

We want to make it easy for you to manage your health. To help you do that, we have partnered with CVS Caremark to offer you a supplemental Over-the-Counter (OTC) benefit so that you can order the Plan-approved OTC health and wellness items you need most.

Ordering is easy:

Go online 24/7 to www.cvs.com/otcmolina

or

Call CVS Caremark toll-free at (888) 700-7662.

TTY/TDD users call (877) 279-0371.

CVS Caremark OTC Customer Service Representatives are available from 8 a.m. – 11 p.m. EST Monday – Friday and 8:30 a.m. – 9 p.m. EST Saturday and Sunday. The CVS Caremark OTC Customer Service line is closed on New Year's Day, 4th of July, Labor Day, Memorial Day, Thanksgiving, and Christmas.

OTC products are shipped right to your door.

You do NOT need a prescription from a participating provider to purchase OTC items. Whether you call in your order or order online, you pay nothing for Plan-approved OTC items as long as you stay within your monthly OTC benefit allowance.

Make sure to spend your maximum OTC benefit allowance every month. What you don't use expires at the end of each month (no carryover).

Important Things to Remember

ID Cards and Ordering

- Once you become a Molina Medicare Options Plus HMO SNP Member, CVS Caremark will mail you a CVS ExtraCare Health Card (EHC). Your card will arrive in the mail, usually within 3-4 weeks.
- You will need your EHC number to order OTC products.
- However, while waiting to get your EHC card, you can still place your OTC order by using your Molina Medicare Option Plus Member number (found on your ID Card).
- Until your new EHC card arrives, simply call the CVS Caremark toll-free number to place your OTC order. Give the CVS Caremark OTC Customer Service Representative your Molina Medicare Options Plus Member number.
- Although you can create an online account without your EHC number, you will not be able to order OTC items from the CVS website until you receive your EHC card.
- Once you receive your EHC card, simply go back to the website, update your account, and you will be ready to place your next order online.
- You can also purchase Plan-approved OTC items at any pharmacy and submit your receipt(s) for reimbursement. However, we do not recommend this option as you will have to pay the full retail price charged. Discounts to match OTC Catalog pricing will not be applied at the pharmacy or in your reimbursement. This applies to walk-in purchases made at CVS pharmacies as well.

Benefit Allowance

- Monthly OTC supplemental benefit allowances vary by Plan. Check your 2014 Evidence of Coverage for your Plan's monthly OTC benefit allowance.
- You have a fixed amount to spend each month. Your OTC benefit allowance expires at the end of each month. If the entire amount is not used, the remaining balance is forfeited.
- Use the catalog below or go online to find the items that you want to order. You can go to the CVS website and type Molina into the search box. This will pull up a listing of all covered OTC items along with product photos.
- Total all your items and be sure to stay within your available monthly OTC benefit allowance.
- Once you have used your monthly OTC benefit allowance, you are responsible for paying for any additional amounts owed on items that you purchase. This includes taxes and shipping where applicable.
- You can choose to purchase additional OTC items when you spend above your monthly OTC benefit allowance. Although you will pay out-of-pocket for these items, you will receive Molina Medicare's discounted pricing off all additional CVS/pharmacy brand items as well as other CVS.com promo items.
- Please remember that the supplemental OTC benefit is for Molina Medicare Options Plus Members only. You should not use your monthly OTC allowance to purchase items for family, friends, or anyone else. You must use your monthly OTC allowance only to order items for yourself.

Shipping, Payment, and Reimbursement

- Allow 7-10 days for shipping.
- Shipping is free when you order once a month.
- For additional orders, a \$5.49 flat shipping charge applies. Surcharges for overweight items may also occur for these additional orders.
- Checks, money orders, American Express, MasterCard, and Visa are accepted.
- If you would like to be notified if there is a problem with your order, please give CVS Caremark your telephone number or email address. Whether you place your order online or by phone CVS Caremark wants to talk to you if an item is out of stock or there may be a delay in shipping.
- Should you receive a damaged product, please contact CVS Caremark within 72 hours at (888) 700-7662 or for TTY/TDD (877) 279-0371 or via email at customercare@cvs.com.
- If you purchased your OTC items at a pharmacy contact our Member Services Department to obtain a copy of the OTC Reimbursement Form. You will find their toll-free number on the back of your Molina Medicare ID card. Follow the instructions on the form and mail with a copy of your receipt. Your request will be reviewed and a check will be mailed to your physical address within 4 weeks.

Molina Medicare Options Plus HMO SNP is a Health Plan with a Medicare Contract and a contract with the state Medicaid program. Enrollment in Molina Medicare Options Plus depends on contract renewal. This information is available for free in other languages. Please call our customer service number at (800) 665-3086, TTY/TDD 711, 7 days a week, 8 a.m. - 8 p.m., local time. Esta información está disponible gratuitamente en otros idiomas. Por favor, comuníquese a nuestro número de teléfono para servicio al cliente al (800) 665-3086, TTY/TDD 711, los 7 días de la semana, de 8:00 a.m. a 8:00 p.m., hora local. The benefit information provided is a brief summary, not a complete description of benefits. For more information contact the plan. Limitations, copayments, and restrictions may apply. Benefits, formulary, pharmacy network, premium and/or co-payments/co-insurance may change on January 1 of each year.
