B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
    - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

- A **Primary Care Provider** (PCP) is a doctor, certified nurse practitioner (CNP), physician assistant or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You usually do not need approval from your PCP (called a **referral**) to see other network providers. It is important to tell your PCP before you see a specialist provider or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.
- All female members are allowed to self-refer to certified nurse midwives (CNMs), obstetricians and gynecologists on Molina Dual Options MyCare Ohio's provider panel. In addition, female members are also allowed to self-refer to women's health specialists on the Molina Dual Options MyCare Ohio's panel for routine and preventative health care services if their PCP is not a women's health specialist. For a list of women's health specialists on Molina Dual Options MyCare Ohio's panel, please call Member Services at (855) 665-4623, Monday – Friday, 8 a.m. to 8 p.m., local time. TTY users should call 711. The call is free.
- You may need a referral from your PCP for some services, like Acupuncture or out-of-network care, before they will be covered by our plan. Talk to your PCP to find out if you need a referral.
- You also have access to a care manager and a care team that you choose. Your PCP will work closely with your care manager and care team.
    - Your **care manager** helps you manage all your providers and services. He or she works with your care team to make sure you get the care you need.
- Your **care team** includes
    - You
    - Your family members and/or caregiver(s)
    - Your Primary Care Provider (PCP)
    - Your Care Manager

        - Other health care professionals who provide care to you
    - Other Molina Dual Options MyCare Ohio Care Management Team members, who know you and your health care needs.
    - Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you. You may be able to have a specialist act as your PCP. You may need this if you have complex medical needs. We have a network of specialist providers to care for our members. If you need a specialist as your PCP, Member Services can help you find one.

To choose a PCP, go to the list of providers on page 21 and:

- choose a provider that you use now, **or**
- choose a provider who has been recommended by someone you trust, **or**
- choose a provider whose offices are easy for you to get to.

You can also use our Provider/Pharmacy Directory to find a PCP in the Molina Dual Options MyCare Ohio network. The directory is on our website at MolinaHealthcare.com/Duals. If you need a printed copy of the directory or help picking a PCP, call Member Services. You can also call your Care Manager for help.

- Keep in mind that if you do not choose a PCP, Molina Dual Options MyCare Ohio will choose one for you. If you would like to pick a new PCP, call Member Services or your Care Manager.
- If you want help in choosing a PCP, please call Member Services at (855) 665-4623, Monday – Friday, 8 a.m. to 8 p.m., local time. TTY users should call 711. The call is free. Or, visit MolinaHealthcare.com/Duals.
- If you have questions about whether any service or care that you want or need is covered, talk to your care manager or call Member Services to ask before you get the service or care.

- Members may be assigned to a Primary Care Clinic and must see whichever provider is available. A Primary Care Clinic is a clinic which acts as a primary care provider.

B3. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS) which are also called Medicaid "waiver services," such as services that help with bathing, dressing, grooming, transfers, feeding, meals, chores, transportation and homemaking as a Molina Dual Options MyCare Ohio member. LTSS gives assistance to help you stay at home instead of going to a nursing home or hospital.

If you need help with daily activities, ask your Molina Dual Options MyCare Ohio Care Manager or Call Member Services at (855) 665-4623, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time.

B4. How to identify providers in Molina Dual Options MyCare Ohio's network

You must get all of your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers "network providers."

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care, or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment with Molina Dual Options MyCare Ohio, you can see your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or "waiver services" providers.

You can also go outside the plan if Molina Dual Options MyCare Ohio gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You can change your PCP once a month. If you ask to change your PCP during your first 30 days with the plan, the change will happen right away. If you ask any time after your first 30 days, the change will happen on the first day of the next month. We recommend you first visit your PCP to get to know him or her before changing. You can call Member Services if you want to learn more about any of our providers.

- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are seeing a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.

- Molina Dual Options MyCare Ohio works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network

providers in this Directory includes information about the accommodations they provide.

- Based on the Americans with Disabilities Act (ADA), this directory lists the accommodations a provider's office needs to be accessible for persons with disabilities. When looking for a provider in this directory, check the footer for the symbols that tell you how accessible a provider's office is to persons with disabilities. When you see the ✣ symbol for "Basic Accessibility," that means the provider's office has:
    - Accessible parking.
    - Parking spaces that are easy to get to.
    - A parking area with ramps and curb cutouts.
    - Automatic entry or another entry option.
    - Elevator for public use with enough room for a wheelchair or scooter.
    - Restroom with large stall and safety bars.
    - Waiting area with enough room for a wheelchair or scooter to move and turn.
    - At least one exam room ready to serve persons with disabilities.
    - Clear signs that help patients easily find their way.
    - Doors to building, office and patient rooms that are at least 32 inches wide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options MyCare Ohio can help you. Talk to your care manager for assistance.

You can also visit MolinaHealthcare.com/Duals for a current list of network providers.

B. Proveedores

B1. Términos clave

Esta sección explica los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias.*

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, tales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidados y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (LTSS), suministros, medicamentos recetados, equipos y otros servicios.
    - El término proveedores también incluye centros tales como hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y apoyo a largo plazo.
    - A los proveedores que son parte de la red de nuestro plan les llamamos proveedores de la red.
- Los **proveedores de la red** son los proveedores que tienen contrato con nosotros para proporcionar servicios a los miembros de nuestro plan. Los proveedores de nuestra red, de manera general, nos cobran directamente por el cuidado que le brindan a usted. Cuando visita a un proveedor de la red, por lo general usted no paga nada por los servicios cubiertos.
- Un **Proveedor de Atención Primaria** (PCP) es un médico, una enfermera certificada (CNP), un asistente médico u otro profesional de atención médica que le brinda atención médica de rutina. Su PCP mantendrá sus registros médicos y conocerá sus necesidades de salud con el tiempo.

