had a State Hearing on the same issue.

In most cases, you must file an appeal with us before requesting an IMR. See page 165 for information about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

If your treatment was denied because it was experimental or investigational, you do not have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice from us of the IMR process.

To ask for an IMR:

- Fill out the Independent Medical Review Application/Complaint Form available at: www.dmhc.ca.gov/fileacomplaint/submitanindependentmedicalreviewcomplaintform.aspx or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center cannot return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- Mail or fax your forms and any attachments to:

Help Center
Department of Managed Health Care
980 Ninth Street, Suite 500
Sacramento, CA 95814-2725
FAX: 916-255-5241

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 2 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar days. You should receive the IMR decision within 7 calendar days of the submission of the completed application. If you are not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC does not receive all of the medical records needed from you or your treating doctor. If you are seeing a doctor who is not in your health plan's network, it is important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case is not eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30 calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.

(2) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we will not approve, or we will not continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the "Your Hearing Rights" notice is mailed to you.

NOTE: If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read "Will my benefits continue during Level 2 appeals" on page 167 for more information.

There are two ways to ask for a State Hearing:

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:
 - To the county welfare department at the address shown on the notice.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- To the California Department of Social Services:

State Hearings Division
P.O. Box 944243, Mail Station 9-17-37
Sacramento, California 94244-2430

- To the State Hearings Division at fax number 916-651-5210 or 916-651-2789.

2. You can call the California Department of Social Services at 1-800-952-5253. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

My problem is about a Medicare service or item. What will happen at the Level 2 Appeal?

An Independent Review Entity (IRE) will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.

The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

If you had a "fast appeal" at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription.

Will my benefits continue during Level 2 appeals?

If your problem is about a service or item covered by Medicare, your benefits for that service or item will **not** continue during the Level 2 appeals process with the Independent Review Entity.

If your problem is about a service or item covered by Medi-Cal and you ask for a State Hearing, your Medi-Cal benefits for that service or item can continue until a hearing decision is made. You must ask for a hearing **on or before the later of the following** in order to continue your benefits:

- Within 10 days of the mailing date of our notice to you that the adverse benefit determination (Level 1 appeal decision) has been upheld; or
- The intended effective date of the action.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

If you meet this deadline, you can keep getting the disputed service or item until the hearing decision is made.

How will I find out about the decision?

If your Level 2 Appeal was an Independent Medical Review, the Department of Managed Health Care will send you a letter explaining the decision made by the doctors who reviewed your case.

- If the Independent Medical Review decision is **Yes** to part or all of what you asked for, we must provide the service or treatment.
- If the Independent Medical Review decision is **No** to part or all of what you asked for, it means they agree with the Level 1 decision. You can still get a State Hearing. Go to page 169 for information about asking for a State Hearing.

If your Level 2 Appeal was a State Hearing, the California Department of Social Services will send you a letter explaining its decision.

- If the State Hearing decision is **Yes** to part or all of what you asked for, we must comply with the decision. We must complete the described action(s) within 30 calendar days of the date we received a copy of the decision.
- If the State Hearing decision is **No** to part or all of what you asked for, it means they agree with the Level 1 decision. We may stop any aid paid pending you are receiving.

If your Level 2 Appeal went to the Medicare Independent Review Entity (IRE), it will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE's decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE's decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE's decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE's decision.
- If the IRE says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called "upholding the decision." It is also called "turning down your appeal."

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal was an Independent Medical Review, you can request a State Hearing. Go to page 169 for information about asking for a State Hearing.

If your Level 2 Appeal was a State Hearing, you may ask for a rehearing within 30 days after you receive the decision. You may also ask for judicial review of a State Hearing denial by filing a petition in Superior Court (under Code of Civil Procedure Section 1094.5) within one year after you receive the decision. You cannot ask for an IMR if you already had a State Hearing on the same issue.

If your Level 2 Appeal went to the Medicare Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

See Section I on page 169 for more information on additional levels of appeal.

