Molina Healthcare's Quality Improvement Plan and Program

Your health is important to Molina. We want to hear how we are doing. We review the past year of service to check our progress. We may send you a survey to get your opinion, called CAHPS®, which stands for Consumer Assessment of Healthcare Providers and Systems. This survey asks questions about your health care and the care received from Molina. We want to know what is important to you. Please take the time to complete the survey if you receive it.

Molina also uses another tool called HEDIS® to improve care. HEDIS® stands for Healthcare Effectiveness Data and Information Set. HEDIS® is used every year to measure quality. We collect information on services that you may have received. This includes clinical and non-clinical care. These services include:

- Annual exams
- Diabetes care
- Mammogram screenings (x-rays of the breast)
- Medication management
- Pap tests
- Prenatal care
- Postpartum care
- Shots (flu, child, and teen shots)
- Well-check exams

This process helps us learn how many of our members received needed services. Molina makes this information available to you. You may request this information at any time.

We work to improve our services each year. The goals of Molina Healthcare's Quality Improvement plan include:

- To give you services that benefit your health
- To work with providers to get you the care you need
- To address your language and cultural needs
- To reduce any barriers to your best health, like issues with transportation and/or language

We want to help you take better care of yourself and your family. We want to make sure you get the best service possible. Some ways we do this are:

- Contacting you to make sure you and your child get needed well-check exams and shots
- Teaching you about chronic health problems if you have them
- Making sure you get prenatal care and after-delivery care if you are pregnant
- Remind you to get Pap tests and mammogram screenings if needed
- Addressing any member complaints

- Helping you find and use the information on our website
- Telling you about special services we offer to all our members

To learn more, call Member Services at (844) 809-8438 TTY: 711, Monday through Friday, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m. You can ask for a printed copy of Molina Healthcare's Quality Improvement plan and results.

Guidelines to Keep You Healthy

Molina provides general information about preventive services you and your family may need and when to get them. (These suggestions do not replace your provider's advice, however.)

How Molina Works with Providers to Make Choices About Your Care

Some medical services require approval, or authorization, for Molina to cover the cost. Molina works with your provider to determine whether you need these services. Making choices about your care based on your need and benefits is called Utilization Management (UM). We do not reward providers or others to deny coverage for services you need. Molina does not pay extra to providers or Molina UM staff to make choices that result in giving less care.

If you have a question about Molina's UM process or rulings, call Member Services at (844) 809-8438, TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m. If you need help in your language, a bilingual Molina staff member or interpreter is available at no cost to you. Molina also offers TTY services for members with hearing or speech disabilities. Please leave a message including your phone number if you call after 5 p.m. or during the weekend. We will return your call within one business day. Member Services may also call to talk about UM issues. If Member Services calls you, they will use their name, title, and Molina Healthcare's name.

Looking at What's New

Molina is always looking at new types of care and services, and new ways to provide them. We review new services for safety and potential added benefits. Every year, we look at updates in:

- Equipment
- Medical services
- Mental health services
- Medicines

Language Access Services

Molina can provide written or verbal information in your language, at no cost to you. We can have an interpreter to help you speak with us or your provider in almost any language, including sign language. For an interpreter or written materials in a language other than English, contact Member Services at (844) 809-8438, TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m.

If you do not agree with your provider's plan of care, you have the right to a second opinion. You may talk to another Molina network provider or we can arrange for you to talk to a provider

outside of our network. This service is available at no cost to you. To learn more, call Member Services at (844) 809-8438, TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m.

If a Molina provider is not able to give you needed and covered services, Molina must cover these services through an out-of-network provider. Your cost will be no greater than it would be if the provider was in our network. Molina will coordinate the out-of-network provider's payment. To learn more, call Member Services at (844) 809-8438 TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m.

Grievances and Appeals

If you have problems with your medical care or our services, you have the right to file a grievance (complaint) or appeal.

A grievance can be for things like:

- The care you get from your provider or hospital

- Provider availability in your area

You may file an appeal when you do not agree with Molina's decision to:

- Stop, change, suspend, reduce or deny a service
- Deny payment for services

You may request an expedited review if the decision puts your life or health at risk. You may also ask for an Independent External Review if your appeal is denied.

Visit [MolinaHealthcare.com](https://www.molinahealthcare.com) or see your Member Handbook to read about:

- Grievance, appeal and Independent External Review processes and rights

Your Right to Appeal Denials

What is a denial?

A denial means that services or bills will not be paid. If Molina denies your service or claim, you have the right to find out why your services or bills were denied. You have the right to appeal.

If Molina denies your service or claim, you will get a letter telling you about this decision. It will include information about

your right to appeal. You can read about these rights in your Member Handbook. You can learn how to file an appeal at [MolinaHealthcare.com](https://www.molinahealthcare.com). Member Services can also help you file an appeal.

If you are not happy with the result of your appeal, you can ask for an independent review. This means providers outside Molina review all the facts in your case and make a decision. Molina will accept that finding.

Learn more about filing an appeal from Member Services at (844) 809-8438, TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m.

Your Right to an Advance Directive

All Molina members have the right to accept or refuse treatment offered by a provider. But what if you are not able to tell the provider what you want? To avoid decisions that may be made against your will, it is important to have an Advance Directive.

An Advance Directive is a legal form that tells medical providers the kind of care you want if you cannot speak for yourself. You can write an Advance Directive before you have an emergency. This keeps other people from making important health decisions for you if you are not well enough to make your own. There are different types of Advance Directive forms. Some examples are:

- Power of Attorney for Health Care
- Living Will

It is your choice to complete an Advance Directive. No one can deny you care based on whether or not you have an Advance Directive. For help making decisions about your care, talk with someone you trust, like a family member or friend. You can also talk with your lawyer or PCP if you have questions or would like to complete an Advance Directive form.

Call Member Services at (844) 809-8438, TTY: 711, 7:30 a.m. – 8 p.m. Central Time, Monday through Friday and the second weekend of every month from 8 a.m. – 5 p.m. for details on how to obtain Advance Directive forms that comply with applicable state laws.

If you have signed an Advance Directive and you believe the provider has not followed your instructions, you may file a complaint. Visit [MolinaHealthcare.com](https://www.molinahealthcare.com) or call Member Services for details.
