 - Oncologists care for patients with cancer.

 - Other Molina Dual Options MyCare Ohio Management Team members, who know you and your health care needs

It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you. You may be able to have a specialist act as your PCP. You may need this if you have complex medical needs. We have a network of specialist providers to care for our members. If you need a specialist as your PCP, Member Services can help you find one.

To choose a PCP, go to the list of providers on page 26 and:

- choose a provider that you use now, **or**
- choose a provider who has been recommended by someone you trust, **or**
- choose a provider whose offices are easy for you to get to.

You can also use our Provider/Pharmacy Directory to find a PCP in the Molina Dual Options MyCare Ohio network. The directory is on our website at **MolinaHealthcare.com/OHMMPMaterials**. If you need a printed copy of the directory or help picking a PCP, call Member Services. You can also call your Care Manager for help.

- Keep in mind that if you do not choose a PCP, Molina Dual Options MyCare Ohio will choose one for you. If you would like to pick a new PCP, call Member Services or your Care Manager.

B3. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS) which are also called Medicaid “waiver services,” such as services that help with bathing, dressing, grooming, transfers, feeding, meals, chores, transportation and homemaking as a Molina Dual Options MyCare Ohio member. LTSS gives assistance to help you stay at home instead of going to a nursing home or hospital.

If you need help with daily activities, ask your Molina Dual Options MyCare Ohio Care Manager or Call Member Services at (855) 665-4623, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

B4. OhioRISE providers

We also will help you coordinate services with the OhioRISE plan if you receive their services. You can find information about the OhioRISE plan and available network providers at: AetnaBetterHealth.com/OhioRISE

B5. How to identify providers in Molina Dual Options MyCare Ohio's network

You must get all of your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers “network providers.”

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care, or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment with Molina Dual Options MyCare Ohio, you can go-to your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or “waiver services” providers.

You can also go outside the plan if Molina Dual Options MyCare Ohio gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You can change your PCP once a month. If you ask to change your PCP during your first 30 days with the plan, the change will happen right

away. If you ask any time after your first 30 days, the change will happen on the first day of the next month. We recommend you first visit your PCP to get to know him or her before changing. You can call Member Services if you want to learn more about any of our providers.

- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you go to a specialist or get other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Molina Dual Options MyCare Ohio works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- Based on the Americans with Disabilities Act (ADA), this directory lists the accommodations a provider's office needs to be accessible for persons with disabilities. When looking for a provider in this directory, check the footer for the symbols that tell you how accessible a provider's office is to persons with disabilities. When you see the ♿ symbol for "Basic Accessibility," that means the provider's office has:
 - Accessible parking.
 - Parking spaces that are easy to get to.
 - A parking area with ramps and curb cutouts.
 - Automatic entry or another entry option.
 - Elevator for public use with enough room for a wheelchair or scooter.
 - Restroom with large stall and safety bars.
 - Waiting area with enough room for a wheelchair or scooter to move and turn.
 - At least one exam room ready to serve persons with disabilities
 - Clear signs that help patients easily find their way.
 - Doors to building, office and patient rooms that are at least 32 inches wide.
- If you need to go to a provider and are not sure if they offer the accommodations you need, Molina Dual Options MyCare Ohio can help you. Talk to your care manager for assistance.

B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de Proveedores y Farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeras, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (LTSS, Long Term Services and Support), suministros, medicamentos recetados, equipos y otros servicios.
 - El término proveedores también incluye centros tales como hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y apoyo a largo plazo.
 - A los proveedores que son parte de la red de nuestro plan les llamamos proveedores de la red.
- Los **proveedores de la red** son los proveedores que tienen contrato con nosotros para proporcionar servicios a los miembros de nuestro plan. Por lo general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Cuando usted visita a un proveedor de la red, por lo general, no paga nada por los servicios cubiertos.
- Un **Proveedor de Cuidados Primarios** (PCP, Primary Care Provider) es un doctor, una enfermera especializada (CNP, Certified Nurse Practitioner), un médico asociado u otro profesional de atención médica que le brinda atención médica de rutina. Su PCP mantendrá su historia clínica y conocerá sus necesidades de salud con el tiempo.
- Los **especialistas** son doctores que prestan servicios de atención médica para una enfermedad específica o parte del cuerpo. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
 - Los oncólogos se ocupan de los pacientes con cáncer.
 - Los cardiólogos atienden a pacientes con afecciones cardíacas.
 - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
 - Por lo general, no necesita la aprobación de su PCP (que se denomina **remisión**) para consultar a otros proveedores de la red. Es importante que

se comunique con su PCP antes de ver a un proveedor especialista o después de una visita urgente o al departamento de emergencias. Esto permite que su PCP administre su atención para conseguir los mejores resultados.

- También tiene acceso a un administrador de cuidados y a un equipo de cuidados que usted elija. Su PCP trabajará en estrecha colaboración con su administrador de cuidados y su equipo de cuidados.
 - Su **administrador de cuidados** lo ayuda a gestionar todos sus proveedores y servicios. Trabaja con su equipo de cuidados para asegurarse de que reciba la atención que necesita.
- Su **equipo de cuidados** incluye a los siguientes integrantes:
