B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurse practitioners, psychologists, hearing, dental, or vision specialists, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term supports and services (LTSS), supplies, prescription drugs, equipment and other services.

- The term "providers" also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term supports and services.
- Providers that are a part of our plan's network are called **network providers.**

- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, physician assistant or nurse practitioner and/or medical home or clinic (Federally Qualified Health Centers (FQHC)), who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can go to someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
  - Referrals from your network PCP are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - Services from a women's health specialist
    - Flu shots and pneumonia vaccinations as long as you get them from a network provider.
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- Your provider may need **prior authorization** or an approval from Molina Dual Options before you get certain services. Covered services that need prior

authorization are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if you get prior authorization from us. Covered drugs that need prior authorization are marked in the *List of Covered Drugs*.

- You also have access to a **Care Coordinator** that you choose.
    - A **Care Coordinator** helps you manage your medical providers and services. Your Care Coordinator is your main contact. This person helps you manage all of your providers, services and makes sure you get what you need. You and/or your caregiver may request a change in the Care Coordinator assigned, as needed, by calling the Care Coordinator or Member Services. Additionally, Molina Dual Options staff may make changes to your Care Coordinator assignment based upon your needs (cultural / linguistic / physical / behavioral health/ religion) or location. Contact your Care Coordinator at (855) 735-5604 from 8:30 a.m. to 5 p.m. EST, Monday - Friday.
    - Your **Care Team** led by a Care Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Integrated Care Team. You, your family member and/or your legally authorized representative are the most important members of the Integrated Care Team. You can tell us who else you would like to participate. Your Integrated Care Team may include:
        - You
        - Your family member and/or authorized representative
        - Your Care Coordinator
        - Your Primary Care Provider (PCP)
        - Representatives from the facility where you receive care
        - Your behavioral health clinician (if you have one)
        - Your long-term services and supports (LTSS) providers (if you have them).
    - Your Integrated Care Team can also include the following people, if it is appropriate and if you agree:
        - A pharmacist
        - Nurses, specialists, social workers, and other people who can provide expert advice
        - Family members
        - Other informal caregivers
        - Advocates

        - State agency or other Care Coordinators
    - Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. A PCP is a physician, advanced practice nurse practitioner, physician assistant, and/or medical home/clinic (Federally Qualified Health Centers (FQHC) who gives you routine health care. You may also be able to have a specialist act as your PCP, when the specialist is willing to provide your routine healthcare. Please contact Member Services at (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST.

To choose a PCP, refer to the list of providers on page 22 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST. The call is free. Or, visit **MolinaHealthcare.com/MIMMPMaterials**.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B3. Long-term supports and services (LTSS)

As a Molina Dual Options member, you may be able to get long-term supports and services (LTSS), such as home health, personal care, nursing home and home and community based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You should discuss long-term supports and services with your Care Coordinator to determine which services you qualify for and how to access them.

B4. How to identify providers in Molina Dual Options' network

You may need a referral for someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this Directory on page 4.

You must get all of your covered services from providers within our network. If you use providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill.

> A **prior authorization** is an approval from Molina Dual Options before you can get a specific service, drug, or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories except under limited circumstances. Contact the plan for details. You can contact Molina Dual Options at (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST. You can also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You can call Member Services at (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST, if you want more information about our Molina Dual Options providers or if you need help changing your PCP. For some providers, you may need a referral from your PCP.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Care Coordinator for assistance.

B5. How to find Molina Dual Options providers in your area

When you enroll in the Molina Dual Options plan, you must choose a PCP to provide your basic medical care and coordinate your care. You may find a PCP close to where you live by checking the PCP listings in this directory. Locate your county and city and then choose a PCP from that list who are accepting new patients ♦. All providers have access to language line interpreters.

