### **(Elenco dei farmaci coperti o “Elenco dei farmaci”)**

**DA LEGGERE: QUESTO DOCUMENTO CONTIENE INFORMAZIONI  
SUI FARMACI COPERTI DA QUESTO PIANO**

File di presentazione del formulario approvato da HPMS ID 00025316

Questo formulario è stato aggiornato il 04/01/2025. Per informazioni più recenti o altre domande, contattare il Servizio per i Membri di Senior Whole Health of New York NHC al numero (800) 665-3086 (gli utenti TTY devono chiamare il 711), dal 1° ottobre al 31 marzo: 7 giorni su 7, dalle 8 a.m. alle 8 p.m., ora locale, dal 1° aprile al 30 settembre: Dal lunedì al venerdì, dalle 8 a.m. alle 8 p.m., ora locale, oppure consulti il sito [SWHNY.com](http://SWHNY.com).

**Nota per i membri già esistenti:** Il Formulario è cambiato rispetto all'anno scorso. Legga attentamente questo documento per assicurarsi che contenga ancora i farmaci che lei assume.

Quando in questo elenco di farmaci (formulario) si fa riferimento a "noi", "ci" o "nostro", si intende Senior Whole Health. Quando si parla di "piano" o "nostro piano", si intende il Senior Whole Health NHC.

Questo documento contiene l'Elenco dei farmaci (formulario) del nostro piano, aggiornato al 04/01/2025. Per un Elenco dei farmaci aggiornato (formulario), non esiti a contattarci. I nostri contatti, insieme alla data dell'ultimo aggiornamento dell'Elenco dei farmaci (formulario), sono riportati sulla prima e sulla quarta pagina di copertina.

In genere, per usufruire della prestazione di prescrizione di farmaci è necessario utilizzare le farmacie della rete. Le prestazioni, il formulario, la rete di farmacie e/o i ticket/le assicurazioni congiunte possono cambiare il 1° gennaio 2025 e di tanto in tanto nel corso dell'anno.

## **Che cos'è il Formulario di Senior Whole Health of New York NHC?**

In questo documento, i termini Elenco dei farmaci e Formulario vengono utilizzati per indicare la stessa cosa. Il formulario è un elenco di farmaci coperti selezionato dal nostro piano a seguito della consultazione con un team di operatori sanitari, che costituiscono le terapie su prescrizione ritenute necessarie in un programma di trattamento di qualità. Il nostro piano copre solitamente i farmaci inclusi nel nostro formulario, a condizione che il farmaco sia necessario dal punto di vista medico, che la prescrizione venga erogata presso una farmacia della rete del piano e che vengano rispettate le altre regole del piano. Per ulteriori informazioni sulle modalità di erogazione delle prescrizioni, consultare l'Evidence of Coverage (la Prova di copertura).

## **Il formulario può cambiare?**

La maggior parte delle modifiche alla copertura dei farmaci avviene il 1° gennaio, ma il nostro piano può aggiungere o rimuovere farmaci dal formulario nel corso dell'anno, può spostarli in livelli di condivisione dei costi diversi o aggiungere nuove restrizioni. Nell'apportare queste modifiche, dobbiamo attenerci alle regole di Medicare. Gli aggiornamenti del formulario vengono pubblicati mensilmente sul nostro sito web, qui: [SWHNY.com](http://SWHNY.com).

**Cambiamenti che possono riguardarLa durante l'anno in corso:** Qui di seguito vengono elencate le modifiche di copertura durante l'anno in corso che potrebbero riguardarLa:

- **Sostituzione immediata di alcune nuove versioni di farmaci di marca e di prodotti biologici originali.** Potremmo rimuovere immediatamente un farmaco dal nostro formulario nel caso venga sostituito con una nuova versione dello stesso farmaco, che verrà inserita nello stesso livello di condivisione dei costi o in un livello inferiore e con le stesse o minori restrizioni. Quando aggiungiamo una nuova versione di un farmaco al nostro formulario, possiamo decidere di mantenere il farmaco di marca o il farmaco biologico originale nel nostro formulario, ma spostarlo immediatamente a un diverso livello di condivisione dei costi o aggiungere nuove restrizioni.

Possiamo apportare queste modifiche immediate solo se stiamo aggiungendo una nuova versione generica di un farmaco di marca o alcune nuove versioni biosimilari di un farmaco biologico

originale già presente nel formulario (ad esempio, aggiungendo un biosimilare intercambiabile che può essere sostituito dalla farmacia a un farmaco biologico originale senza una nuova prescrizione).

