Section 1 – Introduction

This directory provides a list of Molina Medicare Choice Care Select’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are healthcare professionals such as doctors, medical groups, specialists, and healthcare facilities (i.e. hospitals, durable medical equipment suppliers) that are contracted with Molina Medicare Choice Care Select to provide you with covered services. You may use this directory to help you select a Primary Care Provider, Specialist, Long-Term Services and Support Provider, Hospital, Skilled Nursing Facility, Outpatient Mental Health Provider and/or Pharmacy.

Choosing your Primary Care Provider (PCP)

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP can be a physician, physician assistant, nurse practitioner, or other health care professional that meet state requirements and is trained to provide you basic medical care. Healthcare professionals are eligible to provide you services as a PCP in our Plan, when they are licensed to practice in areas such as: family medicine, general practice, geriatrics, or internal medicine. Once you have chosen a PCP, please make sure to transfer all of your medical history to their office, in order for your PCP to be informed of any medical conditions you may have. Your PCP can help coordinate your routine medical care, laboratory tests, x-rays, therapies, specialty care, hospital admissions, and appointments.

The network providers listed in this directory have agreed to provide you with your health care and supplemental services. You may go to any of our network providers listed in this directory. However, some services may require a referral. In most situations, if you need specialized treatment your PCP must give you a “referral” to see a network specialist. If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or that hospital. A referral is a written order from your PCP to see a specialist or receive other medical services. It is very important you get a referral from your PCP before you see a network specialist or other providers. If you do not get a referral you may have to pay for these services yourself. However, there are a few exceptions such as: women’s preventive healthcare, flu shots, Hepatitis B vaccinations, pneumonia vaccinations and urgently needed services. Other providers are available in our network.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

At times, your PCP may request a service that is unavailable or not provided within our network. Your PCP may need to get an approval ahead of time from Molina Medicare Choice Care Select to authorize this service referral. This process is called “prior authorization.” If you have questions or concerns about a prior authorization, you may call Member Services.

How to change your PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at (866) 472-4584, 7 days a week, 8:00 a.m. to 8:00 p.m., local time (Hours may vary per Open Enrollment). TTY users should call 711. Member Services will verify if your choice of PCP is accepting new patients. Once your new PCP has been assigned, you will receive a new member ID card by mail with your new PCP's contact information. If your PCP leaves Molina Medicare Choice Care Select, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

Getting care outside the Plan's service area

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Molina Medicare Choice Care Select will be responsible for the costs. However, you may receive care from out-of-network provider if you are temporarily outside the Plan's service area and cannot get care from a network provider, or require urgently needed services. If you have questions about whether a service is covered when you are outside the service area, please call Member Services.

Getting care if you have a medical emergency or an urgent need for care

A “**medical emergency**” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered emergency medical care when needed, anywhere in the United States. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don't need to get approval or a referral first from your doctor or other network provider.

“**Urgent Care**” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, call your PCP first. If they are not available, look in this Provider Directory for an urgent care center. You generally must use network providers (refer to the Evidence of Coverage).

Out-Of-Network Provider Bills

If you receive services from out-of-network providers, you may get billed directly. **Do not** pay this bill. Please make a copy for your records and mail the original statement for processing and determination of your liability, if any. For more information, please refer to the EOC in Chapter 7.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de Molina Medicare Choice Care Select. Si desea obtener información detallada acerca de su cobertura para atención médica, consulte su Evidencia de Cobertura (Evidence of Coverage, EOC).

Los proveedores de la red son profesionales de atención médica como doctores, grupos médicos, especialistas y centros de atención médica (es decir, hospitales o proveedores de equipos médicos duraderos) que tienen un contrato con Molina Medicare Choice Care Select para proporcionarle los servicios cubiertos. Puede utilizar este directorio que lo(a) ayudará a seleccionar un Proveedor de Cuidados Primarios, un Especialista, un Proveedor de Servicios y Apoyo a Largo Plazo, un Hospital, un Centro de Cuidado Experto, un Proveedor de Salud Mental Ambulatoria y/o una Farmacia.

Cómo elegir a su Proveedor de Cuidados Primarios (PCP)

Tendrá que elegir a uno de los proveedores de nuestra red que aparecen en este directorio para que sea su Proveedor de Cuidados Primarios (Primary Care provider, PCP). Por lo general, su PCP debe brindarle servicios de atención médica. Su PCP puede ser un médico, un médico asociado, personal de enfermería especializada u otro profesional de atención médica que cumpla con los requisitos estatales y que esté capacitado para brindarle atención médica básica. Los profesionales de atención médica son elegibles para proporcionarle servicios como PCP en nuestro Plan, siempre y cuando estén autorizados para ejercer en áreas como medicina de familia, medicina general, geriatría o medicina interna. Una vez que haya elegido un PCP, asegúrese de transferir todos sus antecedentes médicos a su consultorio, de modo que se le informe a su PCP acerca de cualquier afección médica que usted padezca. Su PCP puede ayudarlo(a) a coordinar su atención médica de rutina, pruebas de laboratorio, radiografías, tratamientos, cuidado especializado, admisiones hospitalarias y citas.

