В. Часто задаваемые вопросы

Здесь вы найдете ответы на имеющиеся у вас вопросы о данном *Списке покрываемых лекарственных препаратов*. Прочитайте все ответы, чтобы получить больше сведений, либо найдите ответ на ваш конкретный вопрос.

В1. Какие рецептурные препараты представлены в *Списке покрываемых лекарственных препаратов*? (Краткое название *Списка покрываемых лекарственных препаратов* — «список лекарств».)

В списке лекарств представлены лекарственные препараты, покрываемые планом страхования Molina Dual Options. Эти лекарственные препараты доступны в аптеках нашей сети. Аптека входит в нашу сеть, если мы заключили с ней договор на сотрудничество с вами и оказание вам услуг. Мы называем такие аптеки «сетевыми».

- Molina Dual Options покрывает все необходимые по медицинским показаниям лекарственные препараты из списка лекарств, если:

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

- ваш врач или другое лицо, выписавшее вам рецепт, считает, что эти лекарства нужны вам для улучшения самочувствия или поддержания здоровья, **а также**
- вы обращаетесь с рецептом в сетевую аптеку Molina Dual Options.
- В некоторых случаях перед получением лекарственного препарата необходимо выполнить определенные действия (см. вопрос В4 ниже).

Вы также можете просмотреть актуальную версию списка покрываемых лекарств, посетив наш веб-сайт MolinaHealthcare.com/Duals либо позвонив в Отдел обслуживания участников программы страхования по номеру (855) 665-4627, телетайп: 711 с понедельника по пятницу с 8 а.м. до 8 р.м. по местному времени.

В2. Вносятся ли в список лекарств какие-либо изменения?

Да. При этом компания Molina Dual Options должна соблюдать правила программ Medicare и Medicaid при внесении изменений. Мы можем добавлять лекарства в список или убирать их оттуда в течение года.

Кроме того, мы можем менять правила, применяемые к лекарственным препаратам. Например, мы можем:

- Изменить свое решение о необходимости/отсутствии необходимости в предварительном подтверждении страхового покрытия лекарственного препарата. (Под предварительным подтверждением понимается разрешение, полученное от компании Molina Dual Options, прежде чем вы сможете получить лекарственный препарат.)
- Добавить или изменить ограничение на доступное количество препарата (так называемые ограничения по количеству).
- Добавить или изменить ограничение в отношении ступенчатой терапии для лекарственного препарата. (Под ступенчатой терапией понимается необходимость использовать одно лекарство, прежде чем мы одобрим покрытие другого лекарства.)

Дополнительные сведения об этих правилах в отношении лекарственных препаратов см. в ответе на вопрос В4.

Как правило, если вы принимаете лекарственный препарат, стоимость которого покрывалась **в начале года**, мы не отменим и не изменим покрытие этого препарата **до конца года** за исключением следующих случаев:

- в продажу поступает новый более дешевый лекарственный препарат, действие которого идентично текущему препарату из списка лекарств, **или**

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 а.м. до 8 р.м. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

- нам становится известно о небезопасности лекарственного препарата, **или**
- лекарственный препарат снимается с продажи.

В ответах на вопросы В3 и В6 ниже приводятся дополнительные сведения о том, что происходит в случае изменения списка лекарств.

- Актуальная версия списка лекарств Molina Dual Options всегда доступна онлайн на веб-сайте MolinaHealthcare.com/Duals.
- Вы также можете позвонить в Отдел обслуживания участников программы страхования и попросить ознакомиться с текущей версией списка лекарств по номеру (855) 665-4627, телетайп: 711 с понедельника по пятницу с 8 а.м. до 8 р.м. по местному времени.

В3. Что происходит, когда в список лекарств вносятся изменения?

