

2025 ID FIDE “Medicaid Wrap Formulary”

Medicare Part D is the primary payer for the Idaho FIDE plan and should provide access to all medically appropriate medications through the Part D formulary, coverage determination, or appeal process. It is expected that the Medicaid “wrap-around” drug benefit will be used in addition to the Medicare formulary for the drugs listed below that may be excluded by Medicare Part D coverage, such as: some non-prescription drugs, Over-the-Counter drugs (when a prescription is obtained), some prescription vitamins, and/or other Part D excluded drugs.
