About Molina Medicare Choice Care (HMO)

Molina Medicare Choice Care (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's provider and pharmacy directory at our website www.MolinaHealthcare.com/Medicare. Or, call us and we will send you a copy of the provider and pharmacy directories.

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

Who can join?

To join Molina Medicare Choice Care (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Idaho: Twin Falls.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*. Some of the extra benefits are outlined in this booklet. We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.MolinaHealthcare.com/Medicare. Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

INITIAL COVERAGE STAGE

After you pay your applicable deductible, you begin this stage when you fill your first prescription of the year. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. If you reside in a long-term care facility, you pay the same as at a retail pharmacy. You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy. You stay in this stage until your year-to-date "total drug costs" (your payments plus any Part D plan payments) total \$4,020. You pay the following:

	Standard Retail Pharmacy	Mail Order Pharmacy
Tier 1 (Preferred Generic)		
One-month;	\$0 copay	\$0 copay
Two-month; or	\$0 copay	\$0 copay
Three-month supply	\$0 copay	\$0 copay
Tier 2 (Generic)

<i>Specialty drugs are limited to a 31 day supply.</i>		
Tier 6 (Select Care)		
One-month;	\$0 copay	\$0 copay
Two-month; or	\$0 copay	\$0 copay
Three-month supply	\$0 copay	\$0 copay

COVERAGE GAP STAGE

During this stage, you pay 25% of the price for brand name drugs (plus a portion of the dispensing fee) and 25% of the price for generic drugs. You stay in this stage until your year-to-date “out-of-pocket costs” (your payments) reach a total of \$6,350. This amount and rules for counting costs toward this amount have been set by Medicare.

CATASTROPHIC COVERAGE STAGE

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,350, you pay the greater of:

- 5% of the cost, or
- \$3.60 for a generic drug or a drug that is treated like a generic and \$8.95 for all other drugs.