E5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem.

For more information, start by reading Chapter 7: “Asking us to pay a bill you have gotten for covered services or drugs.” Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Can I ask you to pay me back for a service or item I paid for?

Remember, if you get a bill for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will see if the service or item you paid for is a covered service or item, and we will check to see if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send your provider the payment for the service or item within 60 calendar days after we get your request. Your provider will then send the payment to you.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal.** Follow the appeals process described in Section E3 on page 141. When you follow these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 30 calendar days after we get your appeal.
- If you are asking us to pay you back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment you asked for to you or to the provider within 60 calendar days.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called “upholding the decision.” It is also called “turning down your appeal.”) The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. See Section I on page 169 for more information on additional levels of appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medi-Cal, you can file a Level 2 Appeal yourself (see Section E4 on page 144).

F. Part D drugs

F1. What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are “Part D drugs.” There are a few drugs that Medicare Part D does not cover but that Medi-Cal may cover. **This section only applies to Part D drug appeals.**

The Drug List includes some drugs with a (*). These drugs are **not** Part D drugs. Appeals or coverage decisions about drugs with (*) symbol follow the process in Section E on page 138.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan’s Drug List
 - Asking us to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan’s Drug List but we require you to get approval from us before we will cover it for you).

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

The legal term for a coverage decision about your Part D drugs is “**coverage determination.**”

- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

Use the chart below to help you decide which section has information for your situation:

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

F2. What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on Drug List or is not covered in the way you would like, you can ask us to make an “exception.”

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - You cannot ask for an exception to the copay or coinsurance amount we require you to pay for the drug.
2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, go to Chapter 5).
 - The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called “prior authorization.”)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a “**formulary exception.**”

F3. Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say Yes or No to your request for an exception

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 on page 155 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

F4. How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section D on page 136 to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, read Chapter 7 of this handbook. Chapter 7 describes times when you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- If you are asking for an exception, provide the “supporting statement.” Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the “supporting statement.”
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.

At a glance: How to ask for a coverage decision about a drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from your doctor or other prescriber.
- You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

If your health requires it, ask us to give you a “fast coverage decision”

We will use the “standard deadlines” unless we have agreed to use the “fast deadlines.”

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor’s statement.

The legal term for “fast coverage decision” is “**expedited coverage determination.**”

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

You can get a fast coverage decision only if you are asking for a drug you have not yet received. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.

If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor’s or other prescriber’s support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a “fast complaint” and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, see Section J on page 170.

Deadlines for a “fast coverage decision”

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, 24 hours after we get your doctor’s or prescriber’s statement supporting your request. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must give you the coverage within 24 hours after we get your request or your doctor’s or prescriber’s statement supporting your request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer within 72 hours after we get your request. Or, if you are asking for an exception, after we get your doctor’s or prescriber’s supporting statement. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request on to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must approve or give the coverage within 72 hours after we get your request or, if you are asking for an exception, your doctor’s or prescriber’s supporting statement.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

At a glance: How to make a Level 1 Appeal

You, your doctor or prescriber, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

If your health requires it, ask for a “fast appeal”

- If you are appealing a decision our plan made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”

The legal term for “fast appeal” is “**expedited redetermination.**”

- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section E4 on page 153.

Our plan will review your appeal and give you our decision

- We take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said **No** to your request. We may contact you or your doctor or other prescriber to get more information. The reviewer will be someone who did not make the original coverage decision.

Deadlines for a “fast appeal”

- If we are using the fast deadlines, we will give you our answer within 72 hours after we get your appeal, or sooner if your health requires it.
- If we do not give you an answer within 72 hours, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.

- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**.

Deadlines for a “standard appeal”

- If we are using the standard deadlines, we must give you our answer within 7 calendar days after we get your appeal, or sooner if your health requires it, except if you are asking us to pay you back for a drug you already bought. If you are asking us to pay you back for a drug you already bought, we must give you our answer within 14 calendar days after we get your appeal. If you think your health requires it, you should ask for a “fast appeal.”
- If we do not give you a decision within 7 calendar days, or 14 calendar days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

- **If our answer is Yes** to part or all of what you asked for:

 - If we approve a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get your appeal request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and tells how to appeal our decision.

