Welcome to Senior Whole Health of New York

Thank you for choosing Senior Whole Health of New York (SWH of NY) as your Medicaid Managed Long Term Care (MLTC) plan. Our community-based MLTC program helps you to continue living in your home and community for as long as possible.

Membership in Senior Whole Health MLTC Plan does not change coverage for important medical benefits such as ambulance, doctor visits, emergency room care, hospitalizations and prescription drug coverage.

Each of our members is assigned a Care Manager, a registered nurse or social worker, who will assist you in accessing and coordinating the services you need.

Network providers
When you become an SWH of NY member, you agree to use our network providers. These include Home Care Agencies, dentists, podiatrists, optometrists, audiologists and more. Our website, www.seniorwholehealth.com, has a list of providers you can choose from and tells you information like the provider name, address, phone number and languages spoken as well as whether he or she is accepting new patients. Our provider search tool allows you to search for a provider by name, type or location. You may also request a printed directory by calling Member Services.

Services
All services are pre-authorized, based on medical necessity. Some services require a physician's order along with pre-authorization. Emergency care does not require a pre-authorization.

How do I find a provider in the directory?
Providers are listed by specialty, borough/county and city. To find a provider near you, look for your area. You can also view the most current list of providers online at www.swhnymembers.com.

If you have questions, please call Member Services at 1-877-353-0185 (TTY/TDD: 711), Monday through Friday from 8 a.m. to 8 p.m.
