Providers

Getting started in Molina Dual Options

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, services, supplies, prescription drugs, equipment and other services.
 - The term *providers* also includes hospitals, clinics, and other places that provide medical services, medical equipment, and long term services and supports.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Molina Dual Options may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - To see a women's health specialist.
 - Services not listed on the Molina Healthcare Prior Authorization List or listed as not requiring Prior Authorization
- Additionally, if you are eligible to receive services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services, even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 the Member Handbook.
- You also have access to a Care Team and a Molina Case Manager.
 - A **Case Manager**, based on your needs and preferences, will lead your Care Team and develop a Care Plan that helps you manage your medical, behavioral health, long term services and supports, and social and functional needs.

Your **Care Team** may include, but is not limited to the following people:

- Primary Care Provider
- Specialty Care Providers
- Registered Nurses (RN)
- Molina Case Manager
- Utilization Management Staff
- Molina Medical Director
- Pharmacists
- Waiver Service Coordinator

Your **Care Team** is built around your preferences and decisions are made with you and take into account your right to self-direct your care. You have the right to limit and/or may decline to participate in:

- Case management
- Care team meetings about your Care Plan and/or approval of all care team participants

If you have questions, please call Molina Dual Options at (877) 901-8181, TTY/TDD 711, Monday - Friday, 8 a.m. – 8 p.m. local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- The Care Team, led by your Molina Case Manager, works together to make sure your care is coordinated. This means that they make sure your providers are aware of care you receive, medicines you take, and that tests and labs are done once and the results are shared with the appropriate providers. Your Care Team will also assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team will be in contact with you as often as needed depending on the Care Plan that you help develop.
- A **Care Plan** will be developed with your help by the Molina Case Manager you are working with and Care Team. The Care Plan will list all of your needs, set goals to address those needs, and determine ways to monitor if those needs are being met or if they need to be changed. It may also include a service plan if you are receiving Home and Community Based Services.

Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you *will need to* choose a Primary Care Provider.

To choose a PCP, go to the list of providers on pages 1 - 21 and:

- choose a provider that you use now, *or*
 - choose a provider who has been recommended by someone you trust, *or*
 - choose a provider whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at (877) 901-8181, TTY/TDD: 711. Monday - Friday, 8 a.m. – 8 p.m., local time.. The call is free. Or, visit www.MolinaHealthcare.com/Duals.
 - If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services to ask—*before* you get the service or care.

Getting long-term services and supports

You may be able to get long-term services and supports (LTSS), such as the following waiver programs: Elderly, Supportive Living Facility, Persons with Disability, Traumatic Brain Injury and Persons with HIV/AIDS as a Molina Dual Options member. Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need assistance with daily activities like bathing, dressing or grooming you can speak with a Molina Case Manager by contacting our Member Services department at (877) 901-8181, TTY/TDD 711, Monday - Friday, 8 a.m. – 8 p.m., local time.

Identifying Providers in Molina Dual Options' Network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the “Getting started in Molina Dual Options” section of this Provider and Pharmacy Directory on page ii.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill. The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. You can change your PCP at any time. All changes completed by the 25th of the month will be in effect on the first day of the following calendar month. Any changes on or after the 26th of the month will be in effect on the first day of the second calendar month. However, we recommend that you first visit your doctor to get to know your PCP before changing. You can call Member Services if you want more information about any of our Molina Healthcare providers. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).

Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide. If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Case Manager for assistance.

Finding Molina Dual Options providers in your area

When you enroll in the Molina Dual Options plan, you must choose a PCP to provide your basic medical care and coordinate your care. You may find a PCP close to where you live by checking the PCP listings in this directory. Locate your county and city and then choose a listed PCP.

Pharmacies

This part of the Directory provides a list of pharmacies in Molina Dual Options' network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Champaign, Christian, DeWitt, Ford, Knox, Logan, Macon, McLean, Menard, Peoria, Piatt, Sangamon, Stark, Tazewell, and Vermilion.

Please contact Molina Dual Options at (877) 901-8181, TTY/TDD 711, Monday - Friday, 8 a.m. – 8 p.m., local time, for additional information.

- Molina Dual Options members must use network pharmacies to get prescription drugs.
- You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Molina Dual Options Member Handbook for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was printed.
