<p>Prior Authorization: These are some drugs on the formulary that need prior authorization, which means they need approval before you can fill the prescription. If you don't get approval, the drug may not be paid for.</p> <p>Pharmacy Benefit: The member can fill the formulary item at any network pharmacy or the physician can order the drug for shipment to the office for a specific member use. No prior- authorization is required for formulary products. Coverage for a non-formulary drug will need to be requested by your physician by faxing a prior authorization form and clinical supporting data to Molina Healthcare of New York at 1-844-823-5479.</p>			
<p>¹ Product may be obtained from a network specialty pharmacy.</p>
