About Molina Medicare Complete Care (HMO DSNP)

Molina Medicare Complete Care (HMO DSNP) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's provider and pharmacy directory at our website www.MolinaHealthcare.com/Medicare. Or, call us and we will send you a copy of the provider and pharmacy directories.

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

Who can join?

To join **Molina Medicare Complete Care (HMO DSNP)** you must be entitled to Medicare Part A, be enrolled in Medicare Part B and Medicaid by Michigan Department of Health and Human Services (MDHHS), and live in our service area. Our service area includes the following counties in Michigan: Barry, Bay, Genesee, Huron, Kent, Lapeer, Livingston, Macomb, Monroe, Montcalm, Muskegon, Newaygo, Oakland, Ottawa, Saginaw, Sanilac, Shiawassee, Tuscola, Washtenaw, and Wayne.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*. Some of the extra benefits are outlined in this booklet. We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website www.MolinaHealthcare.com/Medicare. Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Summary of Medicaid-Covered Benefits

Your state Medicaid program can be reached through the office of the Michigan Department of Health and Human Services (MDHHS).

A person who is entitled to both Medicare and medical assistance from a State Medicaid plan is considered a dual eligible. As a dual eligible beneficiary your services are paid first by Medicare and then by Medicaid. Your Medicaid coverage varies depending on your income, resources, and other factors. Benefits may include full Medicaid benefits and/or payment of some or all of your Medicare cost-share (premiums, deductibles, coinsurance, or copays). Depending on your level of Medicaid eligibility, you may not have any cost-sharing responsibility for Medicare-covered services.

Below is a list of dual eligibility coverage categories for beneficiaries who may enroll in the Molina Medicare Complete Care (HMO DSNP) Plan:

- **Qualified Medicare Beneficiary (QMB):** Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only. You receive Medicaid coverage of Medicare cost-share but are not otherwise eligible for full Medicaid benefits.
- **QMB+:** Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts. You receive Medicaid coverage of Medicare cost-share and are eligible for full Medicaid benefits.
- **Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid pays your Medicare Part B premium only. You are not eligible for other Medicaid benefits.
- **SLMB+:** Medicaid pays your Medicare Part B premium and provides full Medicaid benefits.
- **Qualifying Individual (QI):** Medicaid pays your Medicare Part B premium only. You are not otherwise eligible for Medicaid benefits.
- **Full-Benefit Dual Eligible (FBDE):** At times, individuals may qualify for both limited coverage of Medicare cost-sharing as well as full Medicaid benefits.
- **Qualified Disabled and Working Individual (QDWI):** Eligible for Medicaid payment of your Medicare Part A premium only. You are not otherwise eligible for Medicaid.

If you are a QMB or QMB+ Beneficiary:

You have a \$0 cost-share, except for Part D prescription drug copays, as long as you remain a QMB or QMB+ Member.

If you are a SLMB+ or FBDE Beneficiary:

You are eligible for full Medicaid benefits and, at times, limited Medicare cost-share. As such your cost-share is 0% or 20%*. Typically your cost-share is 0% when the service is covered by both Medicare and Medicaid. Additionally, preventive wellness exams and supplemental benefits provided by Molina Medicare are also at a \$0 cost-share. In rare instances, you will pay 20%* when a service or benefit is not covered by Medicaid (see the chart below).

If you are a SLMB, QI, or QDWI Beneficiary:

Because Medicaid does not pay your cost-share, and you do not have full Medicaid benefits, your cost-share is typically 20%*. There are a few exceptions such as preventive wellness exams and most supplemental benefits provided by Molina Medicare, where you will have a \$0 cost-share.

Note – Preventive wellness exams and supplemental benefits have a \$0 cost-share. Separate coinsurances apply for supplemental benefits such as comprehensive dental.

Eligibility Changes:

It is important to read and respond to all mail that comes from Social Security and your state Medicaid office to maintain your Medicaid eligibility status.

Periodically, as required by CMS, we will check the status of your Medicaid eligibility as well as your dual eligible category. If your eligibility status changes, your cost-share may also change from 0% to 20%* or from 20%* to 0%. If you lose Medicaid coverage entirely, you will be given a grace period so that you can reapply for Medicaid and become reinstated if you still qualify.

