B. Frequently Asked Questions

The following chart lists frequently asked questions.

Frequently Asked Questions (FAQ)	Answers
What is a Medicare-Medicaid Plan?	A Medicare-Medicaid Plan is a health plan that contracts with both Medicare and Illinois Medicaid to provide benefits of both programs to enrollees. It is for people with both Medicare and Medicaid. A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has case managers to help you manage all your providers and services. They all work together to provide the care you need.
What is a Molina Dual Options case manager?	A Molina Dual Options case manager is one main person for you to contact. This person helps manage all your providers and services and makes sure you get what you need.
What are long-term services and supports?	Long-term services and supports are services provided through a Long Term Care Facility or through a Home and Community Based Waiver. Enrollees have the option to get long-term services and supports (LTSS) in the least restrictive setting when appropriate, with a preference for the home and the community, and in accordance with the Enrollee's wishes and Care Plan.
Will you get the same Medicare and Medicaid benefits in Molina Dual Options that you get now?	<p>You will get your covered Medicare and Medicaid benefits directly from Molina Dual Options. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. You will get almost all of your covered Medicare and Medicaid benefits directly from Molina Dual Options, but you may get some benefits the same way you do now, outside of the plan.</p> <p>When you enroll in Molina Dual Options, you and your care team will work together to develop an Individualized Care Plan to address your health and support needs. During this time, you can keep seeing your doctors and getting your current services for 90 days, or until your care plan is complete. When you join our plan, if you are taking any Medicare Part D prescription drugs that Molina Dual Options does not normally cover, you can get a temporary supply. We will help you get another drug or get an exception for Molina Dual Options to cover your drug, if medically necessary.</p>
