

# A healthy smile just got easier with your dental benefit!

**As a Passport by Molina Healthcare member, you get Dental Options+, your supplemental dental. Using this benefit is as easy as ABC.**

## ACCESS

How do I access the benefit?

Passport partnered with DentaQuest to give you more options for your routine dental needs.

### Preventive Dental Services

If you use a network provider, you get preventive dental services like:

- oral exams,
- cleanings,
- fluoride treatments, and
- x-rays

at no cost to you.

### Annual Allowance

In addition, you will have an annual allowance on your MyChoice card for any comprehensive services at a network provider. To maximize your benefit, remember to use a network provider.

### Non-Network Providers

If you go to a dental provider outside of the network, for all services (including preventive or comprehensive services) you must use your MyChoice card and only up to the benefit allowance.

### MyChoice

The MyChoice card is a debit card (not a credit card). You can use it for your dental needs. Passport loads your dental benefit allowance to your MyChoice card. We load the allowance at the start of your benefit period (annually). At the end of each benefit year, any unused benefit allowance expires and does not carry over to the following period or plan year.

For questions about your MyChoice card, call Passport Member services. You can also see your Evidence of Coverage on our website.

### Find a Provider

To find a DentaQuest provider close to you:

- Search online at [dentaquest.com/en/find-a-dentist](https://dentaquest.com/en/find-a-dentist)
- Call DentaQuest at (800) 508-2059 (TTY: 711), Monday – Friday, 8 a.m. to 8 p.m., local time.

When you call, a representative will verify your eligibility and search for a network dental provider in your area. You do not need a referral from your Primary Care Physician (PCP) for this benefit.

# BENEFIT

What is the benefit?

B

Preventive dental services have no annual maximum allowance. Preventive dental services include exams, cleanings, fluoride and x-rays.

We only cover the American Dental Association (ADA) procedure codes listed below. The ADA may update these codes during the year. If you have a question about an ADA code, call DentaQuest.