Некоторые изменения списка лекарств вступают в силу **немедленно**. Например:

- **Становится доступен новый непатентованный лекарственный препарат.** Иногда в продажу поступает новый непатентованный лекарственный препарат, действие которого идентично текущему патентованному препарату из списка лекарств. В таких случаях мы можем убрать из списка патентованный лекарственный препарат и добавить вместо него новый непатентованный препарат, но при этом стоимость нового лекарства для вас останется прежней. При добавлении в список нового непатентованного лекарственного препарата мы также можем решить оставить в списке и патентованный препарат, но при этом изменить правила его страхового покрытия или ограничения по покрытию.
 - Мы не сообщим вам об изменении заранее, но будем отправлять вам информацию о каждом конкретном уже внесенном изменении.
 - Вы или ваш поставщик медицинских услуг можете отправить запрос на исключение из правил покрытия в связи с этими изменениями. Мы отправим вам уведомление, где будут описаны действия, с помощью которых можно отправить запрос на исключение. Дополнительные сведения об исключениях из правил покрытия см. в ответе на вопрос В10.
- **Лекарственный препарат снимается с продажи.** Если Управление по надзору в сфере пищевых продуктов и лекарственных средств (FDA, Food and Drug Administration) сообщает о небезопасности принимаемого вами лекарства либо производитель лекарственного препарата снимает его с продажи, мы уберем этот препарат из списка лекарств. Мы сообщим вам об этом, если вы принимаете этот лекарственный препарат в данный момент.

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 а.м. до 8 р.м. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

Проконсультируйтесь со своим врачом или другим лицом, выписавшим вам рецепт, чтобы подобрать безопасный для вас аналог.

Мы можем вносить другие изменения, которые влияют на принимаемые вами лекарственные препараты. Мы заранее сообщим вам о других таких изменениях списка лекарств. Такие изменения могут произойти, если:

- Управление по надзору в сфере пищевых продуктов и лекарственных средств (FDA) публикует новые указания либо появляются новые клинические рекомендации в отношении лекарственного препарата.
- Мы добавляем в список непатентованный лекарственный препарат, который *не является* новым, и
 - Заменяем текущий патентованный лекарственный препарат в списке лекарств **или**
 - Изменяем правила страхового покрытия или ограничения на покрытие патентованного лекарственного препарата.

В случае таких изменений мы:

- Сообщим вам не менее чем за 30 дней до внесения изменения в список лекарств **или**
- Сообщим вам об изменении и предоставим 60-дневный запас лекарственного препарата после того, как вы повторно обратитесь за ним.

Таким образом у вас будет достаточно времени, чтобы обратиться к врачу или другому лицу, выписавшему вам рецепт. Они помогут вам решить:

- Можете ли вы принимать вместо этого препарат-аналог из списка лекарств **или**
- Требуется ли вам отправить запрос на исключение из правил покрытия в связи с этими изменениями. Чтобы узнать больше об исключениях из правил покрытия, см. ответ на вопрос B10.

В4. Существуют ли какие-либо ограничения или условия в отношении страхового покрытия лекарственных препаратов либо действия, которые необходимо выполнить для получения определенных лекарств?

Да, для некоторых лекарственных препаратов предусмотрены правила покрытия или ограничения по доступному участнику плана страхования количеству. В некоторых случаях

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

вы, ваш врач или другое лицо, выписавшее вам рецепт, должны выполнить определенные действия, прежде чем вы сможете получить лекарство. Например:

- **Предварительное одобрение (или предварительное подтверждение).** Прежде чем вы сможете получить некоторые лекарства по своему рецепту, вы, ваш врач или другое лицо, выписавшее вам рецепт, должны получить разрешение от компании Molina Dual Options. Если вы не получите разрешение, Molina Dual Options может не покрыть стоимость лекарства.
- **Ограничения по количеству.** Иногда Molina Dual Options ограничивает количество доступного вам лекарственного препарата.
- **Ступенчатая терапия.** Иногда Molina Dual Options требует проведения ступенчатой терапии. Это означает, что вы должны проверять эффективность лекарственных препаратов при вашем заболевании в определенном порядке. Возможно, вам придется использовать одно лекарство, прежде чем мы одобрим покрытие другого лекарства. Если ваш врач решит, что первое лекарство вам не помогает, тогда мы покроем стоимость второго препарата.

Чтобы узнать, имеются ли для вашего лекарственного препарата дополнительные требования или ограничения, см. таблицы на стр. 17 - 125. Вы также можете получить дополнительные сведения, посетив наш веб-сайт MolinaHealthcare.com/Duals. Мы опубликовали онлайн-версии документов, в которых объясняются действующие для нашего списка лекарств ограничения, касающиеся предварительного подтверждения и ступенчатой терапии. Вы также можете попросить нас прислать вам копию этой документации.