You can also visit **MolinaHealthcare.com/MIMMPMaterials** to get the most up-to-date list of network providers. B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeras, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés), suministros, medicamentos recetados, equipos y otros servicios.
    - El término “proveedores” también se refiere a centros, como hospitales, clínicas y otros lugares que brindan servicios de atención médica, equipo médico y apoyo y servicios a largo plazo.
    - Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.
- **Los proveedores de la red** son los proveedores que tienen un contrato con nosotros para prestar servicios a los miembros de nuestro plan. Por lo general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Cuando visita a un proveedor de la red, por lo

general usted no paga nada por los servicios cubiertos.

- Un **proveedor de cuidados primarios (PCP)** es un médico, un médico asociado, una enfermera especializada o un hogar médico o clínica (Centros de Salud Acreditados a Nivel Federal [FQHC, por sus siglas en inglés]), que le brinda atención médica de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le hará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
- **Los especialistas** son doctores que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
    - Los oncólogos se ocupan de los pacientes con cáncer.
    - Los cardiólogos atienden a pacientes con afecciones cardíacas.
    - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** para consultar a un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si no recibe una remisión, Molina Dual Options podría no cubrir los servicios.
    - Las remisiones de parte de su PCP de la red no son necesarias para lo siguiente:
        - atención médica de emergencia;
        - atención médica requerida urgentemente;
        - servicios de diálisis renal que usted recibe en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan; o
        - servicios de un especialista en salud para la mujer.
        - Vacunaciones contra la gripe y la neumonía, siempre que las obtenga de un proveedor de la red.
    - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede acudir a estos proveedores sin una remisión previa. Debemos pagar al proveedor de salud para indígenas americanos por esos servicios, aunque estén fuera de la red de nuestro plan.
    - Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- Es posible que su proveedor necesite una **autorización previa** o una aprobación de Molina Dual Options antes de que usted pueda obtener ciertos servicios. Los servicios cubiertos que requieren autorización previa están marcados en la Tabla

de beneficios en el Capítulo 4. Algunos medicamentos están cubiertos solamente si usted obtiene autorización previa de nosotros. Los medicamentos cubiertos que necesitan autorización previa están marcados en la *Lista de Medicamentos Cubiertos*.

- También tiene acceso a un **Coordinador de Cuidados** que elija.
    - Un **Coordinador de Cuidados** lo ayuda a gestionar sus proveedores y servicios médicos. Su Coordinador de Cuidados es su contacto principal. Esta persona ayuda a administrar todos sus proveedores y servicios y se asegura de que usted obtenga lo que necesite. Usted o su cuidador pueden solicitar un cambio del Coordinador de Cuidados asignado según sea necesario. Para ello, llame al Coordinador de Cuidados o al Departamento de Servicios para Miembros. Además, el personal de Molina Dual Options puede realizar cambios en la asignación del Coordinador de Cuidados en función de sus necesidades (culturales, lingüísticas, físicas, de salud conductual, religiosas) o ubicación. Comuníquese con su Coordinador de Cuidados al (855) 735-5604 de 8:30 a. m. a 5 p. m. hora del este, de lunes a viernes.
    - El **Equipo de Cuidados** a cargo de un Coordinador de Cuidados, es un grupo de defensores y proveedores que trabajan en conjunto para proporcionarle atención médica, salud conductual, tratamiento contra el abuso de sustancias, servicios y apoyo a largo plazo y necesidades sociales. Usted tiene acceso a su propio Equipo de Cuidados Integrados e información sobre el desarrollo de este. Usted, un familiar o su representante autorizado legalmente son los miembros más importantes del Equipo de Cuidado integrado. Puede decirnos a quién más le gustaría incluir en el grupo. El equipo de atención integral puede incluir:
        - Usted
        - Sus familiares y/o representante autorizado.
        - Su coordinador de cuidados
        - Su Proveedor de Cuidados Primarios (PCP)
        - Representantes del centro donde recibe atención médica
        - Su médico de salud conductual (si tuviera uno)
        - Sus proveedores de servicios y apoyo a largo plazo (LTSS) (si tuviera).
    - Su Equipo de Cuidados Integrados también puede incluir a las siguientes personas, si es apropiado y si usted está de acuerdo:
        - Un farmacéutico
        - Enfermeras, especialistas, asistentes sociales y otras personas que puedan proporcionar asistencia profesional

- Integrantes de la familia
- Otros proveedores de atención informal
- Defensores
- Organismos estatales u otros coordinadores de atención

◦ Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

B2. Proveedor de cuidados primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros.

