SECTION II

How Your Coverage Works

A. Your Coverage Under this Contract.

You have purchased or been enrolled in an Essential Plan. We will provide the benefits described in this Contract to You. You should keep this Contract with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Contract only when the Covered Service is:

- Medically Necessary;
- Provided by a Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Contract; and
- Received while Your Contract is in force.

When You are outside Our Service Area, coverage is limited to Emergency Services, Pre–Hospital Emergency Medical Services and ambulance services to treat Your Emergency Condition.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Our Provider directory, available at Your request;
- Call (800) 223–7242 (TTY: 711) or
- Visit Our website at www.MolinaHealthcare.com.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken;
- Whether the Participating Provider is accepting new patients.

D. The Role of Primary Care Physicians.

This Contract has a gatekeeper, usually known as a Primary Care Physician (“PCP”). This Contract requires that You select a PCP. Although You are encouraged to receive care from Your PCP, You do not need a written Referral from a PCP before receiving Specialist care from a Participating Provider. You may select any participating PCP who is available from the list of PCPs in the Essential Plan Molina Healthcare of New York, Inc. Network. In certain circumstances, You may designate a Specialist as Your PCP. See the Access to Care and Transitional Care section of this Contract for more information about designating a Specialist.

For purposes of Cost-Sharing, if You seek services from a PCP (or a Physician covering for a PCP) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics and OB/GYN, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Contract when the services provided are related to specialty care.

E. Out-of-Network Services.

The services of Non-Participating Providers are not Covered except Emergency Services or unless specifically Covered in this Contract.

F. Services Not Requiring a Referral from Your PCP.

Your PCP is responsible for determining the most appropriate treatment for Your health care needs. You do not need a Referral from Your PCP to a Participating Provider for the following services:

- Primary and preventive obstetric and gynecologic services including annual examinations, care resulting from such annual examinations, treatment of Acute gynecologic conditions, or for any care related to a pregnancy from a qualified Participating Provider of such services;
- Emergency Services;
- Pre-Hospital Emergency Medical Services and emergency ambulance transportation;
- Maternal depression screening; and
- All other services from Participating Providers.

However, the Participating Provider must discuss the services and treatment plan with Your PCP; agree to follow Our policies and procedures including any procedures regarding Referrals or Preauthorization for services other than obstetric and gynecologic services rendered by such Participating Provider; and agree to provide services pursuant to a treatment plan (if any) approved by Us. See the Schedule of Benefits section of this Contract for the services that require a Referral.

G. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. Prior to notifying Us of the PCP You selected, You should call the PCP to make sure he or she is accepting new patients.

You may change Your PCP within 30 days of you last appointment with your PCP by calling (800) 223-7242 (TTY: 711) or through the member portal at www.MyMolina.com. You may change Your Specialist within 30 days of you last appointment with your specialist by talking to your PCP. Your PCP can help you if you need a different Specialist. You can also call (800) 223-7242 (TTY: 711) or visit the member portal at www.MolinaHealthcare.com.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve an authorization to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

H. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. Your PCP is responsible for requesting Preauthorization for in-network services listed in the Schedule of Benefits section of this Contract.

I. Notification Procedure.

If You seek coverage for services that require notification, Your Provider must call Us at (800) 223-7242.

- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if Your Hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.

You must contact Us to provide notification as follows:

- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

J. Medical Management.

The benefits available to You under this Contract are subject to pre-service, concurrent and retrospective reviews to determine when services should be covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

K. Medical Necessity.

We Cover benefits described in this Contract as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;

- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example, we will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Contract for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

L. Protection from Surprise Bills.

1. A surprise bill is a bill You receive for Covered Services in the following circumstances:
 - For services performed by a non-participating Physician at a participating Hospital or Ambulatory Surgical Center, when:
 - A participating Physician is unavailable at the time the health care services are performed;
 - A non-participating Physician performs services without Your knowledge; or
 - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Physician is available and You elected to receive services from a non-participating Physician.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a Non-Participating Provider means:
 - Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
 - The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory or pathologist; or
 - For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Contract.

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your In-Network Copayment, Deductible or Coinsurance if You assign benefits to the Non-Participating Provider in writing. In such cases, the Non-Participating Provider may only bill You for Your In-Network Copayment, Deductible or Coinsurance.

The assignment of benefits form for surprise bills is available at www.dfs.ny.gov or You can visit Our website at www.MolinaHealthcare.com for a copy of the form. You need to mail a copy of the assignment of benefits form to Us at the address on Your ID card and to Your Provider.

2. Independent Dispute Resolution Process. Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity (“IDRE”) assigned by the state. Disputes are submitted by completing the IDRE application form, which can be found at www.dfs.ny.gov. The IDRE will determine whether Our payment or the Provider’s charge is reasonable within 30 days of receiving the dispute.

M. Delivery of Covered Services Using Telehealth.

If Your Participating Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Contract that are at least as favorable as those requirements for the same service when not delivered using telehealth. “Telehealth” means the use of electronic information and communication technologies by a Participating Provider to deliver Covered Services to You while Your location is different than Your Provider’s location.

N. Case Management.

Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and agree to take part, We will help You meet Your identified health care needs. This is reached through contact and team work with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

SECTION III

Access to Care and Transitional Care

A. Authorization to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve an authorization to an appropriate Non-Participating Provider. Your Participating Provider must request prior approval of the authorization to a specific Non-Participating Provider. Approvals of authorizations to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the authorization, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. In the event an authorization is not approved, any services rendered by a Non-Participating Provider will not be Covered.