Se sta assumendo un farmaco di marca o un farmaco biologico originale, è possibile che venga informato in anticipo prima di effettuare una modifica immediata, ma in seguito le forniremo informazioni sulla/e modifica/e specifica/e apportata/e.

In caso di modifica, lei o il suo medico prescrittore può chiedere una deroga per continuare la sua copertura del farmaco che viene cambiato. Per ulteriori informazioni, consultare la sezione sottostante intitolata "Come si richiede un'eccezione al formulario di Senior Whole Health of New York NHC?".

Alcuni di questi tipi di farmaci potrebbero essere nuovi per lei. Per ulteriori informazioni, si veda la sezione sottostante intitolata "Cosa sono i farmaci biologici originali e come sono correlati ai biosimilari?".

- **Farmaci ritirati dal mercato.** Se un farmaco viene ritirato dalla vendita dal produttore o se la Food and Drug Administration (FDA) ne determina il ritiro per motivi di sicurezza o di efficacia, abbiamo la facoltà di rimuovere immediatamente il farmaco dal nostro prontuario e di informare successivamente gli assicurati che lo assumono.
- **Altre modifiche.** Potremmo apportare altre modifiche che riguardano gli iscritti che stanno assumendo un farmaco. Per esempio, potremmo rimuovere un farmaco di marca dal formulario quando aggiungiamo un equivalente generico o rimuovere un farmaco biologico originale quando aggiungiamo un biosimilare. La compagnia può anche applicare nuove restrizioni al farmaco di marca o al farmaco biologico originale, o spostarlo a un diverso livello di condivisione dei costi, o entrambi. Potremmo inoltre apportare modifiche in base a nuove linee guida cliniche. Se dovessimo eliminare dei farmaci dal nostro prontuario, o aggiungere autorizzazioni preventive, limiti di quantità e/o restrizioni alla terapia graduale per un farmaco o spostare un farmaco a un livello di condivisione dei costi più elevato, dobbiamo informare gli assicurati interessati della modifica almeno 30 giorni prima che la modifica diventi effettiva. In alternativa, quando l'assicurato richiede una nuova dose del farmaco, può ricevere una fornitura di 31 giorni del farmaco e la notifica del cambiamento.

Se vengono apportate queste altre modifiche, lei o il suo medico curante può chiedere di fare un'eccezione per il suo caso e di continuare a coprire il farmaco che sta assumendo. L'avviso che le forniremo includerà anche le informazioni su come richiedere una deroga; può trovare le informazioni nella sezione sottostante intitolata "Come posso richiedere una deroga al Formulario di Senior Whole Health of New York NHC?"

**Modifiche che non avranno effetto se sta assumendo il farmaco.** In generale, se il paziente sta assumendo un farmaco presente nel formulario 2025 che era coperto all'inizio dell'anno, noi non interromperemo né limiteremo la copertura di tale farmaco durante l'anno di copertura 2025, ad eccezione di quanto descritto sopra. Ciò significa che questi farmaci rimarranno disponibili con la stessa quota di condivisione del costo e

senza nuove restrizioni per gli assicurati che li assumono per il resto dell'anno di copertura. Quest'anno non riceverà comunicazioni dirette riguardanti modifiche che non la riguardano. Tuttavia, il 1° gennaio dell'anno successivo, tali modifiche potrebbero riguardarla ed è pertanto importante controllare il formulario per il nuovo anno di prestazioni per verificare eventuali modifiche ai farmaci.

Il formulario allegato è aggiornato al 04/01/2025. Per ottenere informazioni aggiornate sui farmaci coperti dal nostro piano, si metta in contatto con noi. I nostri recapiti sono riportati sulla prima e sulla quarta di copertina.

## **Come si utilizza il Formulario?**

Ci sono due modi per trovare il farmaco all'interno del formulario:

### **Patologia medica**

Il formulario inizia a pagina 7. I farmaci di questo formulario sono raggruppati in categorie a seconda del tipo di patologie mediche che vengono utilizzate per il trattamento. Ad esempio, i farmaci utilizzati per il trattamento di una patologia cardiaca sono elencati nella categoria Cardiovascolare. Se lei sa per cosa viene utilizzato il suo farmaco, cerchi il nome della categoria nell'elenco che inizia a pagina 7.

Successivamente, cerchi all'interno della categoria del suo farmaco.

