Overview

Molina Healthcare, Inc., a FORTUNE 500, multi-state healthcare organization, arranges for the delivery of healthcare services to individuals and families who receive their care through the Medicaid and Medicare programs, and through the state insurance marketplaces (the “Marketplace”).

Through our locally operated health plans in 16 states (including MMP plans), we serve over 111,000 Medicare members as of July 2021.

Molina was founded in 1980 as a provider organization serving low-income families in Southern California. We were originally organized in California as a health plan holding company and reincorporated in Delaware in 2002.

Why Selling Molina Medicare is a Great Opportunity for You

Why Selling Molina Medicare is a Great Opportunity for You

The Medicare Beneficiary Population:

- Currently, 44 million beneficiaries - some 15 percent of the U.S. population - are enrolled in the Medicare program. Enrollment is expected to rise to 79 million by 2030.

- Only 1 in 10 beneficiaries relies solely on the Medicare program for health care coverage. The rest have some form of supplemental coverage to help with medical expenses.

Molina wants you to be our partner and make it easy to do business.

- Molina Medicare products offers the opportunity to sell during the entire year, an extensive network of providers, lifetime renewal compensations, and an online training and certification system for your convenience.
  - As our partner, you will enjoy the benefits of working with an engaged team in serving our members and bringing high quality medical coverage to Medicare beneficiaries.
  
  - Broker Services is ready to assist you with all of your needs in marketing Molina Medicare's products, including assistance with sales materials, and answering any questions you may have regarding our products or the enrollment process. Experienced Broker Channel Leadership is here to help you.

Release and Constructive Release Guidance & Process

If a Participating Producer wishes to sell Molina Healthcare Products under a different Agency, that Producer must submit a Release or notice of intent for a Constructive Release to Molina Healthcare. Participating Producers must remain with an Agency for at least six (6) months prior to submitting a notice of intent for a Constructive Release.

Upon the effective date of the Release or Constructive Release, Molina Healthcare has the right to appoint or otherwise authorize the Participating Producer to sell Molina Healthcare Products on behalf of a different Agency.

Notwithstanding any other provision, there will not be a Release or Constructive Release effective during the time period of October 1 - December 15 of each calendar year. If a Release or Constructive Release should have been effective during that time period, it will be effective January 1.

Release:
- A Release is a written authorization from Agency that gives authority to Molina Healthcare to release Participating Producer from the Agency’s contract with Molina Healthcare.
  - A Release will be effective upon the date of its receipt by Molina Healthcare, unless received during October 1 - December 15, then it will be effective January 1.
- Releases on Agency Molina Healthcare letterhead will no longer be accepted. Please complete the form which is located in the Appendix Section of this Producer Guide.

Constructive Release:
Molina Healthcare allows for two types of Constructive Releases as an avenue for Participating Producer to move from its existing Agency to a new Agency. The requirements for each are as follows:
- Participating Producer may request a Constructive Release if the Participating Producer has not Solicited any Benefit Contract or Policy for the current Agency during the preceding six (6) months.
  - This notice of intent for the Constructive Release will be effective the first day of the month following receipt of the request.
- Participating Producer may also request a Constructive Release if the Participating Producer provides Molina Healthcare with a notice of intent to be released from its Agency. Molina Healthcare will not process notice of intent for Constructive Release until six (6) months after its

receipt. The effective date for this Constructive Release will be the first day of the month following the six (6)-month waiting period.

- If Participating Producer requests this type of Constructive Release, Participating Producer may continue to Solicit Molina Healthcare Products between the time of submission of the request to Molina Healthcare and the effective date of the Constructive Release (i.e., the waiting period). However, any Compensation associated with Benefit Contracts or Policies sold during this time will remain under the current Agency and are subject to the guidelines outlined in section 5 of this Producer Guide.

In order for Molina Healthcare to process a Constructive Release, the Participating Producer must fill out the Molina Healthcare notice of intent, Constructive Release Form, which is located in the Appendix Section of this Producer Guide. Please return completed form to MCRBrokerContracting@MolinaHealthcare.com. Upon receiving a request for Constructive Release, Molina Healthcare will also provide notice of your request to Agency.

Release and Constructive Release of Agency

Agency can only have one hierarchy. Dual hierarchies are not allowed by Molina. If an Agency wishes to sell Molina Medicare products under a different upline Agency, that Agency must obtain a Release or Constructive Release.
Requesting Appointments and Adding States

Per Medicare Communication and Marketing Guidelines (110.1), compliance with state licensure and/or appointment laws is required. Producers have the responsibility to maintain state licenses, continuing education and all other state requirements. Uplines must be contracted and have the proper licenses and appointments required by applicable law.