B. When a Specialist Can Be Your Primary Care Physician.

If You have a life-threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may ask that a Specialist who is a Participating Provider be Your PCP. We will consult with the Specialist and Your PCP and decide whether the Specialist should be Your PCP. Any authorization will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. We will not approve a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will only be responsible for any applicable in-network Cost-Sharing.

C. Standing Authorization to a Participating Specialist.

If You need ongoing specialty care, You may receive a “standing authorization” to a Specialist who is a Participating Provider. This means that You will not need a new authorization from Your PCP every time You need to see that Specialist. We will consult with the Specialist and Your PCP and decide whether You should have a standing authorization. Any authorization will be pursuant to a treatment plan approved by Us in consultation with Your PCP, the Specialist and You. The treatment plan may limit the number of visits, or the period during which the visits are authorized and may require the Specialist to provide Your PCP with regular updates on the specialty care provided as well as all necessary medical information. We will not approve a standing authorization to a non-participating Specialist unless We determine that We do not have an appropriate Provider in Our network. If We approve a standing authorization to a non-participating Specialist, Covered Services rendered by the non-participating Specialist pursuant to the approved treatment plan will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

D. Specialty Care Center.

If You have a life–threatening condition or disease or a degenerative and disabling condition or disease that requires specialty care over a long period of time, You may request an authorization to a specialty care center with expertise in treating Your condition or disease. A specialty care center is a center that has an accreditation or designation from a state agency, the federal government or a national health organization as having special expertise to treat Your disease or condition. We will consult with Your PCP, Your Specialist, and the specialty care center to decide whether to approve such an authorization. Any authorization will be pursuant to a treatment plan developed by the specialty care center, and approved by Us in consultation with Your PCP or Specialist and You. We will not approve an authorization to a non–participating specialty care center unless We determine that We do not have an appropriate specialty care center in Our network. If We approve an authorization to a non–participating specialty care center, Covered Services rendered by the non–participating specialty care center pursuant to the approved treatment plan will be paid as if they were provided by a participating specialty care center. You will be responsible only for any applicable in–network Cost–Sharing.

E. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant and in Your second or third trimester, You may be able to continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

In order for You to continue to receive Covered Services for up to 90 days or through a pregnancy with a former Participating Provider, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in–network Cost–Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

F. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non–Participating Provider when Your coverage under this Contract becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non–Participating Provider for up to 60 days from the effective date of Your coverage under this Contract. This course of treatment must be for a life–threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non–Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Contract becomes effective. You may continue care through delivery and any post–partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

SECTION IV

Cost-Sharing Expenses and Allowed Amount

The Preauthorization penalty described in the How Your Coverage Works section of this Contract does not apply toward Your Out-of-Pocket Limit. The Out-of-Pocket Limit runs on a Plan Year basis.

D. Allowed Amount.

See the Emergency Services and Urgent Care Section of this Contract for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Contract for the Allowed Amount for Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

1. Pre-Hospital Emergency Medical Services

We Cover Pre-Hospital Emergency Medical Services worldwide for the treatment of an Emergency Condition when such services are provided by an ambulance service.

“Pre-Hospital Emergency Medical Services” means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

An ambulance service may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Copayment, Deductible or Coinsurance. In the absence of negotiated rates, We will pay a Non-Participating Provider the usual and customary charge for Pre-Hospital Emergency Medical Services, which shall not be excessive or unreasonable.

2. Emergency Ambulance Transportation.

In addition to Pre-Hospital Emergency Services, We also Cover emergency ambulance transportation worldwide by a licensed ambulance service (either ground, water or air ambulance) to the nearest Hospital where Emergency Services can be performed. This coverage includes emergency ambulance transportation to a Hospital when the originating Facility does not have the ability to treat Your Emergency Condition.

B. Non–Emergency Ambulance Transportation.

We Cover non–emergency ambulance transportation by a licensed ambulance service (either ground or air ambulance, as appropriate) between Facilities when the transport is any of the following:

- From a non–participating Hospital to a participating Hospital;
- To a Hospital that provides a higher level of care that was not available at the original Hospital;
- To a more cost–effective Acute care Facility; or
- From an Acute care Facility to a sub–Acute setting.

C. Limitations/Terms of Coverage.

- We do not Cover non–ambulance transportation such as ambulette, van or taxi cab.
- Coverage for air ambulance related to an Emergency Condition or air ambulance related to non–emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; and Your medical condition requires immediate and rapid ambulance transportation that cannot be provided by land ambulance; and one (1) of the following is met:
 - The point of pick–up is inaccessible by land vehicle; or
 - Great distances or other obstacles (e.g., heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

SECTION VIII

Please refer to the Schedule of Benefits section of this Contract for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

A. Emergency Services.

We define an **“Emergency Condition”** to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain;
- Severe or multiple injuries;
- Severe shortness of breath;
- Sudden change in mental status (e.g., disorientation);
- Severe bleeding;
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis;
- Poisonings;
- Convulsions.

Coverage of Emergency Services for treatment of Your Emergency Condition will be provided regardless of whether the Provider is a Participating Provider. We will also Cover Emergency Services to treat Your Emergency Condition worldwide. However, We will Cover only those Emergency Services and supplies that are Medically Necessary and are performed to treat or stabilize Your Emergency Condition in a Hospital.