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

F6. Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time.
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan and it is not a government agency.

The legal term for an appeal to the IRE about a Part D drug is “**reconsideration.**”

- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

Deadlines for “fast appeal” at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a “fast appeal.”

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- If the IRE agrees to give you a “fast appeal,” it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for “standard appeal” at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
- If the IRE approves a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get the decision.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called “upholding the decision.” It is also called “turning down your appeal.”

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE will tell you the dollar value needed to continue with the appeal process.

G. Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

G1. Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called “An Important Message from Medicare about Your Rights.” If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

Read this notice carefully and ask questions if you don't understand. The "Important Message" tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.
- You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. You can also call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.
- You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.
- If you need help, please call Member Services or Medicare at the numbers listed above.

G2. Level 1 Appeal to change your hospital discharge date

If you want us to cover your inpatient hospital services for a longer time, you must request an appeal. A Quality Improvement Organization will do the Level 1 Appeal review to see if your planned discharge date is medically appropriate for you. In California, the Quality Improvement Organization is called Livanta.

To make an appeal to change your discharge date call Livanta at: (877) 588-1123, TTY: (855) 887-6668.

Call right away!

Call the Quality Improvement Organization **before** you leave the hospital and no later than your planned discharge date. “An Important Message from Medicare about Your Rights” contains information on how to reach the Quality Improvement Organization.

- **If you call before you leave**, you are allowed to stay in the hospital after your planned discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you get after your planned discharge date.

At a glance: How to make a Level 1 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at (877) 588-1123, TTY: (855) 887-6668 and ask for a “fast review”.

Call before you leave the hospital and before your planned discharge date.

- **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, see Section G4 on page 162.
- Because hospital stays are covered by both Medicare and Medi-Cal, if the Quality Improvement Organization will not hear your request to continue your hospital stay, or you believe that your situation is urgent, involves an immediate and serious threat to your health, or you are in severe pain, you may also file a complaint with or ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please go to Section 5.4 on page 144 to learn how to file a complaint and ask the DMHC for an Independent Medical Review.

We want to make sure you understand what you need to do and what the deadlines are.

- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time. You can also call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222. Or you can call the Cal MediConnect Ombuds Program at 1-855-501-3077.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

Ask for a “fast review”

The legal term for “fast review” is “**immediate review.**”

You must ask the Quality Improvement Organization for a “**fast review**” of your discharge. Asking for a “fast review” means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal as described in the next section.

G3. Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

In California, the Quality Improvement Organization is called Livanta. You can reach Livanta at: (877) 588-1123, TTY: (855) 887-6668.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at (877) 588-1123, TTY: (855) 887-6668 and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

You may also file a complaint with or ask the DMHC for an Independent Medical Review to continue your hospital stay. Please go to Section 5.4 on page 144 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

G4. What happens if you miss an appeal deadline

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us,

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay. We check to see if the decision about when you should leave the hospital was fair and followed all the rules.
 - We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a “fast review.”
- At a glance: How to make a Level 1 Alternate Appeal**
- Call our Member Services number and ask for a “fast review” of your hospital discharge date. We will give you our decision within 72 hours.
-
- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary.
 - It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
 - **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then **you may have to pay the full cost** of hospital care you got after the planned discharge date.
 - To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the Independent Review Entity. When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for “fast review” or “fast appeal” is “**expedited appeal.**”

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 170 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.

At a glance: How to make a Level 2 Alternate Appeal

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.
- The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

You may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please go to Section 5.4 on page 144 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

H. What to do if you think your home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.
- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

H1. We will tell you in advance when your coverage will be ending

- You will get a notice at least two days before we stop paying for your care. This is called the “Notice of Medicare Non-Coverage”.
- The written notice tells you the date when we will stop covering your care.
- The written notice also tells you how to appeal this decision.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

- When your coverage ends, we will stop paying.

