Molina Healthcare Profile

Molina Healthcare is one of the largest, most experienced and successful health care services companies in the United States and is nationally recognized as a Medicaid and Medicare services leader. With more than three decades of experience in serving members, partnering with providers, supporting local communities and serving state governments, Molina meets the distinctive and diverse health care needs of approximately 1.8 million members across the United States through its licensed, quality accredited health plans.

Mission and Values

The story of Molina Healthcare began in 1980 with the vision of Dr. C. David Molina, a Long Beach, California emergency room physician who believed that everyone, no matter what their social or economic standing, deserved respect and access to quality care. Dr. Molina's legacy continues today and serves as the company's guiding principle.

Molina Healthcare is committed to:

- Delivering quality health care services to promote healthier populations
- Improving access to quality health care for all persons
- Serving as a steward and trustworthy Medicaid and Medicare partner
- Respecting the dignity of every member
