Section 1 – Introduction

This directory provides a list of Molina Medicare Choice Care network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are healthcare professionals such as doctors, medical groups, specialists, and healthcare facilities (i.e. hospitals, durable medical equipment suppliers) that are contracted with Molina Medicare Choice Care to provide you with covered services. You may use this directory to help you select a Primary Care Provider, Specialist, Long-Term Services and Support Provider, Hospital, Skilled Nursing Facility, Outpatient Mental Health Provider and/or Pharmacy.

Choosing your Primary Care Provider (PCP)

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Your PCP can be a physician, physician assistant, nurse practitioner, or other health care professional that meet state requirements and is trained to provide you basic medical care. Healthcare professionals are eligible to provide you services as a PCP in our Plan, when they are licensed to practice in areas such as: family medicine, general practice, geriatrics, or internal medicine. Once you have chosen a PCP, please make sure to transfer all of your medical history to their office, in order for your PCP to be informed of any medical conditions you may have. Your PCP can help coordinate your routine medical care, laboratory tests, x-rays, therapies, specialty care, hospital admissions, and appointments.

The network providers listed in this directory have agreed to provide you with your health care and supplemental services. You may go to any of our network providers listed in this directory. However, some services may require a referral. In most situations, if you need specialized treatment your PCP must give you a “referral” to see a network specialist. If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or that hospital. A referral is a written order from your PCP to see a specialist or receive other medical services. It is very important you get a referral from your PCP before you see a network specialist or other providers. If you do not get a referral you may have to pay for these services yourself. However, there are a few exceptions such as: women’s preventive healthcare, flu shots, Hepatitis B vaccinations, pneumonia vaccinations and urgently needed services.

If you have questions about whether we will pay for a medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

At times, your PCP may request a service that is unavailable or not provided within our network. Your PCP may need to get an approval ahead of time from Molina Medicare Choice Care to authorize this service referral. This process is called “prior authorization.”

If you have questions or concerns about a prior authorization, you may call Member Services.

How to change your PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at (866) 440-0127, 7 days a week, 8 a.m. to 8 p.m., local time.. TTY users should call 711. Member Services will verify if your choice of PCP is accepting new patients. Once your new PCP has been assigned, you will receive a new member ID card by mail with your new PCP's contact information. If your PCP leaves Molina Medicare Choice Care, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

Getting care outside the Plan's service area

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Molina Medicare Choice Care will be responsible for the costs. However, you may receive care from out-of-network provider if you are temporarily outside the Plan's service area and cannot get care from a network provider or require urgently needed services. If you have questions whether a service is covered when you are outside the service area, please call Member Services.

Getting care if you have a medical emergency or an urgent need for care

A “**medical emergency**” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered emergency medical care whenever you need, anywhere in the United States. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don't need to get approval or a referral first from your doctor or other network provider.

“**Urgent Care**” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, call your PCP first. If they are not available, look in this Provider Directory for an urgent care center. You generally must use network providers (refer to the Evidence of Coverage).

Out-Of-Network Provider Bills

If you receive services from out-of-network providers, you may get billed directly. **Do not** pay this bill. Please make a copy for your records and mail the original statement for processing and determination of your liability, if any. For more information, please refer to the EOC in Chapter 7.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de Molina Medicare Choice Care. Para obtener información detallada acerca de su cobertura para atención médica, consulte nuestra Evidencia de Cobertura (EOC, Evidence of Coverage).

Los proveedores de la red son profesionales de la salud como doctores, grupos médicos, especialistas y centros de atención de salud (es decir, hospitales, proveedores de equipos médicos duraderos) que tienen un contrato con Molina Medicare Choice Care para proporcionarle los servicios cubiertos. Puede utilizar este directorio que lo ayudará a seleccionar un proveedor de atención primaria, un especialista, un proveedor de servicios a largo plazo y de apoyo, un hospital, un centro de cuidado experto, un proveedor de salud mental ambulatorio o una farmacia.

Cómo elegir a su proveedor de cuidados primarios (PCP)

Deberá elegir a uno de nuestros proveedores de la red incluidos en este directorio para que sea su proveedor de cuidados primarios (PCP). Generalmente, debe obtener su atención médica de parte de su PCP. Su PCP puede ser un médico, un médico asociado, una enfermera especializada u otro profesional de atención médica que cumpla con los requisitos estatales y esté capacitado para brindarle atención médica básica. Los profesionales de atención médica son elegibles para prestarle servicios como PCP en nuestro Plan, siempre que estén autorizados para ejercer en áreas como las siguientes: medicina de familia, medicina general, geriatría o medicina interna. Una vez que haya elegido a un PCP, asegúrese de transferir todos sus antecedentes médicos a su consultorio para que su PCP se informe acerca de cualquier afección médica que usted tenga. Su PCP puede ayudarlo a coordinar su atención médica de rutina, pruebas de laboratorio, radiografías, tratamientos, cuidado especializado, admisiones hospitalarias y citas.