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs:

1. Hospital Emergency Department Visits. In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. **However, only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department.** If You are uncertain whether a Hospital emergency department is the most appropriate place to receive care, You can call Us before You seek treatment. Our Medical Management Coordinators are available 24 hours a day, 7 days a week. Your Coordinator will direct You to the emergency department of a Hospital or other appropriate Facility.

We do not Cover follow-up care or routine care provided in a Hospital emergency department. You should contact Us to make sure You receive the appropriate follow-up care.

2. Emergency Hospital Admissions. In the event that You are **admitted** to the Hospital, You or someone on Your behalf must notify Us at the number listed in this Contract within 48 hours of Your admission, or as soon as is reasonably possible.

We Cover inpatient Hospital services at a non-participating Hospital at the in-network Cost-Sharing for as long as Your medical condition prevents Your transfer to a participating Hospital, unless We authorize continued treatment at the non-participating Hospital. If Your medical condition permits Your transfer to a participating Hospital, We will notify You and work with You to arrange the transfer. Any inpatient Hospital services received from a non-participating Hospital after We have notified You and offered assistance in arranging and/or arranged for a transfer to a participating Hospital will not be Covered.

3. Payments Relating to Emergency Services Rendered. The amount We pay a Non-Participating Provider for Emergency Services will be The Medicaid default rate as established by New York State.

You are responsible for any Copayment or Coinsurance. You will be held harmless for any Non-Participating Provider charges that exceed Your Copayment, Deductible or Coinsurance.

B. Urgent Care.

Urgent Care is medical care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require Emergency Department Care. Urgent Care is typically available after normal business hours, including evenings and weekends. If You need care after normal business hours, including evenings, weekends or holidays, You have options. You can call Your Provider's office for instructions or visit an Urgent Care Center. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. **Urgent Care is Covered in Our Service Area.**

- 1. In–Network.** We Cover Urgent Care from a participating Physician or a participating Urgent Care Center. You do not need to contact Us prior to or after Your visit.
- 2. Out–of–Network.** We Cover Urgent Care from a non–participating Urgent Care Center or Physician outside Our Service Area. However, You must obtain Preauthorization from Us. Please contact Us at (800) 223–7242 (TTY: 711) and You will be provided with instructions. We are available 24 hours a day, seven (7) days a week to help You in urgent medical situations.

We Cover Refills of Prescription Drugs only when dispensed at a retail or mail order or Designated pharmacy as ordered by an authorized Provider and only after 85% of the original retail or 65% of the original mail order Prescription Drug has been used. Benefits for Refills will not be provided beyond one (1) year from the original prescription date. For prescription eye drop medication, We allow for the limited refilling of the prescription prior to the last day of the approved dosage period without regard to any coverage restrictions on early Refill of renewals. To the extent practicable, the quantity of eye drops in the early Refill will be limited to the amount remaining on the dosage that was initially dispensed. Your Cost-Sharing for the limited Refill is the amount that applies to each prescription or Refill as set forth in the Schedule of Benefits section of this Contract.

- 1. Cost-Sharing Expenses.** You are responsible for paying the costs outlined in the Schedule of Benefits section of this Contract when Covered Prescription Drugs are obtained from a retail or mail order or Designated pharmacy. You have a three (3) tier plan design, which means that Your out-of-pocket expenses will generally be lowest for Prescription Drugs on tier 1 and highest for Prescription Drugs on tier 3. Your out-of-pocket expense for Prescription Drugs on tier 2 will generally be more than for tier 1 but less than tier 3.

In the event that Our Participating Pharmacies are unable to provide the Covered Prescription Drug and cannot order the Prescription Drug within a reasonable time, You may, with Our prior approval, go to a Non- Participating Pharmacy that is able to provide the Prescription Drug. We will pay You the Prescription Drug Cost for such approved Prescription Drug less Your required Cost-Sharing upon receipt of a complete Prescription Drug claim form. Prescription Drugs purchased through mail order will be delivered directly to Your home or office.

For Prescription Drugs that have a restricted distribution by the FDA or require special handling, provider coordination or patient supports, You may obtain Your first two (2) Prescription Orders at a retail Participating Pharmacy. After Your first two (2) Prescription Orders, You must obtain these Prescription Drugs from Our mail order pharmacy or You must opt out of obtaining Your Prescription Drugs from Our mail order pharmacy. You may opt out by visiting Our website at www.MolinaHealthcare.com or by calling (800) 223-7242 (TTY: 711). You must opt out on an annual basis.

We will provide benefits that apply to drugs dispensed by a mail order pharmacy to drugs that are purchased from a retail pharmacy when that retail pharmacy has a participation agreement with Our vendor in which it agrees to be bound by the same terms and conditions as a participating mail order pharmacy.

You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website at www.MolinaHealthcare.com or by calling (800) 223-7242 (TTY: 711).

7. Tier Status. The tier status of a Prescription Drug may change periodically. Changes will generally be quarterly, but no more than six (6) times per Plan Year, based on Our periodic tiering decisions. These changes may occur without prior notice to You. However, if You have a prescription for a drug that is being moved to a higher tier (other than a Brand-Name Drug that becomes available as a Generic Drug as described below) We will notify You. When such changes occur, Your out-of-pocket expense may change. You may access the most up to date tier status on Our website at www.MolinaHealthcare.com or by calling (800) 223-7242 (TTY: 711).

