E. Changes to benefits for next year

E1. Changes to benefits for medical services

We're changing our coverage for certain medical services next year. The table below describes these changes.

In 2025, Senior Whole Health SCO NHC (HMO D-SNP) participated in the Value Based Insurance Design (VBID) Model, but this program is going away this year. As a part of the Part D benefit of the VBID Model, Senior Whole Health SCO NHC (HMO D-SNP) offered elimination of cost-sharing for Part D drugs. Because this program has ended, members may have cost-sharing on all Part D drugs in all coverage phases. However, since you receive Extra Help from MassHealth (Medicaid), you pay nothing. For more information, call Member Services if you have questions.

E2. Changes to drug coverage

Changes to our *Drug List*

An updated *List of Covered Drugs* is located on our website at MolinaHealthcare.com/Medicare. You may also call Member Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*.

The *List of Covered Drugs* is also called the *Drug List*.

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes are allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
  - You can call Member Services at the numbers at the bottom of the page or contact your care coordinator to ask for a *List of Covered Drugs* that treat the same condition.
  - This list can help your provider find a covered drug that might work for you.
- Work with your doctor (or other prescriber) and ask us to make an exception to cover the drug.
  - You can ask for an exception before next year, and we'll give you an answer within 72 hours after we get your request (or your prescriber’s supporting statement).

- To learn what you must do to ask for an exception, refer to **Chapter 9** of your *Member Handbook* or call Member Services at the numbers at the bottom of the page.
- If you need help asking for an exception, contact Member Services or your care coordinator. Refer to **Chapters 2 and 3** of your *Member Handbook* to learn more about how to contact your care coordinator.

- Ask us to cover a temporary supply of the drug.
  - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
  - This temporary supply is for up to 31 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook.*)
  - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

If your formulary exception is approved, you will be notified how long the approval will last. In most cases, approvals are given for one year. You will need to request a new formulary exception once your approval expires.

Changes to drug costs

There are no changes to the amount you pay for drugs in 2026. Read below for more information about your drug coverage.

G. Choosing a plan

G1. Staying in our plan

We hope to keep you as a plan member. You don't have to do anything to stay in our plan. Unless you sign up for a different Medicare plan or change to Original Medicare, you'll automatically stay enrolled as a member of our plan for 2026.

G2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have MassHealth, you can end your membership in our plan any month of the year.

In addition, you may end your membership in our plan during the following periods:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you’re eligible to make a change to your enrollment. For example, when:

- you moved out of our service area,
- your eligibility for MassHealth or Extra Help changed, **or**

- you recently moved into or are currently getting care in an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section G2**. By choosing one of these options, you automatically end your membership in our plan.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice describes the privacy practices of Molina Healthcare's affiliated health plans (referred to herein as "**Molina**", "**we**" or "**our**"). We use and share protected health information ("**PHI**") about you to provide your health benefits as a Molina member. We use and share your PHI to carry out treatment, payment and health care operations. We also use and share your PHI for other reasons as allowed and required by law. We have the duty to keep your health information private and to follow the terms of this Notice. The effective date of this Notice is January 1, 2026.

PHI is health information that includes your name, member number or other identifiers, and is used or shared by us. PHI includes health information about substance use disorders and biometric information (like a voiceprint).

Why do we use or share your PHI?

We use or share your PHI to provide you with health care benefits. Your PHI is also used or shared for treatment, payment, and health care operations.

For Treatment

We may use or share your PHI to give you, or arrange for, your medical care. This treatment also includes referrals between your doctors or other health care providers. For example, we may share information about your health condition with a specialist. This helps the specialist talk about your treatment with your doctor.

For Payment

We may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical need. Your name, your condition, your treatment, and supplies given may be written on the bill. For example, we may let a doctor know that you have our benefits. We would also tell the doctor the amount of the bill that we would pay.

For Health Care Operations

We may use or share PHI about you to run our health plan(s). For example, we may use information from your claim to let you know about a health program that could help you. We may also use or share your PHI to solve your concerns. Your PHI may also be used to see that claims are paid right.

Health care operations involve many daily business needs. It includes but is not limited to, the following:

- Improving quality;
- Actions in health programs to help members with certain conditions (such as asthma);
- Conducting or arranging for medical review;
- Legal services, including fraud and abuse detection and prosecution programs;
- Actions to help us obey laws;
- Addressing member needs, including solving complaints and grievances.

We will share your PHI with other companies ("**business associates**") that perform different kinds of activities for our health plan(s). We may also use your PHI to give you reminders about your appointments.

We may use your PHI to give you information about other treatment(s), or other health-related benefits and services.

When can we use or share your PHI without getting written authorization (approval) from you?