Вы можете отправить запрос на исключение из правил покрытия в связи с этими ограничениями. Таким образом у вас будет достаточно времени, чтобы обратиться к врачу или другому лицу, выписавшему вам рецепт. Они помогут вам решить, можете ли вы принимать вместо этого препарат-аналог из списка лекарств или вам требуется отправить запрос на исключение из правил покрытия. Дополнительные сведения об исключениях из правил покрытия см. в ответах на вопросы B10–B12.

B5. Каким образом можно узнать, имеются ли для требуемого лекарственного препарата ограничения или действия, которые необходимо выполнить, чтобы получить препарат?

В таблице лекарственных препаратов на стр. 15 имеется столбец под заголовком «Необходимые действия, ограничения или условия использования».

B6. Что происходит, если Molina Dual Options изменяет правила в отношении определенных лекарственных препаратов (например,

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

необходимость предварительного подтверждения (разрешения), ограничения по количеству и/или ограничения, касающиеся ступенчатой терапии)?

В некоторых случаях мы заранее сообщим вам о добавлении или изменении правил страхового покрытия лекарственного препарата, касающихся предварительного разрешения, ограничений по количеству и/или ступенчатой терапии. В ответе на вопрос В3 см. дополнительные сведения о таком предварительном уведомлении, а также ситуациях, когда мы не будем иметь возможности заранее сообщить вам об изменениях в правилах страхового покрытия препаратов, представленных в списке лекарств.

В7. Каким образом в списке лекарств можно найти тот или иной лекарственный препарат?

Существует два способа поиска лекарственного препарата:

- Вы можете искать лекарство по алфавиту по наименованию **или**
- Вы можете искать лекарство по заболеванию.

Для поиска **по алфавиту** перейдите в раздел «Алфавитный указатель покрываемых лекарственных препаратов». Его можно найти на стр. 126.

Для поиска **по заболеванию** откройте раздел под заголовком «Классификация лекарственных препаратов по заболеванию» на стр. 15. В этом разделе лекарственные препараты разбиты на категории в зависимости от типа заболеваний, для лечения которых они применяются. Например, при сердечном заболевании см. категорию бета-блокаторы. Здесь вы найдете лекарственные препараты, используемые для лечения сердечных заболеваний.

В8. Что делать, если требуемый лекарственный препарат не представлен в списке лекарств?

Если вы не находите свой лекарственный препарат в списке лекарств, позвоните в Отдел обслуживания участников программы страхования по номеру (855) 665-4627, телетайп: 711 с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени, чтобы задать соответствующий вопрос. Если вам сообщат, что Molina Dual Options не будет покрывать стоимость этого лекарственного препарата, вы можете предпринять одно из следующих действий:

- Попросите у представителя Отдела обслуживания участников программы страхования список лекарственных препаратов, аналогичных тому, который вам необходим. Затем покажите этот список своему врачу или другому лицу, выписавшему вам рецепт. Они могут выдать рецепт на препарат-аналог, представленный в списке лекарств. **Или**

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

- Вы можете подать в страховую компанию запрос на исключение из правил покрытия вашего лекарственного препарата. Дополнительные сведения об исключениях из правил покрытия см. в ответах на вопросы B10–B12.

В9. Что делать, если я новый участник программы страхования Molina Dual Options и не могу найти свой лекарственный препарат в списке лекарств или сталкиваюсь с проблемами при получении своего препарата?

Мы готовы вам помочь. Мы можем покрыть временный 60-дневный *запас* вашего лекарственного препарата в течение первых 90 дней после вашего вступления в программу страхования Molina Dual Options. Таким образом у вас будет достаточно времени, чтобы обратиться к врачу или другому лицу, выписавшему вам рецепт. Они помогут вам решить, можете ли вы принимать вместо этого препарат-аналог из списка лекарств или вам требуется отправить запрос на исключение из правил покрытия.

Если вам выписали рецепт на меньшее количество дней, мы позволим приобрести лекарство несколько раз с тем, чтобы максимальный запас лекарства составлял 60 дней.