8. When a Brand-Name Drug Becomes Available as a Generic Drug. When a Brand-Name Drug becomes available as a Generic Drug, the tier placement of the Brand-Name Prescription Drug may change. If this happens, the Brand-Name Drug will be removed

from the Formulary and You no longer have benefits for that particular Brand–Name Drug. Please note, if You are taking a Brand–Name Drug that is being excluded due to a Generic Drug becoming available, You will receive advance written notice of the Brand–Name Drug exclusion. You may request a Formulary exception as outlined below and in the External Appeal section of this Contract.

9. Formulary Exception Process. If a Prescription Drug is not on Our Formulary, You, Your designee or Your prescribing Health Care Professional may request a Formulary exception for a clinically–appropriate Prescription Drug in writing, electronically or telephonically. The request should include a statement from Your prescribing Health Care Professional that all Formulary drugs will be or have been ineffective, would not be as effective as the non–Formulary drug, or would have adverse effects. If coverage is denied under Our standard or expedited Formulary exception process, You are entitled to an external appeal as outlined in the External Appeal section of this Contract. Visit Our website at www.MolinaHealthcare.com or call (800) 223–7242 (TTY: 711) to find out more about this process.

Standard Review of a Formulary Exception. We will make a decision and notify You or Your designee and the prescribing Health Care Professional no later than 72 hours after Our receipt of Your request. If We approve the request, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

Expedited Review of a Formulary Exception. If You are suffering from a health condition that may seriously jeopardize Your health, life or ability to regain maximum function or if You are undergoing a current course of treatment using a non–formulary Prescription Drug, You may request an expedited review of a Formulary exception. The request should include a statement from Your prescribing Health Care Professional that harm could reasonably come to You if the requested drug is not provided within the timeframes for Our standard Formulary exception process. We will make a decision and notify You or Your designee and the prescribing Health Care Professional no later than 24 hours after Our receipt of Your request. If We approve the request, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non–Formulary Prescription Drug.

10. Supply Limits. We will pay for no more than a 30–day supply of a Prescription Drug purchased at a retail pharmacy. You are responsible for one (1) Cost–Sharing amount for up to a 30–day supply. However, for maintenance drugs We will pay for up to a 90–day supply of a drug purchased at a retail pharmacy. You are responsible for 2.5 times the cost sharing amount for a 90–day supply at a retail pharmacy.

You may have an initial three (3) month supply of a contraceptive drug or device dispensed to You. For subsequent dispensing of the same contraceptive drug or device, You may have the entire prescribed supply (of up to 12 months) of the contraceptive drug or device dispensed at the same time. Contraceptive drugs and devices are not subject

to Copayments, Deductibles or Coinsurance when provided in accordance with the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF and when provided by a Participating Pharmacy.

Benefits will be provided for Prescription Drugs dispensed by a mail order pharmacy in a quantity of up to a 90– day supply. You are responsible for one (1) Cost–Sharing amount for a 30–day supply up to a maximum of two (2); two and a half 2.5 Cost–Sharing amounts for a 90–day supply.

Specialty Prescription Drugs may be limited to a 30–day supply when obtained at a retail or mail order pharmacy. You may access Our website at www.MolinaHealthcare.com or by calling (800) 223–7242 (TTY: 711) for more information on supply limits for specialty Prescription Drugs.

Some Prescription Drugs may be subject to quantity limits based on criteria that We have developed, subject to Our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month’s supply. You can determine whether a Prescription Drug has been assigned a maximum quantity level for dispensing by accessing Our website at www.MolinaHealthcare.com or by calling (800) 223–7242 (TTY: 711). If We deny a request to Cover an amount that exceeds Our quantity level, You are entitled to an Appeal pursuant to the Utilization Review and External Appeal sections of this Contract.

11. Emergency Supply of Prescription Drugs for Substance Use Disorder Treatment. If You have an Emergency Condition, You may immediately access, without Preauthorization, a five (5) day emergency supply of a covered Prescription Drug for the treatment of a substance use disorder, including a Prescription Drug to manage opioid withdrawal and/or stabilization and for opioid overdose reversal. If You have a Copayment, it will be prorated. If You receive an additional supply of the Prescription Drug within the 30–day period in which You received the emergency supply, Your Copayment for the remainder of the 30–day supply will also be prorated. In no event will the prorated Copayment(s) total more than Your Copayment for a 30–day supply.

In this paragraph, “Emergency Condition” means a substance use disorder condition that manifests itself by Acute symptoms of sufficient severity, including severe pain or the expectation of severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or

If You receive an additional supply of the Prescription Drug within the 30-day period in which You received the seven (7) day supply, Your Copayment for the remainder of the 30-day supply will also be prorated. In no event will the prorated Copayment(s) total more than Your Copayment for a 30-day supply.

13. Cost-Sharing for Orally-Administered Anti-Cancer Drugs. Your Cost-Sharing for orally-administered anti-cancer drugs is at least as favorable to You the Cost-Sharing amount, if any, that applies to intravenous or injected anticancer medications Covered under the Outpatient and Professional Services section of this Contract.

14. Half Tablet Program. Certain Prescription Drugs may be designated as eligible for Our voluntary half tablet program. This program provides the opportunity to reduce Your Prescription Drug out-of-pocket expenses by up to 50% by using higher strength tablets and splitting them in half. If You are taking an eligible Prescription Drug, and You would like to participate in this program, please call Your Physician to see if the half tablet program is appropriate for Your condition. If Your Physician agrees, he or she must write a new prescription for Your medication to enable Your participation.