Los proveedores de la red que se incluyen en este directorio han aceptado brindarle atención médica y servicios suplementarios. Puede acudir a cualquiera de nuestros proveedores de la red incluidos en este directorio. Sin embargo, algunos servicios pueden requerir una remisión. En la mayoría de los casos, si necesita un tratamiento especializado, su PCP debe darle una “remisión” para que consulte a un especialista en la red. Si desea acudir a un especialista o un hospital determinado, asegúrese primero de que su PCP pueda hacer remisiones a ese especialista o a ese hospital. Una remisión es un pedido por escrito de parte de su PCP para que consulte a un especialista o reciba otros servicios médicos. Es muy importante que reciba una remisión de su PCP antes de consultar a un especialista de la red u otros proveedores. Si no recibe una remisión, es posible que deba pagar por estos servicios usted mismo. Sin embargo, existen algunas excepciones, tales como las siguientes: atención médica preventiva para mujeres, vacunas contra la gripe, vacunas contra la hepatitis B, vacunas contra la neumonía y servicios requeridos urgentemente.

Si tiene dudas acerca de si pagaremos un servicio médico o una atención médica que desea obtener, tiene derecho a consultarnos si lo cubriremos antes de recibirlo.

A veces, su PCP puede solicitar un servicio que no esté disponible o no se proporcione dentro de nuestra red. Es posible que su PCP necesite obtener una aprobación con anticipación de parte de Molina Medicare Choice Care para autorizar esta remisión de servicio. Este proceso se denomina “autorización previa”. Si tiene preguntas o inquietudes sobre una autorización previa, puede llamar al Departamento de Servicios para Miembros.

Cómo cambiar de PCP

Puede cambiar de PCP por cualquier razón, en cualquier momento. Para cambiar de PCP, solo debe llamar al Departamento de Servicios para Miembros al 1-866-440-0127, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711. El personal del Departamento de Servicios para Miembros verificará si el PCP que usted elige acepta nuevos pacientes. Una vez que se haya asignado su nuevo PCP, recibirá una nueva tarjeta de identificación del miembro por correo con la información de contacto de su nuevo PCP. Si su PCP abandona Molina Medicare Choice Care, se lo informaremos y lo ayudaremos a optar por otro PCP a fin de que pueda continuar recibiendo los servicios cubiertos.

Cómo obtener atención dentro del área de servicio del plan

Debe utilizar proveedores de la red, excepto en casos de emergencia o de cuidado urgente, para diálisis renal fuera del área u otros servicios. Si recibe atención médica rutinaria de proveedores fuera de la red, ni Medicare ni Molina Medicare Choice Care serán responsables de los costos. Sin embargo, puede recibir atención de un proveedor fuera de la red si se encuentra temporalmente fuera del área de servicio del Plan y no puede obtener atención de un proveedor de la red o solicitar servicios requeridos urgentemente. Si tiene preguntas sobre si un servicio está cubierto cuando se encuentra fuera del área de servicio, llame al Departamento de Servicios para Miembros.

Cómo obtener atención si tiene una emergencia médica o si requiere cuidados urgentes

Una “**emergencia médica**” es cuando usted considera que su salud está en grave peligro. Una emergencia médica incluye un dolor intenso, una lesión seria, una enfermedad repentina o una afección médica que está empeorando rápidamente. Usted puede recibir cobertura de atención médica de emergencia cuando la necesite, en cualquier lugar de los Estados Unidos. Para solicitar ayuda, llame al 911 o acuda a la sala de emergencias, hospital u otro centro de cuidado urgente más cercano. No es necesario obtener primero la aprobación ni la remisión de su doctor u otro proveedor de la red.

“**Cuidado urgente**” se refiere a cuando usted necesita ayuda médica para una enfermedad, lesión o afección imprevista, pero su salud no está en grave peligro. Si tiene una necesidad de atención médica apremiante que no es de emergencia mientras está en el área de servicio, llame primero a su PCP. Si este no se encuentra disponible, busque un centro de cuidado urgente en este Directorio de proveedores. Generalmente, debe utilizar proveedores de la red (consulte la Evidencia de Cobertura).

Facturas de proveedores fuera de la red

Si recibe servicios de proveedores fuera de la red, es posible que se le facture directamente. **No** pague la factura. Haga una copia para sus registros y envíe por correo el estado de cuenta original para procesar y determinar su responsabilidad, si la hubiera. Para obtener más información, consulte la EOC en el capítulo 7.