Agencies may now add additional appointments for direct downline agencies and agents through our onboarding tool. We want to make it easier to do business with Molina Medicare, so we’ve added this convenient and efficient additional resource to our online tools.

**Step 1:**
- To qualify, agents must be licensed in the states where you are contracted to sell in order to be added.

**Step 2:**
- Make sure that the proper state(s) Line of Authority is held by licensee.

**Lines of Authority:**
- AZ – Accident and Health or Sickness
- CA – Accident & Health
- FL – Health
- ID – Accident & Health or Sickness
- KY – Health
- MA – Accident and Health or Sickness
- MI – Accident & Health
- NM – Accident and Health or Sickness
- NY – Accident/Health
- OH – Accident & Health
- SC – Accident Health or Sickness
- TX – Life, Accident, Health and HMO
- UT – Accident and Health or Sickness
- VA – Accident & Sickness

Requesting Appointments and Adding States

Step 3:
- Agencies please log in to Workflow/Onboarding.

Step 4:
- Access our step-by-step instructions to add appointment(s) in the workflow/onboarding system; see the document titled “How to Add Appointments” in the Appendix.

When will new appointments be active?
- Appointments will process within 1-3 business days.
- Please note: if you use DRX for electronic enrollment submissions, your access to the new states will be available 1-2 business days after the appointment processes.
- We will send you a welcome letter email when the new state appointment is active.

How We Pay

• Compensations pay out on the first and third Fridays of the month.
  - Initials, replacements and renewals are paid out on the first Friday.
  - True up and adjustments as needed are paid out on the third Friday.
  - Compensation Payment Process: Producers who are paid directly by Molina will receive an email a deposit notification from our Accounts Payable Dept. the day before your deposit hits your bank account. You may access your compensation statements from the Molina Broker Portal.

• Compensation year is January 1 through December 31.

• Compensation schedules are outlined in your contract under Exhibit D-2022.

Producers are paid a compensation for each qualified enrollment for a Molina Medicare product in accordance with CMS requirements and terms of their contract. We pay directly to the Producer, or to the payee, as specified upon contracting. Compensations for licensed only agents (LOA) sales are paid directly to their upline for any qualified enrollment.

Administrative Fees:
Administrative Fees are paid to uplines for providing administrative services, such as Producer recruiting, Producer training, sales compliance, office administration related to Medicare sales/enrollment and marketing.

Initial Sales

Initial Year Compensation means the compensation paid to the Producer of Record for a Molina Medicare Qualified Enrollment when it meets the CMS Requirements to be qualified as an initial year enrollment and compensation is permitted to be paid pursuant to CMS requirements and Law. The Initial Year Compensation shall never extend beyond December 31 of each calendar year regardless of when the Beneficiary enrolled with Molina Healthcare.

Molina will, if permitted by law, advance the full initial rate set forth in your contract after CMS confirmation that it is an initial sale, and after the effective date.

With respect to an initial sale arising from a plan change occurring after January 1, Molina shall pay a prorated lump sum compensation starting from the effective date until the end of the year.

Molina will pay fair market value (FMV) rates per CMS guidelines.
Replacement and Renewal Compensations

- Replacement means a sale to a Medicare beneficiary who was enrolled in a Medicare plan other than Molina Medicare and not defined by CMS as an Initial Sale.
- With respect to a replacement sale arising from a plan change occurring after January 1, Molina shall pay a prorated lump sum commission starting from the effective date until the end of the calendar year.
- Molina defines a Renewal as a member remaining continuously enrolled in their Molina Medicare plan into the next calendar year.
- Renewal compensations are prorated and paid on a per month basis according to your contract.
- We pay lifetime renewals for as long as the member remains continuously enrolled in their original Molina Medicare plan. Producer/Agency is required to maintain active licensing in the state sold.
- If you are terminated for cause, then you will stop receiving compensation.

Chargebacks and Compensation Recovery

Molina Medicare utilizes CMS regulations for all chargeback guidelines.

Rapid Disenrollment:
- Molina will charge back or recoup the full amount of the Initial Year Compensation, Replacement Year Compensation, Renewal Compensation and Agency Administrative Payment when there is a Rapid Disenrollment of a Qualified Enrollment and such Rapid Disenrollment does not meet one of the exceptions pursuant to CMS requirements.

Other Chargebacks:
- Disenrollments and Retro-disenrollments: If a Qualified Enrollment disenrolls or retro-disenrolls, and such disenrollment is not considered a Rapid Disenrollment, Molina will charge back or recoup the applicable Initial year Compensation, Replacement year Compensation, Renewal Compensation and Agency Administrative Payment for a Renewal Compensation, if such amounts have been paid after the Beneficiary’s disenrollment date.