- **Los especialistas** son médicos que prestan servicios de atención médica para una enfermedad específica o parte del cuerpo. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
    - Los oncólogos se ocupan de los pacientes con cáncer.
    - Los cardiólogos atienden a pacientes con afecciones cardíacas.
    - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Por lo general, no necesita la aprobación de su PCP (llamada **remisión**) para ver a otros proveedores de la red. Es importante que se comunique con su PCP antes de ver a un proveedor especialista o después de una visita urgente o al departamento de emergencias. Esto le permite a su PCP administrar su atención médica de manera que obtenga los mejores resultados.
- Todos los miembros femeninos pueden autoremitirse a enfermeras parteras certificadas (CNM, por sus siglas en inglés), a obstetras y ginecólogos dentro del panel de proveedores de Molina Dual Options MyCare Ohio. Además, los miembros femeninos también pueden autoremitirse a los especialistas de la salud de la mujer del panel del Molina Dual Options MyCare Ohio para obtener servicios de atención médica rutinaria y preventiva, en caso de que su PCP no sea un especialista de la salud de la mujer. Para obtener una lista de especialistas en salud de mujeres en el panel de Molina Dual Options MyCare Ohio, por favor llame a Servicios para Miembros al (855) 665-4623, de lunes a viernes, de 8 a. m. a 8 p. m., hora local. Los usuarios de TTY deben llamar al 711. Esta llamada es gratuita.
- Usted puede necesitar una remisión de su PCP para algunos servicios, como la acupuntura o la atención fuera de la red, antes de que estén cubiertos por nuestro plan. Hable con su PCP para averiguar si necesita una remisión.

- También tiene acceso a un administrador de atención médica y a un equipo de atención médica que usted elija. Su PCP trabajará en estrecha colaboración con su administrador de atención y su equipo de atención.
    - Su **administrador de atención** lo ayuda a gestionar todos sus proveedores y servicios. Él o ella trabaja con su equipo de atención para asegurarse de obtener el cuidado que usted necesita.
- Su **equipo de atención** incluye
    - Usted
    - Sus miembros familiares y cuidador(es).
    - Su Proveedor de Atención Primaria (PCP)
    - Su Administrador de Cuidados

- Otros profesionales de atención de la salud que le brindan servicios de cuidado a usted.

- Otros miembros del equipo de Administración de Cuidados de Molina Dual Options MyCare Ohio que lo conozcan y estén familiarizados con sus necesidades de atención médica.

- Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

B2. Proveedor de Atención Primaria (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un Proveedor de atención primaria o PCP. Si no elige un PCP, le asignaremos uno. Es posible que pueda tener a un especialista como su PCP. Si necesita que un especialista sea su PCP, el Departamento de Servicios para Miembros le puede ayudar a encontrarlo.

Para elegir un PCP, consulte la lista de proveedores en la página 21 y:

- elija un proveedor de los que utiliza actualmente, **o**
- elija un proveedor que le fue recomendado por alguien de confianza, **o**

Los LTSS le brindan ayuda a usted para que permanezca en su casa en lugar de acudir a una residencia para ancianos o a un hospital.

Si necesita ayuda con las actividades diarias, hable con su administrador de atención de Molina Dual Options MyCare Ohio o llame al Departamento de Servicios para Miembros al (855) 665 - 4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local.

B4. Cómo identificar proveedores de la red de Molina Dual Options MyCare Ohio

Usted debe obtener todos sus servicios cubiertos a través de los proveedores dentro de nuestra red. Estos proveedores tienen el compromiso de trabajar con nosotros y brindarle servicios a usted. Llamamos a estos proveedores "proveedores de la red."

Las excepciones a esta regla son cuando usted necesite atención médica a largo plazo en una residencia para ancianos, atención de emergencia o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando usted está lejos de casa. También, por un período específico de tiempo luego de que se inscriba en Molina Dual Options MyCare Ohio, puede ver sus médicos fuera de la red y otros proveedores de servicios, lo que incluye residencia para ancianos y proveedores de asistencia para las actividades de la vida diaria, enfermeras para atención médica domiciliaria, auxiliares y LTSS o proveedores de "servicios de exención."

También puede ir fuera del plan si Molina Dual Options MyCare Ohio le da permiso primero. Comuníquese con el Departamento de Servicios para Miembros para solicitar el uso de proveedores fuera de nuestra red, de modo que podamos hacer arreglos para usted.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si ha estado consultando a un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Usted puede cambiar su PCP una vez al mes. Si solicita cambiar su PCP durante los primeros 30 días en el plan, el cambio entrará en vigor inmediatamente. Si su solicitud se realiza en cualquier momento luego de los primeros 30 días, el cambio ocurrirá el primer día del próximo mes. Sin embargo, le recomendamos que primero consulte a su PCP para conocerlo antes de cambiar. Puede comunicarse con el Departamento de Servicios para Miembros si desea obtener más información sobre nuestros proveedores.

- Recuerde que los PCP de nuestro plan están afiliados a grupos médicos. Si cambia su PCP, puede estar cambiando también grupos médicos. Cuando solicite el cambio, asegúrese de comunicarle al Departamento de Servicios para Miembros si está viendo a un especialista u obteniendo otros servicios cubiertos que requieran la aprobación del PCP. El Departamento de Servicios para Miembros se asegurará de que pueda continuar con su atención especializada cuando cambie su PCP.
