## Services covered by Molina Healthcare

Molina Healthcare covers your medically necessary Medicaid-covered services at no cost to you. Medically necessary means you need the services to prevent, diagnose or treat a medical condition.

### Prior Approval (PA)

Your provider must ask Molina Healthcare to approve some treatments and services before you can get them. This is called a prior approval (PA) or prior authorization.

Most services are available to you without PA. However, some services do require it.

This guide has information on which services do or do not require PA. You can find the latest information about which services require PA at [MolinaHealthcare.com/OHMedicaidPA](http://MolinaHealthcare.com/OHMedicaidPA).
