## Choosing Your Doctor

It is important to choose a PCP from this provider directory. Family members may choose the same doctor or a different doctor based on their needs. A PCP will help you with the following:

- Check-ups
- Shots
- Finding the right specialist, if needed
- Going to a hospital, if needed
- Prescriptions

If you do not choose a PCP, Molina will choose a doctor for you. Molina will always select a doctor that is closest to where you live.

*Thank you for joining the Molina Healthcare family!*

Some providers may not offer some services because of religious or moral beliefs. If this happens, Molina will let you know within 90 days.

This information is freely available in other languages. Please contact our Member Services Department at (866) 472-4585 or TTY at 711, Monday through Friday, 8:00 a.m. to 7:00 p.m.

## Cómo elegir a su doctor

Es importante elegir un proveedor de cuidados primarios (PCP) de este directorio de proveedores. Sus familiares pueden elegir el mismo doctor u otro distinto de acuerdo con sus necesidades. El PCP le ayudará con lo siguiente:

- Chequeos
- Vacunas
- Encontrar el especialista adecuado, si fuera necesario
- Acudir al hospital, de ser necesario
- Recetas

Si no elige un PCP, Molina elegirá un doctor por usted. Molina siempre seleccionará al doctor más cercano al lugar donde usted vive.

*¡Gracias por unirse a la familia de Molina Healthcare!*

Es posible que algunos proveedores no ofrezcan ciertos servicios debido a creencias morales o religiosas. Si esto sucede, Molina le avisará en el transcurso de los 90 días

Esta información está disponible gratuitamente en otros idiomas. Favor de comunicarse con nuestro Departamento de Servicios para Miembros al (866) 472-4585 o para los usuarios de TTY al 711, de lunes a viernes, de las 8:00 a.m. a 7:00 p.m