H2. Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section J on page 170 tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time. Or call your State Health Insurance Assistance Program at (800) 434-0222.

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In California, the Quality Improvement Organization is called Livanta. You can reach Livanta at: (877) 588-1123; TTY: (855) 887-6668. Information about appealing to the Quality Improvement Organization is also in the “Notice of Medicare Non-Coverage”. This is the notice you got when you were told we would stop covering your care.

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state at (877) 588-1123; TTY: (855) 887-6668 and ask for a “fast-track appeal.”

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

What should you ask for?

Ask them for a “fast-track appeal.” This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section H4 on page 167.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- If the Quality Improvement Organization will not hear your request to continue coverage of your health care services or you believe that your situation is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may file a complaint with and ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please go to Section E4 on page 144 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at (855) 665-4627, TTY: 711, Monday – Friday, 8 a.m. – 8 p.m., local time or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or see a copy online at www.cms.gov/Medicare/Medicare-General-Information/BN/MAEDNotices.

Please go to Section 5.4 on page 144 to learn how to ask the Department for an Independent Medical Review.

What happens during the Quality Improvement Organization’s review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- **Within one full day after reviewers have all the information they need, they will tell you their decision.** You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is “**Detailed Explanation of Non-Coverage.**”

What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

H3. Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

In California, the Quality Improvement Organization is called Livanta. You can reach Livanta at: (877) 588-1123; TTY: (855) 887-6668. Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- The Quality Improvement Organization will make its decision within 14 calendar days of receipt of your appeal request.

At a glance: How to make a Level 2 Appeal to require that the plan cover your care for longer

Call the Quality Improvement Organization for your state at (877) 588-1123; TTY: (855) 887-6668 and ask for another review.

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What happens if the review organization says Yes?

- We must pay you back for our share of the costs of care you got since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.

What happens if the review organization says No?

- It means they agree with the decision they made on the Level 1 Appeal and will not change it.
- The letter you get will tell you what to do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.
- You may file a complaint with and ask the DMHC for an Independent Medical Review to continue coverage of your health care services. Please go to Section E4 on page 144 to learn how to ask the DMHC for an Independent Medical Review. You can file a complaint with and ask the DMHC for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

H4. What happens if you miss the deadline for making your Level 1 Appeal

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to continue your care for longer

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your home health care, skilled nursing facility care, or care you are getting at a Comprehensive Outpatient Rehabilitation Facility (CORF). We check to see if the decision about when your services should end was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. We will give you our decision within 72 hours after you ask for a “fast review.”
- **If we say Yes** to your fast review, it means we agree that we will keep covering your services for as long as it is medically necessary.
- It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No** to your fast review, we are saying that stopping your services was medically appropriate. Our coverage ends as of the day we said coverage would end.

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a “fast review.”

We will give you our decision within 72 hours.

If you continue getting services after the day we said they would stop, **you may have to pay the full cost** of the services.

The legal term for “fast review” or “fast appeal” is “**expedited appeal**.”

To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

Level 2 Alternate Appeal to continue your care for longer

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 170 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.

At a glance: How to make a Level 2 Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan, and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal.
- **If the IRE says Yes** to your appeal, then we must pay you back for our share of the costs of care. We must also continue our coverage of your services for as long as it is medically necessary.
- **If the IRE says No** to your appeal, it means they agree with us that stopping coverage of services was medically appropriate.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you details about how to go on to a Level 3 Appeal, which is handled by a judge.

You may file a complaint with and ask the DMHC for an Independent Medical Review to continue coverage of your health care services. Please go to Section 5.4 on page 144 to learn how to ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review. You can file a complaint with and ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

I. Taking your appeal beyond Level 2

I1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator's decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you need assistance at any stage of the appeals process, you can contact the Cal MediConnect Ombuds Program at 1-855-501-3077.

