## B. Providers

### B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.

---

**If you have questions**, please call Molina Dual Options at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. After hours messaging is available 24 hours a day 7 days a week, including holidays. The call is free. **For more information**, visit [MolinaHealthcare.com/CAMMPMaterials](https://MolinaHealthcare.com/CAMMPMaterials).

- The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
- Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
  - Referrals from your network PCP are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
    - Services from a women's health specialist
    - Services not listed on the Molina Dual Options Prior Authorization List or listed as not requiring Prior Authorization
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*. You may also contact Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.
- You also have access to a Case Manager and a care team that you help choose.

- A **Case Manager** helps you manage your medical providers and services.
- Your **Care Team led by your Molina Dual Options Case Manager**, will assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team is built around your preferences and decisions are made with you. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Your Molina Dual Options Case Manager will develop a Care Plan with you or your designee.   - Primary Care Provider
  - Specialty Care Providers
  - Registered Nurses (RN)
  - Molina Dual Options Case Manager
  - Utilization Management Staff
  - Molina Dual Options Medical Director
  - Pharmacists

## **B2. Primary Care Provider (PCP)**

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. You may be able to have a specialist act as your PCP. Specialties include: internal medicine, pediatrics, infectious disease, general practice, and OB/GYNs. Please call Member Services to choose a PCP.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out whether they are affiliated with your PCP's medical group. You can look in this directory or ask Molina Dual Options Member Services to check to find out if the PCP you want makes referrals to that specialist or uses that hospital.

### **B3. Long-term services and supports (LTSS)**

As a Molina Dual Options member, you may be able to get long-term services and supports (LTSS), such as In-Home Supportive Services (IHSS), nursing home care, supplies, Community-Based Adult Services (CBAS) and other services through the Multipurpose Senior Service Program (MSSP). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

These services include Community-Based Adult Services (CBAS).

CBAS is a community-based day health program that provides services to older persons and adults with chronic medical, cognitive, or mental health conditions and/or disabilities that are at risk of needing institutional care.

To apply for CBAS, please contact *Molina Dual Options* Member Services at (855) 665-4627, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

time.

#### **B4. How to identify providers in Molina Dual Options' network**

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you use providers who are not in Molina Dual Options' network and are not affiliated with your PCP's medical group (without prior authorization or approval from us), you will have to pay the bill.

A **prior authorization** is an approval from Molina Dual Options before you can get a specific service, drug, or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories except under limited circumstances. Contact plan for details. You can also go outside the plan or your PCP's medical group if Molina Dual Options gives you permission first.

You may need a referral for someone who is not a Primary Care Provider. There is more information about referrals in Section B1, Key terms, of this Directory on page 6.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You can change your PCP at any time. In most cases, changes will be in effect the first day of the following calendar month. There may be exceptions if you're currently receiving a treatment at the time of your PCP change request. You can change your PCP through your personal website at [MyMolina.com](http://MyMolina.com) or you may contact Member Services for more information about any of your Molina Dual Options providers and request the PCP change. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services whether you are using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Molina Dual Options works with all the providers in our network to accommodate

## B. Proveedores

### B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de Proveedores y Farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeras, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (LTSS, Long Term Services and Support), suministros, medicamentos recetados, equipos y otros servicios.
  - El término proveedores también incluye centros tales como hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y apoyo a largo plazo.
  - A los proveedores que son parte de la red de nuestro plan les llamamos proveedores de la red.
- Los **proveedores de la red** son los proveedores que tienen contrato con nosotros para proporcionar servicios a los miembros de nuestro plan. Por lo general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de cuidados primarios** (PCP, Primary Care Provider) es un médico, enfermera especializada u otro profesional de atención médica que le brinda atención médica de rutina. Su PCP mantendrá su historia clínica y conocerá sus necesidades de salud con el tiempo. Su PCP también le hará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
- Los **especialistas** son doctores que prestan servicios de atención médica para una enfermedad específica o parte del cuerpo. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
  - Los oncólogos se ocupan de los pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con afecciones cardíacas.
  - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Usted puede necesitar una **remisión** para ver a un especialista o a alguien que no es su PCP. Una **remisión** significa que su PCP debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si no recibe una remisión, Molina Dual Options podría no cubrir los servicios.
  - Las remisiones de su PCP de la red no son necesarias para:

### **B4. Cómo identificar proveedores en la red de Molina Dual Options'**

Debe recibir todos los servicios cubiertos de proveedores de la red que están afiliados

---

**Si tiene preguntas**, llame Molina Dual Options al (855) 665-4627, TTY: 711, De lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. Luego del horario de atención se pueden enviar mensajes las 24 horas del día, los 7 días de la semana, incluyendo feriados. al grupo médico de su PCP. Si utiliza proveedores que no están en la red de Molina Dual Options' y no están afiliados al grupo médico de su PCP (sin autorización previa o aprobación de nosotros), tendrá que pagar la factura.

Una **autorización previa** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o consultar a un proveedor fuera de la red. Molina Dual Options podría no cubrir el servicio o el medicamento si usted no recibe esta aprobación.

Existen excepciones a esta regla cuando usted necesite atención urgente o de emergencia; o bien, diálisis y no pueda ir a un proveedor del plan, como cuando está lejos de casa. Medicare y Medicaid no proporcionan cobertura para atención médica de emergencia fuera de los Estados Unidos y sus territorios, salvo en circunstancias limitadas. Comuníquese con el plan para obtener más detalles. Usted también puede ir fuera del plan o del grupo médico de su PCP si Molina Dual Options lo autoriza primero.

Es posible que necesite una remisión para alguien que no sea un proveedor de atención primaria. Hay más información acerca de las referencias en la Sección B1, Términos clave, de este Directorio en la página 5.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si ha estado viendo a un proveedor de la red, no tiene que seguir yendo a ese mismo proveedor. Usted puede cambiar a su PCP en cualquier momento. En la mayoría de los casos, los cambios serán vigentes el primer día del siguiente mes calendario. Puede haber excepciones si actualmente está recibiendo un tratamiento al momento de su solicitud de cambio de PCP. Puede cambiar a su PCP a través de su página web personal en [MyMolina.com](http://MyMolina.com) o comunicarse con el Departamento de Servicios para Miembros (Member Services Department) para obtener más información sobre cualquiera de sus proveedores de Molina Dual Options y sobre las solicitudes para cambiar a su PCP. Para algunos proveedores, es posible que necesite una remisión de parte de su PCP (excepto en casos de servicios de atención médica urgente y de emergencia).