Recovery process for Producers with negative owing balance:
- Negative balances are offset with earned compensations for any new or renewal business and per your contract.
Enrollment Cancellations and Rapid Disenrollment

- Enrollment Cancellations are situations where a potential enrollee completes the enrollment request process but cancels the enrollment prior to the effective date of that enrollment.
- Rapid Disenrollments means an individual who disenrolls from Molina Medicare or changes plans within Molina Medicare during the first three (3) months of enrollment.
- Molina will monitor the Enrollment Cancellations and Rapid Disenrollment rates of the Agency and each of its Participating Producers. In the event, Molina identifies an issue, Molina will have the right to remediate the issue.

The Seven Elements of a Compliance Program

- Implementing written policies, procedures, and standards of conduct
- Designating a compliance officer and compliance committee
- Conducting effective training and education
- Developing effective lines of communication
- Conducting internal monitoring and auditing
- Enforcing standards through well-publicized disciplinary guidelines
- Responding promptly to detected offenses and undertaking corrective action

Each of the Seven Elements requires robust, organization-wide enforcement and documentation.

Why Compliance is Important

As a partner representing Molina Medicare products, you must follow Molina Medicare policies and procedures and CMS regulations and guidelines in daily sales and marketing activities. You are responsible for knowing these rules and ensuring you follow them.

Molina Medicare wants its potential members to be properly informed when they choose a Molina Medicare product and to not feel coerced or misinformed. Following the rules and guidelines set forth by Molina Medicare and CMS will ensure this happens. Use of approved sales and marketing materials will also ensure the marketing and enrollment process used by your Producers will be compliant.

Failure to follow these rules and guidelines places Molina Medicare at risk of CMS action and jeopardizes your opportunity to market Molina Medicare products at risk. Potential consequences of engaging in inappropriate or deceptive marketing practices include disciplinary actions, termination of contract and loss of compensation.

For questions regarding compliance, send an email to SalesOversight@Molinahealthcare.com

Molina Healthcare Code of Business Conduct and Ethics

Agencies and Producers who partner with Molina Medicare must follow the Molina Healthcare Code of Business Conduct and Ethics. Each year, you will be required to attest to having reviewed the Code of Business Conduct and Ethics, and that you and your organization agree to abide by the standards contained therein.

Reporting Fraud, Waste & Abuse and Compliance Concerns

As an agency and Producer contracted with Molina Medicare, you are required to prevent, and report suspected or actual non-compliance and/or fraud. You can report suspected or actual non-compliance or fraud, waste and abuse by either calling Molina Healthcare AlertLine or using the AlertLine web link below.

Molina Healthcare AlertLine is an external telephone and web-based compliance hotline hosted by NAVEX Global. AlertLine is available 24 hours a day, 7 days a week and 365 days a year. When you make a report, you can choose to remain confidential or anonymous.

The Molina Compliance Hotline Phone: (866) 606-3889

Sales Oversight

As an appointed Producer of Molina Medicare, Molina Medicare is responsible for any actions you make on its behalf.

This responsibility extends to both potential members and existing Molina Medicare members. CMS holds plans responsible for the behavior and conduct of its Producers. As such, Molina Healthcare has a responsibility to monitor the activities of its Producers that sell Molina Medicare products.

Some of the oversight and monitoring includes:

- Ensuring Producers are following all Molina Medicare policies and CMS requirements.
- Taking measures to ensure Medicare beneficiaries are not misled during the marketing process.
- Verifying Producers are showing up and on time for their Molina-scheduled Sales Events.
- Identifying and correcting inappropriate behavior or activity by Producers or agencies.
- Monitoring enrollment applications to ensure they are complete and sent timely (within 2 calendar days of signature).
Grievances & Sales Allegations (CTMs)

A grievance is a complaint or an expression of dissatisfaction related to an alleged sales staff miscommunication of benefits or plan rules, inappropriate sales/marketing practices or action/inaction that negatively impact a member/prospect. Producer must respond to all complaint investigation requests.

The source of grievances varies and can be written or verbal (complaint tracking module), CTMs come from complaints made to CMS, and/or can be obtained through routine monitoring and oversight.

Molina Medicare Sales Oversight reviews each complaint and conducts an investigation. Statements are taken from the producer and the member or their representative. The person conducting the investigation also reviews all the documents in the member’s files including their enrollment application and any notes from customer service calls.

Upon the completion of the investigation, a determination is made as to whether the grievance and/or CTM is substantiated or unsubstantiated, or inconclusive and whether or not discipline action or coaching is required.