Los proveedores de la red que se incluyen en este directorio han acordado brindarle atención médica y servicios suplementarios. Puede acudir a cualquiera de nuestros proveedores de la red que se incluyen en este directorio. Sin embargo, algunos servicios podrían requerir una remisión. En la mayoría de los casos, si necesita tratamiento especializado, su PCP debe proporcionarle una “remisión” para que consulte a un especialista en la red. Si desea acudir a un determinado especialista o un hospital, asegúrese primero de que su PCP pueda realizar remisiones a ese especialista o a ese hospital. Una remisión es una solicitud por escrito de parte de su PCP para que consulte a un especialista o reciba otros servicios médicos. Es muy importante que obtenga una remisión de su PCP antes de consultar a un especialista de la red u otros proveedores. Si no obtiene una remisión, es posible que deba pagar por estos servicios usted mismo(a). Sin embargo, existen algunas excepciones, tales como las que se indican a continuación: atención médica preventiva para mujeres, vacunas contra la gripe, vacunas contra la Hepatitis B, vacunas contra la neumonía y servicios requeridos urgentemente. En nuestra red, se encuentran disponibles otros proveedores.

Si tiene dudas acerca de si pagaremos por cualquier servicio o atención médica que desea obtener, tiene derecho a consultarnos si lo(a) cubriremos antes de obtener dicho servicio o atención médica. En ciertas ocasiones, su PCP puede solicitar un servicio que no está disponible o que no se proporciona dentro de nuestra red. Es posible que su PCP deba obtener una aprobación con anticipación de parte de Molina Medicare Choice Care Select

para autorizar esta remisión de servicio. Este proceso se denomina “autorización previa”. Si tiene preguntas o inquietudes sobre una autorización previa, puede llamar al Departamento de Servicios para Miembros.

Cómo cambiar de PCP

Puede cambiar de PCP por cualquier razón, en cualquier momento. Para ello, solo llame al Departamento de Servicios para Miembros al (866) 472-4584, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local (Las horas pueden variar según la inscripción abierta). Los usuarios de TTY deben llamar al 711. El personal del Departamento de Servicios para Miembros verificará si el PCP que usted elige acepta nuevos pacientes. Una vez que se haya asignado su nuevo PCP, recibirá una nueva tarjeta de identificación del miembro por correo con la información de contacto de su nuevo PCP. Si su PCP se retira de Molina Medicare Choice Care Select, se lo informaremos y lo(a) ayudaremos a elegir otro PCP para que pueda continuar recibiendo los servicios cubiertos.

Cómo obtener atención fuera del área de servicio del Plan

Debe recurrir a proveedores de la red, excepto en casos de emergencia o cuidado urgente o bien en el caso de diálisis renales u otros servicios fuera del área. Si obtiene atención médica rutinaria de proveedores fuera de la red, ni Medicare ni Molina Medicare Choice Care Select serán responsables de los costos. Sin embargo, puede recibir atención de un proveedor fuera de la red si se encuentra provisionalmente fuera del área de servicio del Plan y no puede obtener atención de un proveedor de la red, o bien necesita obtener servicios requeridos urgentemente. Si desea saber si un servicio tiene cobertura cuando usted se encuentra fuera del área de servicio, llame al Departamento de Servicios para Miembros.

Cómo obtener atención si tiene una emergencia médica o necesita cuidado urgente

Una “**emergencia médica**” es una situación que ocurre cuando usted considera que su salud está en grave peligro. Una emergencia médica incluye un dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que está empeorando rápidamente. Usted puede recibir cobertura de atención médica de emergencia cuando la necesite y en cualquier lugar de los Estados Unidos. Para solicitar ayuda, llame al 911 o acuda a la sala de emergencias, hospital u otro centro de cuidado urgente más cercano. No es necesario obtener primero la aprobación ni la remisión de su doctor ni de otro proveedor de la red.

“**Cuidado urgente**” se refiere a cuando usted necesita ayuda médica para una enfermedad, lesión o afección imprevista, pero su salud no está en grave peligro. Si tiene una necesidad de atención médica apremiante que no es de emergencia mientras está en el área de servicio, llame primero a su PCP. Si este no se encuentra disponible, busque un centro de cuidado urgente en este Directorio de Proveedores. Generalmente, debe atenderse con proveedores de la red (consulte la Evidencia de Cobertura).

Facturas de los Proveedores Fuera de la Red

Si recibe servicios de proveedores fuera de la red, es posible que se le facture directamente. **No** pague la factura. Haga una copia para sus registros y envíe por correo el estado de cuenta original para procesarla y determinar su responsabilidad, si la hubiera. Si desea obtener más información, consulte la EOC en el Capítulo 7.
