

# Benefits and Rewards Just for Kids and Teens!

At Passport Health Plan by Molina Healthcare, your child's health and quality of life is important to us!

All members under age 21 have FREE access to any treatment or health service that is medically necessary to treat, prevent or improve a health problem. This includes but is not limited to:

- Comprehensive health screening services (well-child checks, dental, vision and developmental screenings, and immunizations - including their flu shot)
- 2 Preventive dental visits a year and additional services as needed
- Hearing services
- Inpatient and outpatient hospital services
- Lab and X-ray services
- Behavioral health services
- Physical, speech, and occupational therapy
- Prescription drugs
- Transportation to and from medical appointments
- Vision services – including 1 pair of eyeglasses per year or a second pair if the first pair gets broken or the prescription changes

## Healthy Rewards

Passport offers extra benefits for children and teens! Call Member Services to learn more and claim your reward.

- **Gift Cards for taking care of your child's health!**

All members can earn \$50 for visiting a dentist one time each year. Children 1-3 years old can earn \$10 for going for each of their scheduled well-child visits – that adds up to \$60 if they get all 6! Female members ages 16-24 years old can earn \$25 for getting a chlamydia screening. Teens 18 years and older can earn \$25 for their annual well visit. These are great ways for rewarding young adults to learn how to take care of their health!

- **School & Sports Physicals!**

Children 6-18 years old can get a free sports or school physical every year. Get this done for your young athlete when they get their annual well child exam with their primary care provider.

- **Second Inhaler!**

Passport will provide a second inhaler at no extra cost to children under 18 who are prescribed an inhaler.