You can determine whether a Prescription Drug is eligible for the voluntary half tablet program by accessing Our website at www.MolinaHealthcare.com or by calling (800) 223-7242 (TTY: 711).

15. Split Fill Dispensing Program. The split fill dispensing program is designed to prevent wasted Prescription Drugs if Your Prescription Drug or dose changes or if We contact You and You confirm that You have leftover Prescription Drugs from a previous fill. The Prescription Drugs that are included under this program have been identified as requiring more frequent follow up to monitor response to treatment and reactions. You will initially get a 15-day supply (or appropriate amount of medication needed for an average infertility treatment cycle) of Your Prescription Order for certain drugs filled at a Designated, retail, or mail order pharmacy instead of the full Prescription Order. You initially pay half the 30-day Cost-Sharing. The therapeutic classes of Prescription Drugs that are included in this program are: Antivirals/Anti-infectives, Infertility, Iron Toxicity, Certain Respiratory Disorders, Mental/ Neurologic Disorders, Multiple Sclerosis, and Oncology. With the exception of Infertility drugs, this program applies for the first 60 days when You start a new Prescription Drug. The Prescription Drugs that require Preauthorization under the step therapy program are also included on the Preauthorization drug list. If a step therapy protocol is applicable to Your request for coverage of a Prescription Drug, You, Your designee, or Your Health Care Professional can request a step therapy override determination as outlined in the Utilization Review section of this Contract.
- 3. Therapeutic Substitution.** Therapeutic substitution is an optional program that tells You and Your Providers about alternatives to certain prescribed drugs. SECTION XIX

Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational (“Medically Necessary”). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, or for mental health and substance use disorder services call (800) 223-7242 (TTY: 711). The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review; or 3) with respect to substance use disorder treatment, licensed Physicians or licensed, certified, registered or credentialed Health Care Professionals who specialize in behavioral health and have experience in the delivery of substance use disorder courses of treatment. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. For substance use disorder treatment, We will use evidence-based and peer reviewed clinical review tools designated by OASAS that are appropriate to the age of the patient. Specific guidelines and protocols are available for Your review upon request. For more information, call (800) 223-7242 (TTY: 711) or visit Our website at www.MolinaHealthcare.com.

B. Preauthorization Reviews.

1. Non-Urgent Preauthorization Reviews. If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of the receipt of part of the requested information or the end of the 45-day period.

2. Urgent Preauthorization Reviews. With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone and in writing within 48 hours of the earlier of Our receipt of the information or the end of the 48 hour period. Written notification will be provided within the earlier of three (3) business days of Our receipt of the information or three (3) calendar days after the verbal notification.

3. Court Ordered Treatment. With respect to requests for mental health and/or substance use disorder services that have not yet been provided, if You (or Your designee) certify, in a format prescribed by the Superintendent of Financial Services, that You will be appearing, or have appeared, before a court of competent jurisdiction and may be subject to a court order requiring such services, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 72 hours of receipt of the request. Written notification will be provided within three (3) business days of Our receipt of the request. Where feasible, the telephonic and written notification will also be provided to the court.

C. Concurrent Reviews.

1. Non–Urgent Concurrent Reviews. Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within one (1) business day of the receipt of part of the requested information or 15 calendar days of the end of the 45–day period.

2. Urgent Concurrent Reviews. For concurrent reviews that involve an extension of Urgent Care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or one (1) business day of

receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if we do not receive the information, within 48 hours of the end of the 48-hour period.

3. Home Health Care Reviews. After receiving a request for coverage of home care services following an inpatient Hospital admission, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information. If the day following the request falls on a weekend or holiday, We will make a determination and provide notice to You (or Your designee) and Your Provider within 72 hours of receipt of the necessary information. When We receive a request for home care services and all necessary information prior to Your discharge from an inpatient hospital admission, We will not deny coverage for home care services while Our decision on the request is pending.

4. Inpatient Substance Use Disorder Treatment Reviews. If a request for inpatient substance use disorder treatment is submitted to Us at least 24 hours prior to discharge from an inpatient substance use disorder treatment admission, We will make a determination within 24 hours of receipt of the request and We will provide coverage for the inpatient substance use disorder treatment while Our determination is pending.

5. Inpatient Substance Use Disorder Treatment at Participating OASAS–Certified Facilities. Coverage for inpatient substance use disorder treatment at a participating OASAS–certified Facility is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 14 days of the inpatient admission if the OASAS–certified Facility notifies Us of both the admission and the initial treatment plan within 48 hours of the admission. After the first 14 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary and We will use the clinical review tool designated by OASAS. If any portion of the stay is denied as not Medically Necessary, You are only responsible for the in-network Cost-Sharing that would otherwise apply to Your inpatient admission.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable timeframes set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Step Therapy Override Determinations.

You, Your designee, or Your Health Care Professional may request a step therapy protocol override determination for Coverage of a Prescription Drug selected by Your Health Care Professional. When conducting Utilization Review for a step therapy protocol override determination, We will use recognized evidence-based and peer reviewed clinical review criteria that is appropriate for You and Your medical condition.