If you no longer qualify for Medicaid you may be involuntarily disenrolled from the Plan. Your state Medicaid agency will send you notification of your loss of Medicaid or change in Medicaid category. We may also contact you to remind you to reapply for Medicaid. For this reason it is important to let us know whenever your mailing address and/or phone number changes.

If you are currently entitled to receive full or partial Medicaid benefits please see your Medicaid member handbook or other state Medicaid documents for full details on your Medicaid benefits, limitations, restrictions, and exclusions. In your state, the Medicaid program can be reached through the office of the Michigan Department of Health and Human Services (MDHHS).

*Annual deductible for Part B services, and 20% coinsurance (as applicable), in addition to varying cost-share amounts for Part A services apply when Member's cost-share amount is not 0%.

Refer to the "Medicare & You" handbook for Medicare-covered services. For Medicaid-covered services by Michigan Department of Health and Human Services (MDHHS), refer to the Medicaid Coverage section in this document.</p> <p>Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.</p> <p>If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year.</p>

Covered Medical and Hospital Benefits

Molina Medicare Complete Care (HMO DSNP)

INPATIENT HOSPITAL COVERAGE

The copays for hospital and skilled nursing facility (SNF) benefits are based on benefit periods. A benefit period begins the day you're admitted as an inpatient and ends when you haven't received any inpatient care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a SNF after one benefit period has ended, a new benefit period begins. You must pay the inpatient hospital deductible for each benefit period. There's no limit to the number of benefit periods.

Our plan also covers 60 "lifetime reserve days." These are "extra" days that we cover. If your hospital stay is longer than 90 days, you can use these extra days. But once you have used up these extra 60 days, your inpatient hospital coverage will be limited to 90 days.

In 2019 the amounts for each benefit period were \$0 or:

- \$1,364 deductible for days 1 through 60
- \$341 copay per day for days 61 through 90
- \$682 copay per day for days 91 through 160

These amounts may change for 2020.

INITIAL COVERAGE STAGE

Depending on your level of Medicaid eligibility, your Part D deductible may vary. After you pay your applicable deductible, you begin this stage when you fill your first prescription of the year.

During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.

If you reside in a long-term care facility, you pay the same as at a retail pharmacy. You may get drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy.

You stay in this stage until your year-to-date “total drug costs” (your payments plus any Part D plan payments) total \$4,020.

Depending on your income and institutional status, you pay the following:

	Standard Retail Pharmacy and Mail Order Pharmacy
Tier 1 (Preferred Generic) One-, two-, or three-month supply	\$0 copay
Tier 2 (Generic) One-, two-, or three-month supply	\$0 copay
Tier 3 (Preferred Brand) One-, two-, or three-month supply	For generic drugs (including brand drugs treated as generic), either: \$0 copay; or \$1.30 copay; or \$3.60 copay For all other drugs, either: \$0 copay; or \$3.90 copay; or \$8.95 copay
Tier 4 (Non-Preferred Drug) One-, two-, or three-month supply	For generic drugs (including brand drugs treated as generic), either: \$0 copay; or \$1.30 copay; or \$3.60 copay For all other drugs, either: \$0 copay; or \$3.90 copay; or \$8.95 copay

Prescription Drug Benefits

Tier 5 (Specialty Tier)	For generic drugs (including brand drugs treated as generic), either:
One-month supply	\$0 copay; or \$1.30 copay; or \$3.60 copay
Specialty drugs are limited to a one-month supply.	For all other drugs, either: \$0 copay; or \$3.90 copay; or \$8.95 copay

COVERAGE GAP STAGE

During this stage, you pay 25% of the price for brand name drugs (plus a portion of the dispensing fee) and 25% of the price for generic drugs. You stay in this stage until your year-to-date “out-of-pocket costs” (your payments) reach a total of \$6,350. This amount and rules for counting costs toward this amount have been set by Medicare.

CATASTROPHIC COVERAGE STAGE

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,350 the plan will pay most of the costs of your drugs.
