

Maternity Care

Early care is important to the health of pregnant women and their babies. Here is information to help you and your little one!

Passport Health Plan by Molina Healthcare covers:

- Newborn screenings
- Pregnancy care
- Childbirth education classes
- OB/GYN and hospital services
- One medically necessary post-partum home visit for newborn care and assessment following discharge
- Care management services for high-risk pregnancies during pregnancy and for two months after delivery
- Hospital Care
- Inpatient care
- Outpatient care
- Labs, X-rays and other tests
- Prenatal, delivery, postpartum and maternity care (includes care for conditions that complicate pregnancy)
- Information on diet, exercise and other important health care services

If you think you are pregnant, please call your doctor for an appointment. It is important to start prenatal care as soon as you know you are pregnant. If you are pregnant when you enroll with Passport, please let us know so we can make sure you continue getting prenatal care.

Picking the right doctor for you

If you need help finding a doctor, please call Member Services at (800) 578-0603, Monday - Friday, 7 a.m. to 7 p.m. (TTY: 711). While Passport doesn't require referrals, check with your primary care provider to make sure there are no other referral needs for routine maternity care services.

After your baby is born

Make sure you go to your doctor right after you have your baby for follow-up care (3 - 8 weeks, 21 - 56 days after your baby is born). If you had a C-section, you should follow up within 1 - 2 weeks of surgery.

At birth, your child becomes a member of Passport. It is important that you tell your DCBS worker and Passport about your child's birth as soon as possible. You can find your local DCBS office at https://prd.webapps.chfs.ky.gov/Office_Phone/.

If you have any questions about your new baby's enrollment in Passport, please call Member Services.

We will make sure that:

- Your baby gets healthcare
- Your baby's doctor is listed on the Passport ID card

Added Prenatal/Maternity Programs

Here are some special programs to help you and your baby:

- **High Risk Pregnancy**

We have a special team who can give you healthy pregnancy information. We can talk to you about your pregnancy to see if you have any high-risk conditions that could affect your pregnancy. If you have a high-risk condition, one of our nurse care managers will work with you one-on-one during your pregnancy. We'll make sure you have the best and healthiest outcome for you, your baby, and your family. Please call us at (866) 891-2320 (Option 4 for Kentucky), Monday - Friday 9 a.m. to 9 p.m. (EST).

- **Quit Smoking**

Smoking during pregnancy can harm your baby. For free help to quit smoking:

- Call (800) QUITNOW (784-8669)
- Visit <https://women.smokefree.gov/pregnancy-motherhood>

- **WIC**

Women, Infants and Children (WIC) Program offers pregnant women and young children free food and other services. If you are pregnant or recently delivered, talk to your PCP or maternity care provider about WIC. To find out if you are eligible for this program you can contact your local WIC agency. You will need to make an appointment to talk with them. You will need to show proof of Kentucky residency along with proof of income. For more information about WIC visit: <https://chfs.ky.gov/agencies/dph/dmch/nsb/Pages/wic.aspx>

We are here for you!
