You're important to us at Molina Dual Options. So we'd like to offer you a way to save time and money with Molina Dual Options mail order prescription service. If you take one or more medications regularly (known as *long-term drugs*), we partner with **CVS/Caremark Mail Service Pharmacy Program** to mail them right to your home! Each order contains up to a 90-day supply per prescription. No more trips to the pharmacy or waiting in line—your medicine comes to *you*!

Receive your long-term drugs at home in 3 easy steps:

Make sure your drugs are available through the CVS/Caremark Mail Service Pharmacy Program

①

Some long-term drugs *aren't* available through mail order. Check our Formulary (List of Covered Drugs) or call our Member Services at (855) 735-5604, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., ET to find out which ones are available.

Ask your doctor to write a 90-day prescription

②

Talk to your doctor about the mail order prescription service. To start, your doctor will write a 90-day prescription with up to three refills (if appropriate). This is the maximum supply your doctor can prescribe.

Note: If you need your drugs right away, ask your doctor for a 30-day prescription. You can fill it at a network pharmacy while you wait for your mail order to arrive.

Choose one of these options to receive your orders:

Complete the CVS/Caremark Mail Service Order Form attached to this letter. Mail the completed form, and your 90-day prescription to the address printed on the form.
