

Welcome!

We are pleased to welcome you to Molina Healthcare!

Molina Healthcare will provide your health benefits on behalf of the Ohio Department of Medicaid (ODM).

As your managed care organization (MCO), Molina Healthcare will work with Gainwell – ODM's Single Pharmacy Benefit Manager (SPBM) – to provide your pharmacy benefits.

OhioRISE (Resilience through Integrated Systems and Excellence) is a specialized Medicaid managed care program for children and youth with complex behavioral health and multisystem needs. Children and youth with multisystem needs are often involved in multiple community systems such as juvenile justice, child protection, developmental disabilities, education, mental health and addiction, and others. If you or a child in your care is enrolled in OhioRISE, Molina Healthcare will coordinate care with Aetna Better Health of Ohio (the OhioRISE plan).

Included with this letter is your new Molina Healthcare member identification card. You can start using it right away for all your healthcare and pharmacy services. We encourage you to carry it with you always.

In addition to your new ID card, you will find included:

- A Welcome Letter from the Ohio Department of Medicaid.
- A postcard providing information on how to request mailed and/or online copies of all member materials, including your member handbook and a provider directory.
- A quick guide with information about your benefits.

If you did not receive these materials, please call Molina Member Services at (800) 642-4168 (TTY 711) from 7 a.m. to 8 p.m. Eastern Time (ET), Monday through Friday. You can also find your member materials online at MolinaHealthcare.com/OHMedicaidHandbook.