Molina Medicare Choice Care HMO

2021 Pharmacy Directory

Section 3 - Introduction

This booklet provides a list of Molina Medicare Choice Care network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage Molina Medicare Choice Care formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means *Molina Healthcare*. When it refers to “plan” or “our plan,” it means *Molina Medicare Choice Care*.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Molina Medicare Choice Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called “CVS Caremark Mail Service Pharmacy Program.” For more information, please contact us, or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Bernalillo, Chaves, Cibola, DeBaca, Dona Ana, Grant, Guadalupe, Lincoln, Los Alamos, Luna, McKinley, Mora, Otero, Rio Arriba, Roosevelt, Sandoval, San Juan, San Miguel, Santa Fe, Sierra, Socorro, Torrance, and Valencia, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the service area of: Bernalillo, Chaves, Cibola, DeBaca, Dona Ana, Grant, Guadalupe, Lincoln, Los Alamos, Luna, McKinley, Mora, Otero, Rio Arriba, Roosevelt, Sandoval, San Juan, San Miguel, Santa Fe, Sierra, Socorro, Torrance, Valencia or please contact us at (866) 440-0127; TTY users should call 711. We are available 7 days a week, 8 a.m. to 8 p.m., local time.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

All pharmacies listed in this directory are available in our Network. To locate a type of pharmacy within our network, please follow this organizational format where the pharmacy section begins:

Sección 3: Introducción

En este cuadernillo, se proporciona una lista de farmacias de la red de Molina Medicare Choice Care. Para obtener una descripción completa de su cobertura de recetas médicas, incluido cómo surtir sus recetas, revise el formulario de Evidencia de Cobertura de Molina Medicare Choice Care.

Cuando en este directorio de farmacias se mencionan las palabras “nosotros”, “nos” o “nuestro”, significa *Molina Healthcare*. Cuando se menciona “el plan” o “nuestro plan”, significa *Molina Medicare Choice Care*.

A las farmacias que aparecen en esta lista las llamamos nuestras “farmacias de la red”, ya que hemos hecho acuerdos con ellas para que proporcionen medicamentos recetados a los miembros del Plan. Por lo general, sus recetas médicas están cubiertas en Molina Medicare Choice Care solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia por correo. En determinadas circunstancias, surtiremos las recetas médicas en farmacias fuera de la red según lo descrito en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado algunas farmacias de esta lista después de la impresión de este directorio. Esto significa que es posible que algunas farmacias incluidas en él ya no formen parte de nuestra red o que existan nuevas farmacias en nuestra red que no estén incluidas. Esta lista es válida a partir del 11/2021. Para obtener la lista más reciente, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada.

Puede obtener medicamentos recetados enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red, que se llama “Programa de Servicio de Farmacia por correo de CVS Caremark”. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

También detallamos farmacias que están en nuestra red, pero se encuentran fuera de Bernalillo, Chaves, Cibola, DeBaca, Dona Ana, Grant, Guadalupe, Lincoln, Los Alamos, Luna, McKinley, Mora, Otero, Río Arriba, Roosevelt, Sandoval, San Juan, San Miguel, Santa Fe, Sierra, Socorro, Torrance, Valencia y el área donde usted vive. También puede surtir sus recetas médicas en estas farmacias. Para obtener más información, consulte en este directorio de farmacias la sección sobre farmacias de la red fuera del área de servicio de Bernalillo, Chaves, Cibola, DeBaca, Dona Ana, Grant, Guadalupe, Lincoln, Los Alamos, Luna, McKinley, Mora, Otero, Río Arriba, Roosevelt, Sandoval, San Juan, San Miguel, Santa Fe, Sierra, Socorro, Torrance y Valencia, o comuníquese con nosotros llamando al 1-866-440-0127. Mail Order Pharmacy / Farmacia para Pedidos por Correo

Total Count/Cuenta total: 1

You can get prescription drugs shipped to your home through our network mail order delivery program which is called "CVS Caremark Mail Service Pharmacy Program".

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program "Auto Refill and Renewal". Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us "10 days" before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 866-232-5416; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-232-5416; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Usted puede obtener medicamentos recetados enviados directamente a su casa a través de nuestro programa de entrega por correo de la red, llamado "CVS Caremark Mail Service Pharmacy Program".

Para obtener renovaciones por correo de sus medicamentos recetados, usted tiene la opción de inscribirse al programa de renovaciones automáticas, "Auto Refill and Renewal". Bajo este programa, empezaremos el proceso para su siguiente surtido automático cuando nuestros registros muestren que su medicamento esta a punto de agotarse. Nos comunicaremos con usted antes de enviar cada surtido para asegurar que usted necesita más medicamento. Usted puede cancelar las renovaciones programadas si usted tienen suficiente medicamento o si su medicamento ha cambiado. Si usted decide no usar el programa de surtido automático, por favor llámenos "10 días" antes de que crea que se le terminara su medicamento, para confirmar que su próxima orden se le envíe a tiempo. Para excluirse del programa de renovación automática, por favor llámenos al 866-232-5416; los usuarios de TTY deben llamar al 711. Estamos disponibles las 24 horas del día, los 7 días de la semana.

Normalmente, usted puede anticipar recibir sus medicamentos recetados dentro de 10 días a partir de la fecha en que la farmacia de servicio por correo reciba la orden. Si usted no recibe sus medicamentos recetados dentro de este plazo, llámenos al 866-232-5416; los usuarios de TTY deben llamar al 711. Estamos disponibles las 24 horas del día, los 7 días de la semana.