First Tier, Downstream & Related Entities (FDR)

Producers and Agencies that market and sell Molina Medicare plans are considered first tier entities and thereby are subject to CMS’s applicable requirements.

CMS requires that FDRs:

- Have a Compliance Program in place – Code of Conduct, Policies and Procedures
- Provide fraud, waste and abuse (FWA) training to its employees
- Retain records for 10 years
- Conduct exclusionary list screening, OIG/GSA
- Reporting mechanism to identify possible FWA and non-compliance issues
- Attest to satisfying these compliance requirements and adhering with applicable CMS rules and regulations
FDR Oversight Program

Molina has an FDR oversight program which monitors Producers and agencies to ensure applicable CMS requirements are being followed. Below is a list of activities associated with this oversight program.

- Collection of annual FDR compliance attestations
- Review and submission of marketing materials for CMS filing
- Obtain FDR policies and procedures
- Identification of FDR Compliance Officer
- FDR website review
- Investigation of sales allegation

Educational vs. Marketing/Sales Events

CMS regulations define two different categories of public events: educational and sales/marketing. Educational events are designed to inform prospects about Medicare Advantage plans or other Medicare programs.

The following requirements apply:

- Must be explicitly advertised as educational
- Must not include marketing or sales activities or the distribution of marketing material or enrollment forms

Marketing/Sales events are designed to steer or attempt to steer potential enrollees toward a plan.

The following requirements apply:

- Must use CMS approved presentations
- Must clearly label sign in sheets as optional
- Must not do health screenings or other activities that may be perceived or used as “cherry picking”
- May not require attendees to provide contact information as a prerequisite for attendance
Sales Events Notifications and Changes

Agencies must inform Molina Medicare about marketing events no later than the 20th of each month (this does not include CVS events which must be submitted 30 days prior to the requested date). All Producers will need to complete a Marketing Event Proposal Form for the following months' events and send it to Sales Engagement.

Note: Events for CVS Pharmacies are submitted on a separate form as required by CVS and follow blackout rules. Agents must have a Letter of Approval in their possession when working a CVS pharmacy.

An Event Form is included in the monthly reminder. Reminder is generated on the 10th of each month to provide ample time to complete.

Email completed worksheets and any change notifications to SalesEngagement@MolinaHealthcare.com.

Scope of Appointment Requirements

An agent must obtain a completed Scope of Appointment (SOA) prior to the start of an appointment.

The SOA must document the following: form or on a recorded call:

- Product types to be discussed
- Date of appointment
- Beneficiary and agent contact information
- Statement stating, no obligation to enroll, current or future Medicare enrollment status will not be impacted, and automatic enrollment will not occur.

A new SOA is required if, during an appointment, the beneficiary requests information regarding a different plan type than previously agreed upon.

The SOA form or recording must be retained for ten (10) years, or otherwise required by CMS.
Telephonic Scope of Appointment (SOA)

To accommodate situations where the broker cannot physically meet with the beneficiary, Molina offers an alternative to a paper SOA - a Telephonic SOA. A job aid is available from Broker Services for the telephonic SOA process. The broker will contact Broker Services with the beneficiary on the phone, and the team will complete the telephonic SOA in just a few minutes on a recorded line.

**Enrollment Form Submission**

There are three methods that enrollment applications can be submitted:

- Submit electronic enrollments through Connecture/DRX; this is the preferred method of enrollment.
- Fax paper enrollments to the Molina Medicare Enrollment Fax line at (844) 541-6848.
- Your agency/employer may also provide a tool to submit your enrollments that Molina has pre-approved. Please check with your agency on other tools that may be available for you to quote and enroll.
- All enrollment submissions must be made within 2 calendar days of the application sign date.
- Enrollment applications must be fully completed, including signatures and dates.
- Broker Services will send a confirmation email for every successful receipt of a paper enrollment sent to the Molina Medicare Enrollment Fax line.

**Telephonic Enrollment**

To accommodate situations where the broker cannot physically meet with the beneficiary, Molina offers an alternative to a paper application or electronic enrollment - a Telephonic Enrollment. A job aid is available from Broker Services for the telephonic enrollment process. Training sessions are also available from your local Broker Channel Manager. The broker will upload the completed Telephonic Enrollment Submission form into Callidus. The Molina Telephonic Enrollment team will then assist them with the enrollment on a recorded line.
Marketing Policy Overview

Agencies may only use Molina Medicare and CMS approved marketing materials when discussing or presenting Molina Medicare products.

Most if not all marketing materials intended for distribution to potential members must be filed with CMS. All materials provided by Molina Medicare have been reviewed for compliance with CMS regulations, inclusion of required disclaimers and accuracy. Additionally, these materials have been filed with and approved by CMS.