Мы покроем 60-дневный запас вашего лекарственного препарата, если:

- вы принимаете лекарственный препарат, не представленный в нашем списке лекарств, **или**
- правила плана медицинского страхования не позволяют вам получить лекарственный препарат в объеме, указанном врачом, выписавшим вам рецепт, **или**
- для покрытия лекарственного препарата требуется предварительное подтверждение компании Molina Dual Options, **или**
- вы принимаете лекарственный препарат, для которого действуют ограничения в отношении ступенчатой терапии.

Если вы находитесь в центре сестринского ухода или другом учреждении долгосрочного ухода и нуждаетесь в лекарственном препарате, не представленном в списке лекарств, либо испытываете трудности с получением необходимого лекарства, мы готовы вам помочь. Если вы являетесь участником плана страхования на протяжении более 90 дней, находитесь в учреждении долгосрочного ухода и нуждаетесь в запасе лекарства прямо сейчас:

- Мы однократно покроем 60-дневный запас необходимого лекарственного препарата (если только вам не выписали рецепт на меньшее количество дней) независимо от того, являетесь ли вы новым участником программы страхования Molina Dual Options.

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

- Мы сделаем это в дополнение к временному запасу, положенному вам в первые 90 дней после вступления в программу страхования Molina Dual Options.

Политика перехода на другие препараты

Новые участники нашего плана страхования могут принимать лекарственные препараты, которые не представлены в нашем списке рекомендованных препаратов или для которых предусмотрены определенные ограничения, например, в отношении предварительного подтверждения или ступенчатой терапии. Ежегодные изменения в нашем списке рекомендованных препаратов могут затронуть также текущих участников программы страхования. Участники программы страхования должны обратиться к своему врачу и обсудить с ним или с ней, должны ли они перейти на другой, покрываемый нами лекарственный препарат или отправить запрос на исключение из правил покрытия, чтобы получить лекарство, не представленное в списке рекомендованных препаратов. Дополнительные сведения о процедуре запроса на исключение см. в справочнике участника. В обязательном порядке обратитесь в Отдел обслуживания участников программы страхования, если ваш лекарственный препарат не представлен в нашем списке рекомендованных препаратов, покрывается с определенными ограничениями (например, требует предварительного подтверждения или является частью ступенчатой терапии) или будет исключен из нашего списка рекомендованных препаратов в следующем году, в связи с чем вам нужна помощь с переходом на другой, покрываемый нами лекарственный препарат или с подачей запроса на исключение из правил покрытия.

На время, которое потребуется участнику программы страхования для обсуждения порядка дальнейших действий со своим врачом, мы можем предоставить временный запас лекарственного препарата, не представленного в нашем списке рекомендованных препаратов, при условии, что участнику программы страхования требуется повторно приобрести такой препарат в первые 90 дней после вступления в наш план, покрывающий лекарства части D (уровни 1 и 2), и 90 дней, если речь идет о препаратах в рамках Medi-Cal (уровень 3). Если вы являетесь текущим участником программы страхования и вас затрагивает ежегодное изменение списка рекомендованных препаратов, мы предоставим вам временный запас лекарственного препарата, не представленного в нашем списке рекомендованных препаратов, при условии, что вам требуется повторно приобрести такой препарат в первые 90 дней с начала нового годового периода действия плана.

Если участник программы страхования обращается в сетевую аптеку и мы предоставляем временный запас лекарственного препарата, который не представлен в нашем списке рекомендованных препаратов или покрывается с определенными условиями или ограничениями (но при этом считается лекарственным препаратом части D), мы покроем 60-дневный запас этого препарата (если только рецепт не выписан на меньшее количество дней). В рамках нашей политики перехода на другие препараты после покрытия

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

временного 60-дневного запаса мы, как правило, больше не оплачиваем вам эти лекарственные препараты.

После покрытия вашего временного запаса мы направим вам письменное уведомление. В этом уведомлении будет описано, как вы можете подать запрос на исключение из правил покрытия, а также обсудить со своим врачом, следует ли вам перейти на подходящий покрываемый нами лекарственный препарат.

В10. Можно ли подать запрос на исключение, чтобы покрыть определенный лекарственный препарат?

Да. Вы можете попросить компанию Molina Dual Options сделать для вас исключение и обеспечить страховое покрытие препарата, не представленного в списке лекарств.

Вы также можете попросить нас изменить правила, действующие для вашего лекарственного препарата.