### **Elenco alfabetico**

Se non è sicuro della categoria in cui cercare, cerchi il suo farmaco nell'Indice che inizia a pagina 86. L'indice fornisce un elenco alfabetico di tutti i farmaci inclusi in questo documento. Nell'Indice sono elencati sia i farmaci di marca che i farmaci generici. Consulti l'Indice e cerchi il suo farmaco. Accanto al suo farmaco, viene visualizzato il numero di pagina in cui sono riportate le informazioni sulla copertura (ovvero sul rimborso del farmaco). Vada alla pagina elencata nell'Indice e cerchi il nome del farmaco nella prima colonna dell'elenco.

## **Cosa sono i farmaci generici?**

Il nostro piano copre sia i farmaci di marca che i farmaci generici. Un farmaco generico è approvato dall'FDA in quanto ha lo stesso principio attivo del farmaco di marca. In genere, i farmaci generici funzionano altrettanto bene e costano meno di quelli di marca. Per molti farmaci di marca sono disponibili sostituti generici. In genere i farmaci generici possono sostituire il farmaco di marca in farmacia senza bisogno di una nuova prescrizione, a seconda delle leggi statali.

## **Cosa sono i farmaci biologici originali e come sono collegati ai biosimilari?**

Nel formulario, quando si parla di farmaci, si intende un farmaco o un farmaco biologico. I farmaci biologici sono farmaci più complessi di quelli tipici. Poiché i farmaci biologici sono più complessi di quelli tipici, al posto di una forma generica hanno delle alternative chiamate biosimilari. In genere, i biosimilari funzionano altrettanto bene come il prodotto biologico originale e possono costare meno. Esistono alternative biosimilari per alcuni farmaci biologici originali. Alcuni biosimilari sono intercambiabili e, a seconda delle leggi dello Stato, possono essere sostituiti al farmaco biologico originale in farmacia senza bisogno di una nuova prescrizione, proprio come i farmaci generici possono essere sostituiti ai farmaci di marca.

- Per una discussione sui tipi di farmaci, vedere la Prova di copertura, Capitolo 5, Sezione 3.1, “L’Elenco dei farmaci” indica quali farmaci della Parte D sono coperti”.

## Ci sono restrizioni alla mia copertura?

Alcuni farmaci coperti possono avere ulteriori requisiti o limiti di copertura. Tali requisiti e limiti possono comprendere:

- **Autorizzazione preventiva:** Il nostro piano prevede che lei o il suo medico ottenga un'autorizzazione preventiva per determinati farmaci. Ciò significa che è necessario ottenere l'approvazione del nostro piano prima di erogare le sue prescrizioni. Se non ottiene l'approvazione, il nostro piano potrebbe non coprire il farmaco.
- **Limiti di quantità:** Per alcuni farmaci, il nostro piano limita la quantità di farmaco che il nostro piano può coprire. Ad esempio, il nostro piano prevede 30 compresse per 30 giorni per ogni prescrizione di esomeprazolo da 40 mg. Questo può aggiungersi alla fornitura standard di un mese o di tre mesi.
- **Terapia graduale:** In alcuni casi, il nostro piano prevede che lei debba prima provare determinati farmaci per il trattamento della sua patologia prima che venga coperto un altro farmaco per la stessa patologia. Ad esempio, se il farmaco A e il farmaco B curano entrambi la sua patologia, il nostro piano potrebbe non coprire il farmaco B a meno che non provi prima il farmaco A. Se il farmaco A non funziona, il nostro piano coprirà il farmaco B.

Per sapere se il farmaco in questione presenta requisiti o limiti aggiuntivi, è possibile consultare il formulario che inizia a pagina 7. Per ulteriori informazioni sulle restrizioni applicate a specifici farmaci coperti, visiti il nostro sito web. Abbiamo pubblicato online dei documenti che spiegano le nostre restrizioni in materia di autorizzazione preventiva e di terapia graduale. Può anche chiederci di inviarle una copia. I nostri recapiti, come pure la data dell'ultimo aggiornamento del formulario, sono riportate sulla prima e sulla quarta pagina di copertina.

Lei può chiedere al nostro piano di derogare a queste restrizioni o limiti o di fornire un elenco di altri farmaci simili che possono trattare la sua malattia. Per informazioni su come richiedere un'eccezione al formulario di Senior Whole Health of New York NHC, consultare la sezione “Come richiedere un'eccezione al formulario di Senior Whole Health of New York NHC?” a pagina 5.

## Cosa succede se il mio farmaco non è presente nel Formulario?

Se il suo farmaco non è incluso nel formulario (elenco dei farmaci coperti), è necessario contattare il Servizio per i Membri e chiedere se il farmaco è coperto.