I2. Next steps for Medi-Cal services and items

You also have more appeal rights if your appeal is about services or items that might be covered by Medi-Cal. If you do not agree with the State Hearing decision and you want another judge to review it, you may ask for a rehearing and/or seek judicial review.

To ask for a rehearing, mail a written request (a letter) to:

The Rehearing Unit
744 P Street, MS 19-37
Sacramento, CA 95814

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

www.MolinaHealthcare.com/Duals.

This letter must be sent within 30 days after you get your decision. This deadline can be extended up to 180 days if you have a good reason for being late.

In your rehearing request, state the date you got your decision and why a rehearing should be granted. If you want to present additional evidence, describe the additional evidence and explain why it was not introduced before and how it would change the decision. You may contact legal services for assistance.

To ask for judicial review, you must file a petition in Superior Court (under Code of Civil Procedure Section 1094.5) within one year after receiving your decision. File your petition in the Superior Court for the county named in your decision. You may file this petition without asking for a rehearing. No filing fees are required. You may be entitled to reasonable attorney's fees and costs if the Court issues a final decision in your favor.

If a rehearing was heard and you do not agree with the decision from the rehearing, you may seek judicial review but you cannot request another rehearing.

D2. How to get your Medi-Cal services

If you leave our Cal MediConnect plan, you will be enrolled in a Medi-Cal managed care plan of your choice.

Your Medi-Cal services include most long-term services and supports and behavioral health care.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

When you ask to end your membership in our Cal MediConnect plan, you will need to let Health Care Options know which Medi-Cal managed care plan you want to join.

- Call Health Care Options at 1-844-580-7272, Monday through Friday from 8:00 a.m. to 5:00 p.m. TTY users should call 1-800-430-7077. Tell them you want to leave Molina Dual Options and join a Medi-Cal managed care plan. If you are not sure what plan you want to join, they can tell you about other plans in your area.

When you end your membership with our Cal MediConnect plan, you will get a new Member ID Card, a new *Member Handbook*, and a new *Provider and Pharmacy Directory* for your Medi-Cal coverage.

E. Keep getting your medical services and drugs through our plan until your membership ends

If you leave Molina Dual Options, it may take time before your membership ends and your new Medicare and Medi-Cal coverage begins. See page 179 for more information. During this time, you will keep getting your health care and drugs through our plan.

- **You should use our network pharmacies to get your prescriptions filled.** Usually, your prescription drugs are covered only if they are filled at a network pharmacy including through our mail-order pharmacy services.
- **If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our Cal MediConnect plan until you are discharged.** This will happen even if your new health coverage begins before you are discharged.

F. Other situations when your membership in our Cal MediConnect plan ends

These are the cases when Molina Dual Options must end your membership in the plan:

- If there is a break in your Medicare Part A and Part B coverage.
- If you no longer qualify for Medi-Cal. Our plan is for people who qualify for both Medicare and Medi-Cal.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - If you move or take a long trip, you need to call Member Services to find out if the place you are moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for prescription drugs.
- If you are not a United States citizen or are not lawfully present in the United States.

You must be a United States citizen or lawfully present in the United States to be a member of our plan. The Centers for Medicare & Medicaid Services will notify us if you are not eligible to remain a member on this basis. We must disenroll you if you do not meet this requirement.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

If you no longer qualify for Medi-Cal or your circumstances have changed that make you no longer eligible for Cal MediConnect, you may continue to get your benefits from Molina Dual Options for an additional two month period. This additional time will allow you to correct your eligibility information if you believe that you are still eligible. You will get a letter from us about the change in your eligibility with instructions to correct your eligibility information.