- Например, компания Molina Dual Options может ограничивать количество лекарственного препарата, стоимость которого будет покрыта. Если для вашего лекарства предусмотрено ограничение, вы можете попросить нас изменить это ограничение и увеличить покрываемое количество препарата.
- Другие примеры. Вы можете попросить нас убрать ограничения в отношении ступенчатой терапии или обязательного предварительного подтверждения.

В11. Как можно подать запрос на исключение из правил покрытия?

Подайте запрос на исключение из правил покрытия, позвонив в Отдел обслуживания участников программы страхования. Отдел обслуживания участников программы страхования поможет вам и вашему поставщику медицинских услуг запросить исключение. Дополнительные сведения об исключениях из правил покрытия см. также в главе 9 *Справочника участника*.

В12. Сколько времени занимает процедура предоставления исключения?

После получения заключения, подтверждающего ваш запрос на исключение, от лица, выписавшего вам рецепт, мы сообщим вам свое решение в течение 72 часов. Лицо, выписавшее вам рецепт, может позвонить в Molina Dual Options или отправить подтверждающее заключение по факсу (866) 290-1309.

Если вы или врач, выписавший вам рецепт, считаете, что ожидание решения в течение 72 часов может навредить вашему здоровью, вы можете подать запрос на ускоренное принятие решения об исключении. При этом решение будет принято быстрее. Если врач,

Если у вас возникли вопросы, позвоните в Molina Dual Options по номеру (855) 665-4627, телетайп: 711, с понедельника по пятницу с 8 a.m. до 8 p.m. по местному времени. Звонок бесплатный. **Для получения дополнительной информации** посетите веб-сайт MolinaHealthcare.com/Duals.

выписавший вам рецепт, подтверждает ваш запрос, мы сообщим вам свое решение в течение 24 часов после получения подтверждающего заключения врача.

В13. Что такое непатентованные лекарственные препараты?

Непатентованные лекарственные препараты имеют такой же состав, что и патентованные лекарства. Как правило, они стоят дешевле по сравнению с аналогичным патентованным лекарственным препаратом, а их название менее известно. Непатентованные лекарственные препараты одобрены Управлением по надзору в сфере пищевых продуктов и лекарственных средств (FDA).

Компания Molina Dual Options покрывает как патентованные, так и непатентованные лекарственные препараты.

В14. Что такое безрецептурные лекарственные препараты?

Безрецептурные средства также обозначают как OTC (over-the-counter). Компания Molina Dual Options покрывает ряд безрецептурных лекарственных препаратов при наличии рецепта от вашего поставщика медицинских услуг.

С. Обзор *Списка покрываемых лекарственных препаратов*

Ниже представлен список лекарственных препаратов, покрываемых компанией Molina Dual Options. Если вам не удастся найти свой лекарственный препарат в списке, воспользуйтесь алфавитным указателем покрываемых лекарственных препаратов, который начинается на стр. 126. В этом указателе в алфавитном порядке перечислены все лекарственные препараты, покрываемые компанией Molina Dual Options.

В первом столбце таблицы указано название лекарственного препарата. Патентованные лекарственные препараты написаны заглавными буквами (например, BYSTOLIC), в то время как непатентованные лекарственные препараты написаны строчными буквами и выделены курсивом (например, metoprolol).

Информация в столбце «Необходимые действия, ограничения или условия использования» дает представление о наличии каких-либо правил покрытия того или иного лекарственного препарата, действующих в Molina Dual Options.

Примечание. Значок * рядом с лекарственным препаратом означает, что этот препарат не относится к «лекарствам части D». Кроме того, для этих лекарственных препаратов действуют другие правила в отношении апелляций.

- Апелляция — это официальный способ обращения к нам с запросом о пересмотре принятого нами решения о страховом покрытии и изменении его, если вы считаете, что оно было ошибочным. Например, мы можем решить, что запрашиваемый вами лекарственный препарат не покрывается или больше не покрывается в рамках Medicare или Medi-Cal.
- Если вы или ваш врач несогласны с нашим решением, вы можете подать апелляцию. Если у вас возник какой-либо вопрос, позвоните в Отдел обслуживания участников программы страхования по номеру (855) 665-4627, телетайп: 711 с понедельника по пятницу с 8 а.м. до 8 р.м. по местному времени. Дополнительные сведения о процедуре апелляции решения см. также в главе 9 *Справочника участника*.