Primero, deberá escoger un proveedor de atención primaria. Un PCP es un médico, una enfermera especializada avanzada, un auxiliar médico o un profesional de atención médica en clínicas/el hogar (centros médicos federalmente calificados - FQHC) que le brinda a usted cuidados de salud de rutina. También podrá contar con un especialista que se desempeñe como su PCP, siempre que el especialista desee proporcionarle atención médica de rutina. Comuníquese con el Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST.

Para elegir un PCP, consulte la lista de proveedores en la página 22 y elija un proveedor:

- que lo esté atendiendo actualmente, **o**
- que le haya sido recomendado por alguien de confianza, **o**
- cuyo consultorio sea de fácil acceso para usted.
- Si necesita ayuda para elegir a un PCP, llame al (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST. Esta llamada es gratuita. O, visite **MolinaHealthcare.com/MIMMPMaterials**.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de obtener el servicio o la atención.

B3. Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés)

Como miembro de Molina Dual Options, puede obtener acceso a LTSS, como atención médica domiciliaria, cuidado personal, residencia para ancianos y servicios comunitarios y en el hogar (programa de día para adultos, descanso, servicios

expandidos para vivir en comunidad, servicios de enfermería preventivos, servicio privado de enfermería y otros servicios). Los LTSS ayudan a las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, preparar las comidas y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Usted debe analizar los apoyos y servicios a largo plazo con su Coordinador de atención médica para determinar qué servicios califica y cómo acceder a ellos.

B4. Cómo identificar proveedores Molina Dual Options' en la red

Es posible que necesite una remisión para consultar a alguien que no sea un proveedor de cuidados primarios. Hay más información sobre remisiones en la Sección B1 de este Directorio en la página 4.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en Molina Dual Options'la red (sin aprobación o autorización previa de nuestra parte), usted tendrá que pagar la factura.

> Una **autorización previa** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o consultar a un proveedor fuera de la red. Molina Dual Options podría no cubrir el servicio o el medicamento si usted no recibe esta aprobación.

Las excepciones a esta regla son cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. Medicare y Medicaid no proporcionan cobertura para atención médica de emergencia fuera de los Estados Unidos y sus territorios, salvo en circunstancias limitadas. Consulte con el plan para obtener más información. Puede comunicarse con Molina Dual Options al (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST. También puede salir del plan para otros servicios que no sean de emergencia si Molina Dual Options le otorga el permiso con anterioridad.

- Puede cambiar de PCP dentro de la red, en cualquier momento durante el año. Si ha estado consultando a un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Puede llamar al Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST, si desea más información sobre nuestros proveedores de Molina Dual Options o si necesita ayuda para cambiar de PCP. Para algunos proveedores, es posible que necesite una remisión de su PCP.
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para

adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores de la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.

- En caso de que deba ver a un proveedor y no esté seguro de si este le ofrece las adaptaciones que usted necesita, Molina Dual Options puede ayudarlo. Hable con su Coordinador de Cuidados para recibir asistencia.

B5. Cómo encontrar proveedores de Molina Dual Options en su área.

Cuando se inscribe en el plan de Molina Dual Options, tiene que elegir un PCP que le proporcione la atención médica básica y coordine su atención médica. Puede encontrar un PCP que esté cerca de su hogar consultando la lista de PCP en este directorio. Localice su condado y ciudad y, a continuación, elija un PCP de esa lista que acepte pacientes nuevos ♦. Todos los proveedores tienen acceso a intérpretes de línea de idiomas.

También puede visitar **MolinaHealthcare.com/MIMMPMaterials** para obtener la lista más actualizada de proveedores dentro la red. Usted puede conseguir una copia impresa de toda la información publicada en la página web de Molina Dual Options a pedido. Si tiene preguntas sobre Molina Dual Options, llame al Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., EST.