1. Supporting Rationale and Documentation. A step therapy protocol override determination request should include supporting rationale and documentation from a Health Care Professional, demonstrating that:

- The required Prescription Drug is contraindicated or will likely cause an adverse reaction or physical or mental harm to You;
- The required Prescription Drug is expected to be ineffective based on Your known clinical history, condition, and Prescription Drug regimen;
- You have tried the required Prescription Drug while covered by Us or under Your previous health insurance coverage, or another Prescription Drug in the same pharmacologic class or with the same mechanism of action, and that Prescription Drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event;
- You are stable on a Prescription Drug selected by Your Health Care Professional for Your medical condition, provided this does not prevent Us from requiring You to try an AB-rated generic equivalent; or
- The required Prescription Drug is not in Your best interest because it will likely cause a significant barrier to Your adherence to or compliance with Your plan of care, will likely worsen a comorbid condition, or will likely decrease Your ability to achieve or maintain reasonable functional ability in performing daily activities.

2. Standard Review. We will make a step therapy protocol override determination and provide notification to You (or Your designee) and where appropriate, Your Health Care Professional, within 72 hours of receipt of the supporting rationale and documentation.

3. Expedited Review. If You have a medical condition that places Your health in serious jeopardy without the Prescription Drug prescribed by Your Health Care Professional, We will make a step therapy protocol override determination within 24 hours of receipt of the supporting rationale and documentation.

If the required supporting rationale and documentation are not submitted with a step therapy protocol override determination request, We will request the information within 72 hours for Preauthorization and retrospective reviews, the lesser of 72 hours or one (1) business day for concurrent reviews, and 24 hours for expedited reviews. You or Your Health Care Professional will have 45 calendar days to submit the information for Preauthorization, concurrent and retrospective reviews, and 48 hours for expedited reviews. For Preauthorization reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For concurrent reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours or one (1) business day of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For retrospective reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For expedited reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 24 hours of Our receipt of the information or 48 hours of the end of the 48-hour period if the information is not received.

If We do not make a determination within 72 hours (or 24 hours for expedited reviews) of receipt of the supporting rationale and documentation, the step therapy protocol override request will be approved.

If We determine that the step therapy protocol should be overridden, We will authorize immediate coverage for the Prescription Drug prescribed by Your treating Health Care Professional. An adverse step therapy override determination is eligible for an Appeal.

G. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

H. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is (1) a Physician or (2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. Out-of-Network Service Denial. You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:

- A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
- Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. Out-of-Network Authorization Denial. You also have the right to Appeal the denial of a request for an authorization to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network authorization denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:

- That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
- Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

I. Standard Appeal.

- 1. Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.
- 2. Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.
- 3. Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, mental health and/or substance use disorder services that may be subject to a court order, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. Written notice of the determination will be provided to You (or Your designee) within 24 hours after the determination is made, but no later than 72 hours after receipt of the Appeal request.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.
- 4. Substance Use Appeal.** If We deny a request for inpatient substance use disorder treatment that was submitted at least 24 hours prior to discharge from an inpatient admission, and You or your Provider file an expedited internal Appeal of Our adverse determination, We will decide the Appeal within 24 hours of receipt of the Appeal request. If You or Your Provider file the expedited internal Appeal and an expedited external appeal within 24 hours of receipt of Our adverse determination, We will also provide coverage for the inpatient substance use disorder treatment while a determination on the internal Appeal and external appeal is pending.

J. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

SECTION XX

External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Contract; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service

(only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or

2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board–certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal a Determination that a Service is Out–of–Network.

If We have denied coverage of an out–of–network treatment because it is not materially different than the health service available in–network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out–of–network treatment.

In addition, Your attending Physician must certify that the out–of–network service is materially different from the alternate recommended in–network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in–network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in–network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out–of–Network Authorization Denial to a Non–Participating Provider.

If We have denied coverage of a request for an authorization to a Non–Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non–Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. Your Right to Appeal a Formulary Exception Denial.

If We have denied Your request for coverage of a non-formulary Prescription Drug through Our formulary exception process, You, Your designee or the prescribing Health Care Professional may appeal the formulary exception denial to an External Appeal Agent. See the Prescription Drug Coverage section of this Contract for more information on the formulary exception process.

G. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal timeframe would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services and have not been discharged from a Facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If Your internal formulary exception request received a standard review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional within 72 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

If Your internal formulary exception request received an expedited review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional within 24 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-formulary Prescription Drug.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Contract. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Contract for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

H. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XXI

Termination of Coverage

This Contract may be terminated as follows:

A. Automatic Termination of this Contract.

This Contract shall automatically terminate:

1. Upon Your death.
2. When You turn 65, Your coverage will end at the end of the month in which you turn 65 or become Medicare eligible.
3. When You become Medicaid eligible or enroll in the Medicaid Program, Your coverage will end at the end of the month in which you are determined to be Medicaid eligible.
4. When Your income exceeds 200% of the Federal Poverty Level, Your coverage will end at the end of the month in which your income has changed.
5. When You have had a change in immigration status that makes you eligible for other coverage, including Medicaid, and Your coverage will end at the end of the month before you are determined to be Medicaid eligible.
6. When You have enrolled in a different program through the NY State of Health Marketplace.

B. Termination by You.

You may terminate this Contract at any time by giving the NYSOH at least 14 days' prior written notice.