- To stay a member of Molina Dual Options, you must qualify again by the last day of the two-month period.
- If you do not qualify by the end of the two-month period, you'll be disenrolled from Molina Dual Options.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Medi-Cal first:

- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan.
- If you let someone else use your Member ID Card to get medical care.
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

G. Rules against asking you to leave our Cal MediConnect plan for any health-related reason

Chapter 11: Legal notices

Introduction

This chapter includes legal notices that apply to your membership in Molina Dual Options. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

| | |
|---|-----|
| A. Notice about laws | 182 |
| B. Notice about nondiscrimination | 182 |
| C. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort | 182 |

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

A. Notice about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are federal laws about the Medicare and Medi-Cal programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

Every company or agency that works with Medicare and Medi-Cal must obey laws that protect you from discrimination or unfair treatment. We don't discriminate or treat you differently because of your age, claims experience, color, ethnicity, evidence of insurability, gender, genetic information, geographic location within the service area, health status, medical history, mental or physical disability, national origin, race, religion, or sex. In addition, we don't discriminate or treat you differently because of your ancestry, marital status, or sexual orientation.

If you want more information or have concerns about discrimination or unfair treatment:

- Call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users can call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.
- Call your local Office for Civil Rights. To get more information about the Office of Civil Rights and to find your local Civil Rights office, please visit their website at www.hhs.gov/ocr/office.

If you have a disability and need help accessing health care services or a provider, call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

C. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort

Sometimes someone else has to pay first for the services we provide you. For example, if you are in a car accident or if you are injured at work, insurance or Workers Compensation has to pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

The Cal MediConnect program complies with State and Federal laws and regulations relating to the legal liability of third parties for health care services to members. We will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

The medical symptoms may be a serious injury or severe pain.

Emergency care: Covered services that are given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

- Molina Dual Options must give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than the plan’s cost sharing amount for services. Show your Molina Dual Options Member ID Card when you get any services or prescriptions. Call Member Services if you get any bills you do not understand.

Because Molina Dual Options pays the entire cost for your services, you do not owe any cost sharing. Providers should not bill you anything for these services.

Independent Medical Review (IMR): If we deny your request for medical services or treatment, you can file an appeal with us. If you disagree with our decision and your problem is about a Medi-Cal service, including DME supplies and drugs, you can ask the California Department of Managed Health Care for an IMR. An IMR is a review of your case by doctors who are not part of our plan. If the IMR is decided in your favor, we must give you the service or treatment you asked for. You pay no costs for an IMR.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

Interdisciplinary Care Team (ICT or Care team): A care team may include your Primary Care Physician, Case Manager, may include other specialty care providers. Caregiver, or other health professionals who are there to help you get the care you need. Your care team will also make or update your care plan.

List of Covered Drugs (Drug List): A list of prescription and over-the-counter (OTC) drugs covered by the plan. The plan chooses the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a “formulary.”

Long-term services and supports (LTSS): Long-term services and supports are services that help improve a long-term medical condition. Most of these services help you stay in your home so you don't have to go to a nursing home or hospital. LTSS include Multipurpose Senior Services Program (MSSP), Community Based Adult Services (CBAS), and Long Term Care in Nursing Facilities/Sub-Acute Care Facilities (NF/SCF).

Low-income subsidy (LIS): See “Extra Help.”

Medi-Cal: This is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government.

- It helps people with limited incomes and resources pay for long-term services and supports and medical costs.
- It covers extra services and some drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.
- See Chapter 2 for information about how to contact Medi-Cal.

Medi-Cal Plans: Plans that cover only Medi-Cal benefits, such as long term services and supports, medical equipment, and transportation. Medicare benefits are separate.

Medically necessary: This describes the needed services, supplies, or drugs you need to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs

meet accepted standards of medical practice or are otherwise necessary under current Medicare or Medi-Cal coverage rules.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (see “Health plan”).

Medicare Advantage Plan: A Medicare program, also known as “Medicare Part C” or “MA Plans,” that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare-Medi-Cal enrollee (Dual Eligible): A person who qualifies for Medicare and Medi-Cal coverage. A Medicare-Medi-Cal enrollee is also called a “dually eligible individual.”

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health and hospice care.

