

# ODH Vaccine Search Tool Overview

- How to use the ODH search Tool
  - You can search by Provider Name, County and/or Zip Code
  - Once you click the appropriate boxes, you must click “apply”
  - This will generate a list of COVID-19 vaccination sites in the counties/ZIP Codes selected. Contact information (address, phone and website) is available for each location.

# Search by Provider

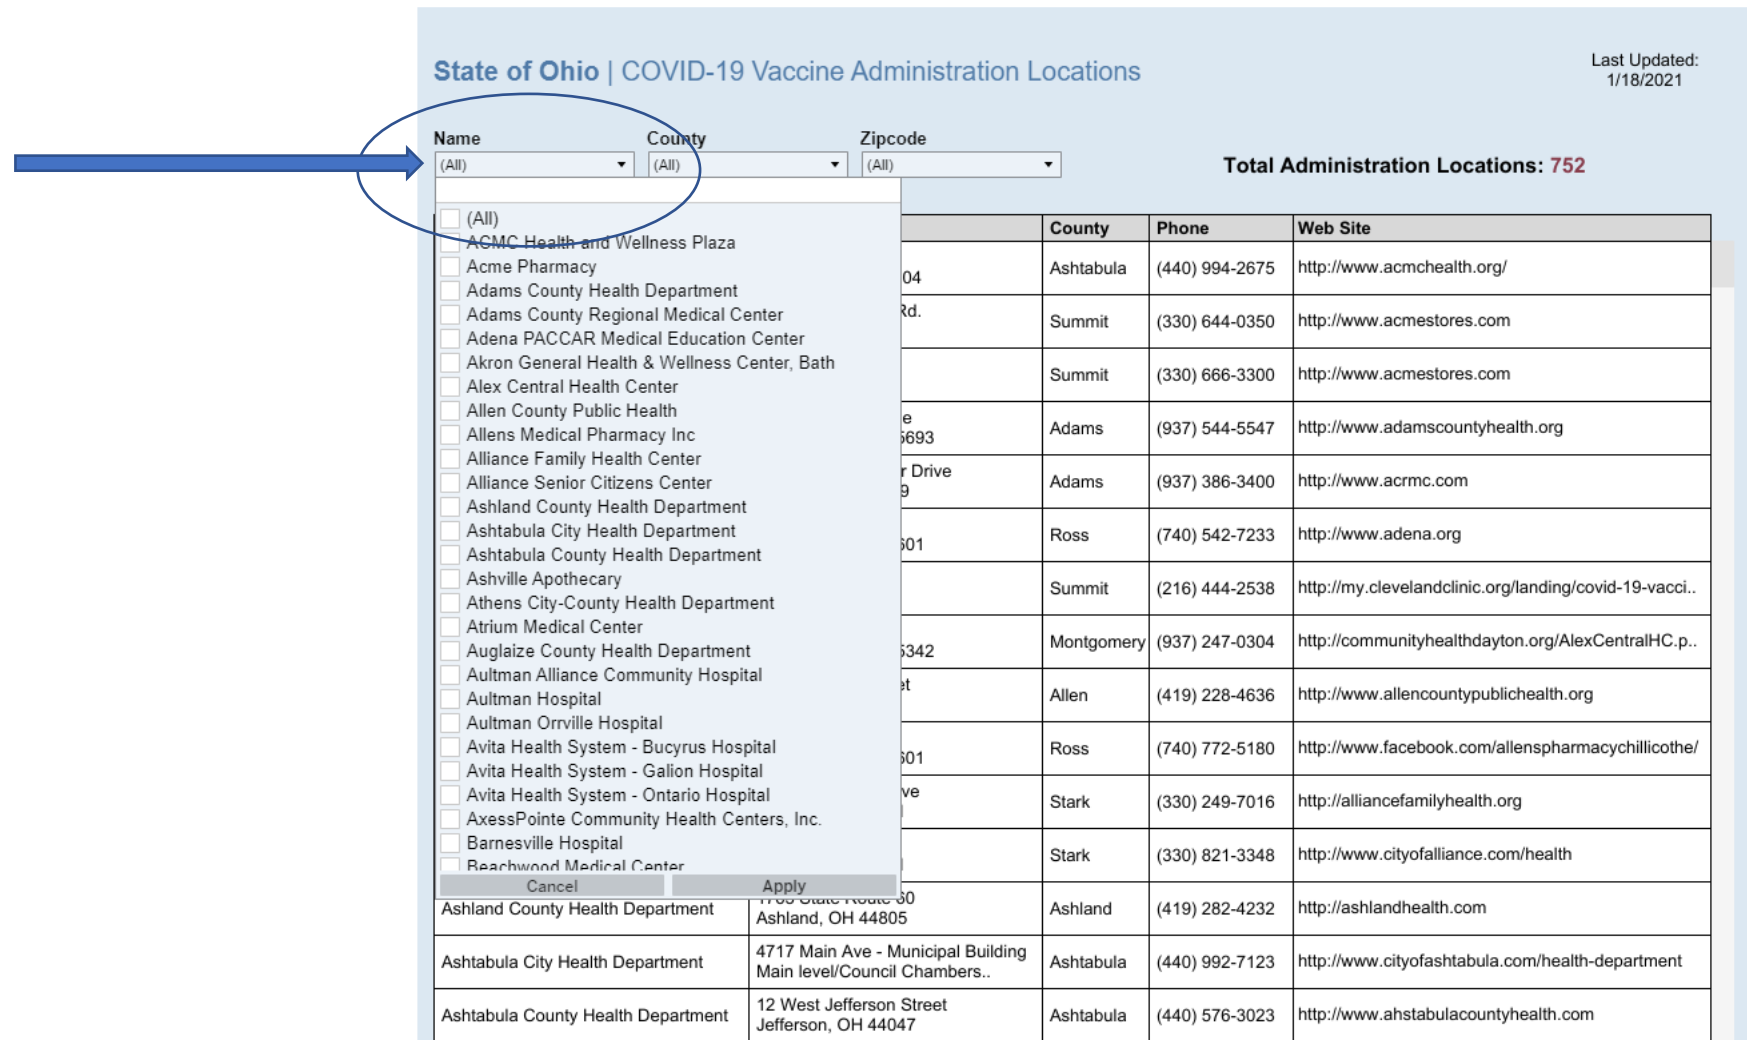

- You can search by provider by selecting the provider then clicking “apply”
- You may select multiple providers
- This will generate a list of COVID-19 vaccination sites by the providers selected. Contact information (address, phone and website) is available for each location.

be vaccinated. Websites, contact information, and addresses listed are submitted by vaccine providers.

As new providers are registered, provide vaccination location information, and receive shipments, they will be added to this page.

**Note:** To search, you must click the appropriate box(es) and click “apply.” A full screen option for this dashboard can be found on the lower right corner.

To exit full screen mode press the 'Esc' key.