C. Termination by Us.

We may terminate this Contract with 30 days' written notice as follows:

1. Non-Payment of Premiums.

Premiums are to be paid by You to Us on each Premium due date. While each Premium is due by the due date, there is a grace period for each Premium payment. If the Premium payment is not received by the end of the grace period, coverage will terminate as follows:

- If You fail to pay the required Premium within a 30-day grace period, this Contract will terminate on the last day of the 30-day grace period. You will not be responsible for paying any claims submitted during the grace period if this Contract terminates.

2. Fraud or Intentional Misrepresentation of Material Fact.

If You have performed an act that constitutes fraud or made an intentional misrepresentation of material fact in writing on Your enrollment application, or in order to obtain coverage for a service, this Contract will terminate immediately upon a written notice to You from the NYSOH.

However, if You make an intentional misrepresentation of material fact in writing on Your enrollment application, We will rescind this Contract if the facts misrepresented would have led Us to refuse to issue this Contract and the application is attached to this Contract. Rescission means that the termination of Your coverage will have a retroactive effect of up to the issuance of this Contract.

3. If You no longer live or reside in Our Service Area.
4. The date the Contract is terminated because We stop offering the class of contracts to which this Contract belongs, without regard to claims experience or health related status of this Contract. We will provide You with at least 90 days prior written notice.
5. The date the Contract is terminated because We terminate or cease offering all hospital, surgical and medical expense coverage in the individual market, in this State. We will provide You with at least 180 days' prior written notice.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Conversion Right to a New Contract after Termination section of this Contract for Your right to conversion to another individual Contract.

SECTION XXII

Temporary Suspension Rights for Armed Forces' Members

If You, the Subscriber, are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. You serve no more than five (5) years of active duty.

You must make written request to Us to have Your coverage suspended during a period of active duty. Your unearned Premiums will be refunded during the period of such suspension.

Upon completion of active duty, Your coverage may be resumed as long as You:

1. Make written application to Us; and
2. Remit the premium within 60 days of the termination of active duty.

The right of resumption extends to coverage for Your Dependents. For coverage that was suspended while on active duty, coverage will be retroactive to the date on which active duty terminated.

SECTION XXIII

General Provisions

1. Agreements Between Us and Participating Providers.

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Contract does not require any Provider to accept a Subscriber as a patient. We do not guarantee a Subscriber's admission to any Participating Provider or any health benefits program.

2. Assignment.

You cannot assign any benefits under this Contract or legal claims based on a denial of benefits to any person, corporation or other organization. You cannot assign any monies due under this Contract to any person, corporation or other organization unless it is an assignment to Your Provider for a surprise bill or to a Hospital for Emergency Services, including inpatient services following Emergency Department Care. See the How Your Coverage Works section of this Contract for more information about surprise bills. Any assignment of benefits or legal claims based on a denial of benefits by You other than for monies due for a surprise bill or an assignment of monies due to a Hospital for Emergency Services, including inpatient services following Emergency Department Care, will be void and unenforceable. Assignment means the transfer to another person or to an organization of Your right to the services provided under this Contract or Your right to collect money from Us for those services. However, You may request Us to make payment for services directly to Your Provider instead of You. Nothing in this paragraph shall affect Your right to appoint a designee or representative as otherwise permitted by applicable law.

3. Changes in this Contract.

We may unilaterally change this Contract upon renewal, if We give You 45 days' prior written notice.

4. Choice of Law.

This Contract shall be governed by the laws of the State of New York.

5. Clerical Error.

Clerical error, whether by You or Us, with respect to this Contract, or any other documentation issued by Us in connection with this Contract, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

6. Conformity with Law.

Any term of this Contract which is in conflict with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

7. Continuation of Benefit Limitations.

Some of the benefits in this Contract may be limited to a specific number of visits. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, Your coverage terminates and you enroll in the product later in the year.

8. Entire Agreement.

This Contract, including any endorsements, riders and the attached applications, if any, constitutes the entire Contract.

9. Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

10. Furnishing Information and Audit.

You will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Contract. You must provide Us with information over the telephone for reasons such as the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care.

11. Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Contract. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.

12. Incontestability.

No statement made by You in an application for coverage under this Contract shall avoid the Contract or be used in any legal proceeding unless the application or an exact copy is attached to this Contract. After two (2) years from the date of issue of this Contract, no misstatements, except for fraudulent misstatements made by You in the application for coverage, shall be used to void the Contract or deny a claim.

13. Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You while receiving care from any Participating Provider or in any Participating Provider's Facility.

14. Input in Developing Our Policies.

You may participate in the development of Our policies. We value your ideas. You can help us develop policies that best serve our members. If you have ideas tell us about them. Maybe you'd like to work with one of our member advisory boards or committees. Call Member Services at (800) 223-7242 (TTY: 711) to find out how you can help.

15. Material Accessibility.

We will give You ID cards, Contracts, riders and other necessary materials.

16. More Information about Your Health Plan.

You can request additional information about Your coverage under this Contract. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Subscriber information.
- A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Contract.
- A written description of Our quality assurance program.
- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- Provider affiliations with participating Hospitals.
- A copy of Our clinical review criteria (e.g., Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines, including clinical review criteria relating to a step therapy protocol override determination.
- Written application procedures and minimum qualification requirements for Providers.
- Documents that contain the processes, strategies, evidentiary standards, and other factors used to apply a treatment limitation with respect to medical/surgical benefits and mental health or substance use disorder benefits under the Contract.

17. Notice.

Any notice that We give You under this Contract will be mailed to Your address as it appears in Our records. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. mail, first class, postage prepaid to: the address on Your ID card.