Medicare Part B: The Medicare program that covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Member Handbook and Disclosure Information: This document, along with your enrollment form and any other attachments, or riders, which explain your coverage, what we must do, your rights, and what you must do as a member of our plan.

Member Services: A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Member Services.

Multipurpose Senior Services Program (MSSP): A program that provides Home and Community-Based Services (HCBS) to Medi-Cal eligible individuals who are 65 years or older with disabilities as an alternative to nursing facility placement.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit

Network pharmacy: A pharmacy (drug store) that has agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they have agreed to work with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with the health plan and accept our payment and not charge our members an extra amount.
- While you are a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

Nursing home or facility: A place that provides care for people who cannot get their care at home but who do not need to be in the hospital.

Ombudsman: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman’s services are free. You can find more information about the Cal MediConnect Ombuds Program in Chapters 2 and 9 of this handbook.

Organization determination: The plan has made an organization determination when it, or one of its providers, makes a decision about whether services are covered or how much you have to pay for covered services. Organization determinations are called “coverage decisions” in this handbook. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

- You can see any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you do not want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan. Chapter 3 explains out-of-network providers or facilities.

Personal health information (also called Protected health information) (PHI): Information about you and your health, such as your name, address, social security number, physician visits and medical history. See Molina Dual Options’ Notice of Privacy Practices for more information about how Molina Dual Options protects, uses, and discloses your PHI, as well as your rights with respect to your PHI.

Primary care provider (PCP): Your primary care provider is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to stay healthy.

- He or she also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must see your primary care provider before you see any other health care provider.
- See Chapter 3 for information about getting care from primary care providers.

Prior authorization: A Service Request that is submitted by your PCP in order to get approval or authorization from Molina Dual Options for a specific service or drug or see an out-of-network provider. Molina Dual Options may not cover the service or drug if you don’t get approval.

Some network medical services are covered only if your doctor or other network provider gets prior authorization from our plan.

- Covered services that need our plan’s prior authorization are marked in the Benefits Chart in Chapter 4.

Some drugs are covered only if you get prior authorization from us.

- Covered drugs that need our plan’s prior authorization are marked in the List of Covered Drugs.

Program for All-Inclusive Care for the Elderly (PACE) Plans: A program that covers Medicare and Medi-Cal benefits together for people age 55 and older who need a higher level of care to live at home.

Prosthetics and Orthotics: These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality improvement organization (QIO): A group of doctors and other health care experts who help improve the quality of care for people with Medicare. They are paid by the federal government to check and improve the care given to patients. See Chapter 2 for information about how to contact the QIO for your state.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription.

Referral: A referral means that your primary care provider (PCP) submits a Service Authorization Request Form known as a referral to Molina Dual Options to get approval before you can see someone that is not your PCP. If you don't get approval, Molina Dual Options may not cover the services. You don't need a referral to see certain specialists, such as women's health specialists. You can find more information about referrals in Chapter 3 and about services that require referrals in Chapter 4.

Rehabilitation services: Treatment you get to help you recover from an illness, accident or major operation. See Chapter 4 to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it is also generally the area where you can get routine (non-emergency) services. Only people who live in our service area can get Molina Dual Options.

Share of cost: The portion of your health care costs that you may have to pay each month before Cal MediConnect benefits become effective. The amount of your share of cost varies depending on your income and resources.

Skilled nursing facility (SNF): A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

Skilled nursing facility (SNF) care: Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

Specialist: A doctor who provides health care for a specific disease or part of the body.

State Hearing: If your doctor or other provider asks for a Medi-Cal service that we will not approve, or we will not continue to pay for a Medi-Cal service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

Step therapy: A coverage rule that requires you to first try another drug before we will cover the drug you are asking for.

Supplemental Security Income (SSI): A monthly benefit paid by Social Security to people with limited incomes and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgent care: Care you get for a sudden illness, injury, or condition that is not an emergency but needs care right away. You can get urgently needed care from out-of-network providers when network providers are unavailable or you cannot get to them.