Se scopre che il nostro piano non copre il suo farmaco, lei hai due possibilità:

- È possibile richiedere al Servizio per i Membri un elenco di farmaci simili coperti dal nostro piano. Una volta ricevuto l'elenco, lo mostri al suo medico e gli chiedi di prescriverle un farmaco simile coperto dal nostro piano.

- È possibile chiedere al nostro piano di fare una deroga e coprire il suo farmaco. Per informazioni su come richiedere una deroga, vedere qui di seguito.

## **Come posso richiedere una deroga al formulario di Senior Whole Health of New York NHC?**

Lei può chiedere al nostro piano di fare una deroga alle nostre regole di copertura. Ci sono diversi tipi di deroghe che potete chiedere di applicare.

- È possibile chiedere la copertura di un farmaco anche se non è presente nel nostro formulario. Se approvato, il farmaco sarà coperto a un livello di condivisione dei costi prestabilito e lei non potrà chiederci di fornire il farmaco a un livello di condivisione dei costi inferiore.
- È possibile chiedere la deroga a una restrizione della copertura, tra cui l'autorizzazione preventiva, la terapia a tappe o il limite quantitativo del farmaco. Ad esempio, per alcuni farmaci, il nostro piano limita la quantità di farmaco che siamo in grado di coprire. Se il farmaco ha un limite quantitativo, è possibile chiedere di derogare a tale limite e coprire una quantità maggiore.
- È possibile richiedere la copertura di un farmaco in formulazione a un livello di condivisione dei costi inferiore, a meno che il farmaco non rientri nel livello di specialità. Se approvata, questa misura ridurrebbe l'importo da pagare per il farmaco.

In generale, il nostro piano approverà la richiesta di eccezione solo se i farmaci alternativi inclusi nel formulario del piano, il farmaco a più basso costo o l'applicazione della restrizione non sarebbero altrettanto efficaci per il paziente e/o causerebbero effetti avversi.

Il paziente o il suo medico curante devono contattarci per richiedere un tiering o un'eccezione al formulario, compresa un'eccezione a una restrizione di copertura. **Quando si richiede un'eccezione, il medico curante deve spiegare le ragioni mediche per cui essa è necessaria.** In genere, noi dobbiamo prendere una decisione entro 72 ore dal ricevimento della dichiarazione a sostegno della richiesta presentata dal suo prescrittore. Può chiedere una decisione accelerata (rapida) se ritiene, e noi siamo d'accordo, che la sua salute potrebbe essere seriamente danneggiata da un'attesa di 72 ore. Se siamo d'accordo o se il medico curante chiede una decisione rapida, la decisione deve essere presa entro 24 ore dalla ricezione della dichiarazione di supporto del medico curante.

## **Cosa posso fare se il mio farmaco non è presente nel formulario o ha una restrizione?**

In qualità di nuovo membro o di membro continuativo del nostro piano, è possibile che lei assuma farmaci che non sono presenti nel nostro formulario. Oppure, è possibile che si stia assumendo un farmaco che è presente nel nostro prontuario ma che ha una restrizione di copertura, come ad esempio un'autorizzazione preventiva. È opportuno che lei parli con il suo medico curante per richiedere una decisione di copertura che dimostri il soddisfacimento dei criteri di approvazione, per passare a un farmaco alternativo da noi coperto o per richiedere un'eccezione al formulario in modo che il farmaco da lei assunto sia coperto. Mentre parla con il suo medico per determinare come è meglio procedere per lei, potremmo in alcuni casi coprire il suo farmaco durante i primi 90 giorni in cui lei è membro del nostro piano.

Per ogni farmaco che non è presente nel nostro prontuario o che ha una restrizione di copertura, copriremo una fornitura temporanea di 31 giorni. Se la prescrizione prevede un numero inferiore di giorni, i rinnovi

sono consentiti fino a un massimo di 31 giorni di fornitura del farmaco. Dopo la prima fornitura di 31 giorni, noi non pagheremo più questi farmaci, anche se il paziente è membro del programma da meno di 90 giorni.

Se lei è residente presso una struttura di assistenza a lungo termine e ha bisogno di un farmaco che non è presente nel nostro formulario o se la sua possibilità di ottenere i farmaci è limitata, ma ha superato i primi 90 giorni di iscrizione al nostro piano, copriremo una fornitura di emergenza di 31 giorni di quel farmaco in attesa dell'eventuale deroga al formulario.