18. Premium Payment.

The initial Premium is payable one (1) month in advance by the Subscriber to Us at Our office. The first month's Premium, if any, is due and payable upon submission of the application. Coverage will begin on the effective date of the Contract as defined herein. Subsequent Premiums are due and payable on the first of each month thereafter.

19. Premium Refund.

We will give any refund of Premiums, if due, to You.

20. Recovery of Overpayments.

On occasion, a payment will be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens, We will explain the problem to

You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

21. Renewal Date.

The renewal date for this Contract is 12 months after the effective date of this Contract. This Contract will automatically renew each year on the renewal date, as long as you remain eligible under the Contract and unless otherwise terminated by Us as permitted by this Contract.

22. Reinstatement after Default.

If You default in making any payment under this Contract, the subsequent acceptance of payment by Us or by one of Our authorized agents or brokers shall reinstate the Contract.

23. Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Contract. Examples of the use of the standards are to determine whether: Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Contract. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Contract.

24. Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

25. Severability.

The unenforceability or invalidity of any provision of this Contract shall not affect the validity and enforceability of the remainder of this Contract.

26. Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Contract as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

27. Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related

to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Contract. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under Section 5–335 of the New York General Obligations Law, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

28. Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Contract and nothing in this Contract shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Contract. No other party can enforce this Contract's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Contract, or to bring an action or pursuit for the breach of any terms of this Contract.

29. Time to Sue.

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Contract. You must start any lawsuit against Us under this Contract within two (2) from the date the claim was required to be filed.

30. Translation Services.

Translation services are available under this Contract for non–English speaking Subscribers. Please contact Us at (800) 223–7242 (TTY: 711) to access these services.

31. Venue for Legal Action.

If a dispute arises under this Contract, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also

consent to New York State courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in these courts have been followed, the courts can order You to defend any action We bring against You.

32. Waiver.

The waiver by any party of any breach of any provision of this Contract will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

33. Who May Change this Contract.

This Contract may not be modified, amended, or changed, except in writing and signed by Our President or a person designated by the President. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Contract in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the President or person designated by the President.

34. Who Receives Payment under this Contract.

Payments under this Contract for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either You or the Provider. If You assign benefits for a surprise bill to a Non-Participating Provider, We will pay the Non-Participating Provider directly. See the How Your Coverage Works section of this Contract for more information about surprise bills.

35. Workers' Compensation Not Affected.

The coverage provided under this Contract is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

36. Your Medical Records and Reports.

In order to provide Your coverage under this Contract, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Contract, except as prohibited by state or federal law, You automatically give Us or Our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, and other authorized federal, state and local agencies with authority over the Essential Plan, quality oversight organizations, and third parties with which We contract to assist Us in administering this Contract, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements. If You want to take away any permissions you gave to release this information, you may call us at (800) 223-7242 (TTY: 711).

37. Your Rights and Responsibilities.

As a Member, You have rights and responsibilities when receiving health care. As Your health care partner, We want to make sure Your rights are respected while providing Your health benefits. You have the right to obtain complete and current information concerning a diagnosis, treatment and prognosis from a Physician or other Provider in terms You can reasonably understand. When it is not advisable to give such information to You, the information shall be made available to an appropriate person acting on Your behalf.

You have the right to receive information from Your Physician or other Provider that You need in order to give Your informed consent prior to the start of any procedure or treatment.

You have the right to refuse treatment to the extent permitted by law and to be informed of the medical consequences of that action.

You have the right to formulate advance directives regarding Your care. You have the right to access Our Participating Providers.

As a Member, You should also take an active role in Your care. We encourage You to:

- Understand Your health problems as well as You can and work with Your Providers to make a treatment plan that You all agree on;
- Follow the treatment plan that You have agreed on with Your doctors or Providers;
- Give Us, Your doctors and other Providers the information needed to help You get the care You need and all the benefits You are eligible for under Your Contract. This may include information about other health insurance benefits You have along with Your coverage with Us; and
- Inform Us if You have any changes to Your name, address or Dependents covered under Your Contract.

For additional information regarding Your rights and responsibilities, You can call Us at (800) 223-7242 (TTY: 711) to request a copy. If You need more information or would like to contact Us, please go to Our website at www.MolinaHealthcare.com or call Us at (800) 223-7242 (TTY: 711).

Section XXIV

Coverage for Contraceptive Drugs and Devices and Family Planning Services

A. General.

This rider amends the benefits of Your Contract and provides Coverage for the following:

We Cover contraceptive drugs or devices or generic equivalents approved as substitutes by the FDA. The contraceptive drug or device must be prescribed for You by a Provider that is legally authorized to prescribe pursuant to applicable law. You may have an initial three (3) month supply of a contraceptive drug or device dispensed to You. For subsequent dispensing of the same contraceptive drug or device, You can have the entire prescribed supply (of up to 12 months) of the contraceptive drug or device dispensed at the same time. Certain contraceptive drugs and devices may require an office visit, such as drugs or devices that require injection or insertion. We also Cover family planning services which consist of FDA–approved contraceptive methods prescribed by a Provider, counseling on the use of contraceptives and related topics, and sterilization procedures for women. Such contraceptive drugs or devices, office visits, family planning services and sterilization procedures are not subject to Copayments, Deductibles or Coinsurance when provided in accordance with the comprehensive guidelines supported by HRSA and items or services with an “A” or “B” rating from USPSTF and when provided by a Participating Provider.