In addition to treatment, payment and health care operations, the law allows or requires Molina to use and share your PHI for several other purposes including the following:

Required by law

We will use or share information about you as required by law. We will share your PHI when required by the Secretary of the Department of Health and Human Services (HHS). This may be for a court case, other legal review, or when required for law enforcement purposes.

Public Health

Your PHI may be used or shared for public health activities. This may include helping public health agencies to prevent or control disease.

Health Care Oversight

Your PHI may be used or shared with government agencies. They may need your PHI for audits.

Research

Your PHI may be used or shared for research in certain cases, such as when approved by a privacy or institutional review board.

Legal or Administrative Proceedings

Your PHI may be used or shared for legal proceedings, such as in response to a court order.

Law Enforcement

Your PHI may be used or shared with police for law enforcement purposes, such as to help find a suspect, witness or missing person.

Health and Safety
Your PHI may be shared to prevent a serious and imminent threat to the health or safety of a person or the public.

Government Functions
Your PHI may be shared with the government for special functions. An example would be to protect the President.

Victims of Abuse, Neglect or Domestic Violence
Your PHI may be shared with legal authorities if we believe that a person is a victim of abuse or neglect.

Workers' Compensation
Your PHI may be used or shared to obey Workers' Compensation laws.

Other Disclosures
Your PHI may be shared with funeral directors or coroners to help them do their jobs.

Additional Restrictions on Use and Disclosure.
Some federal and state laws may require special privacy protections that restrict the use and disclosure of certain types of health information. Such laws may protect the following types of information: alcohol and substance use disorders, biometric information, child or adult abuse or neglect including sexual assault, communicable diseases, genetic information, HIV/AIDS, mental health, minors' information, prescriptions, reproductive health, and sexually transmitted diseases. We will follow the more stringent law, where it applies to us.

Substance Use Disorder (SUD) Information.
Although we are not a substance use disorder treatment program under federal law (a "SUD Program"), we may receive information

from a SUD Program about you. We may not disclose SUD information for use in a civil, criminal, administrative, or legislative proceeding against you unless we have (i) your written consent, or (ii) a court order accompanied by a subpoena or other legal requirement compelling disclosure issued after we and you were given notice and an opportunity to be heard.

When do we need your written authorization (approval) to use or share your PHI?

We need your written approval to use or share your PHI for a purpose other than those listed in this Notice. We need your authorization before we disclose your PHI for the following: (1) most uses and disclosures of psychotherapy notes; (2) uses and disclosures for marketing purposes; and (3) uses and disclosures that involve the sale of PHI. You may cancel a written approval that you have given us. Your cancellation will not apply to actions already taken by us because of the approval you already gave to us.

What are your health information rights?

You have the right to:

- **Request Restrictions on PHI Uses or Disclosures (Sharing of Your PHI)**
  You may ask us not to share your PHI to carry out treatment, payment or health care operations. You may also ask us not to share your PHI with family, friends or other persons you name who are involved in your health care. However, we are not required to agree to your request. You will need to make your request in writing. You may use our form to make your request.

- **Request Confidential Communications of PHI**
  You may ask Molina to give you your PHI in a certain way or at a certain place to help keep your PHI private. We will follow

reasonable requests, if you tell us how sharing all or a part of that PHI could put your life at risk. You will need to make your request in writing. You may use our form to make your request.

- **Review and Copy Your PHI**
  You have a right to review and get a copy of your PHI held by us. This may include records used in making coverage, claims and other decisions about you as our member. You will need to make your request in writing. You may use our form to make your request. We may charge you a reasonable fee for copying and mailing the records. In certain cases, we may deny the request. *Important Note: We do not have complete copies of your medical records. If you want to look at, get a copy of, or change your medical records, please contact your doctor or clinic.*

- **Amend Your PHI**
  You may ask that we amend (change) your PHI. This involves only those records kept by us about you as a member. You will need to make your request in writing. You may use our form to make your request. You may file a letter disagreeing with us if we deny the request.

- **Receive an Accounting of PHI Disclosures (Sharing of Your PHI)**
  You may ask that we give you a list of certain parties that we shared your PHI with during the six years prior to the date of your request. The list will not include PHI shared as follows:

  - for treatment, payment or health care operations;
  - to persons about their own PHI;
  - sharing done with your authorization;

- incident to a use or disclosure otherwise permitted or required under applicable law;
- PHI released in the interest of national security or for intelligence purposes; or
- as part of a limited data set in accordance with applicable law.

We will charge a reasonable fee for each list if you ask for this list more than once in a 12- month period. You will need to make your request in writing. You may use our form to make your request.

You may make any of the requests listed above, or may get a paper copy of this Notice. Please call our Member Services department at the toll-free number on the back of your ID card, 7 days a week, 8 a.m. to 8 p.m., local time. TTY/ TDD users, please call 711.