Agencies and their Producers may not alter CMS-approved materials other than to add personal information like agency/Producer name, phone number, and email address or event date where appropriate.

Any material that promotes Molina Medicare products not previously approved by Molina Medicare needs to be submitted for review prior to use.

Per CMS regulations, the official first day for marketing for Annual Election Period (AEP) begins on October 1 of each year. The AEP is for enrollments in the upcoming benefit year. To be compliant, you cannot market or advertise the upcoming year’s products before October 1st.

Websites

CMS defines websites used by Molina Medicare contracted agencies and their Producers as third-party marketing websites. Third-party marketing websites that market Molina Medicare products must meet all applicable Molina Medicare and CMS marketing guidance, including those found in the Medicare Communications & Marketing Guidelines. These requirements apply to websites used by agencies or Producers to generate leads, as well.

Third-party websites that market Molina Medicare products must be submitted to CMS. If the website markets several MA plans’ products, it may be submitted through the multi-plan process.

Producers and agencies are required to provide the website addresses of all sites used to market Molina Medicare products to your Broker Channel Manager.

Agency and Producer websites may not:

- Request health status information, such as pre-existing conditions, weight, and whether a beneficiary is a smoker.
- Provide misleading information, such as identifying a Medicare Supplement plan as a Medicare Advantage plan.
- Use prohibited terminology, including unsubstantiated absolute superlatives.

Requests for Disenrollment

Cancellation of an Enrollment Application

Enrollment Cancellations

• A prospective member or his/her legal representative may request to cancel their enrollment application for any reason prior to the effective date of coverage.

• An enrollment may only be canceled if it is received by Molina Medicare prior to the effective date of coverage.

• If a prospective member requests to withdraw their enrollment application prior to submitting the application, you must still submit the application to Molina Medicare. You will then need to contact Broker Services to request that the enrollment be canceled. Do not mark, write on or alter the application to indicate the member wants to cancel the enrollment. If an enrollment is submitted and later canceled or withdrawn prior to it effectuating, it will not report as the SEP used for that quarter.

• To forward a request from a prospective member or their authorized representative to cancel an enrollment, please email Broker Services at MCREnrollment@MolinaHealthcare.com

Requests for Disenrollment

  – Enrolling in another plan (during a valid enrollment period)
  – Emailing signed written notice to MCREnrollment@MolinaHealthcare.com

What is a Health Risk Assessment (HRA)?

- The Health Risk Assessment is an important tool that will help us understand the member’s health care needs.

- An HRA is a standard list of questions (survey) used to understand the member’s medical, functional, cognitive, psychosocial and mental health needs. We use this tool to identify a person-centered plan of care individualized to the member’s needs.

- The member’s health is important to us, and we are here to help them feel their best. Completing this survey will help us optimize the member’s benefits.

Health Risk Assessments assist in:

- Closing gaps in care and quality
- Mitigating access to care issues
- Improving our star ratings
- Enabling us to support the member with Special Supplemental Benefits for the Chronically Ill (SSBCI)

- **Molina Medicare Member**
  
  - The member will receive a welcome packet containing a paper HRA. Members are encouraged to submit a completed HRA form using the provided pre-paid envelope inside their new member packet.
  
  - Given that the HRA is a valuable tool to help the member, we request that all questions are answered (or declined in writing). This helps us to ensure we understand the member’s needs and help us to provide the best person-centered care.

- **Molina Contracted Agents**
  
  - Agents that are contracted and Ready-to-Sell for 2022 can complete an HRA at the point of sale and submit via email, or mail-in the completed HRA using the appropriate CMS approved pre-paid envelope once they have completed the HRA Agent Training and attested to complete the HRA Agent Training.
  
  - The terms of your Molina Medicare Agency Agreement or Participating Producer Agreement will govern Health Risk Assessment: Agent Process, unless there is a direct conflict with what is outlined in Section 10, then Section 10 will supercede the terms of your Agreement. For the avoidance of doubt, the exhibit that contains the Business Associate Agreement and the exhibit that contains the Cybersecurity provisions will apply to the Health Risk Assessment: Agent Process, as the Producer Guide, is incorporated by reference into the Agreement.
  
  - Those agents that are completing HRAs on the member’s behalf should encourage the member to complete the survey in its entirety, encouraging the member to input unsure/decline language if they do not have access to or do not feel comfortable to provide the information. The Idaho Molina Medicare Complete Care D-SNP plan (H5628-008) is out of scope for Agents. HRAs for these beneficiaries must be completed in person with Case Management.
