E2. Changes to drug coverage

Changes to our *Drug List*

An updated *List of Covered Drugs* is located on our website at MolinaHealthcare.com/Medicare. You may also call Member Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*.

The *List of Covered Drugs* is also called the *Drug List*.

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes that are allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you have questions, please call Molina Complete Care for MyCare Ohio (HMO D-SNP) at (855) 665-4623, (TTY: 711), Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at the numbers at the bottom of the page or contact your care coordinator to ask for a *List of Covered Drugs* that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Work with your doctor (or other prescriber) and ask us to make an exception to cover the drug.
 - You can ask for an exception before next year, and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement).
 - To learn what you must do to ask for an exception, refer to **Chapter 9** of your *Member Handbook* or call Member Services at the numbers at the bottom of the page.
 - If you need help asking for an exception, contact Member Services or your care coordinator. Refer to **Chapters 2 and 3** of your *Member Handbook* to learn more about how to contact your care coordinator.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.

If you have questions, please call Molina Complete Care for MyCare Ohio (HMO D-SNP) at (855) 665-4623, (TTY: 711), Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

- This temporary supply is for up to 31 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)
- When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

If your formulary exception is approved, you will be notified of how long the approval will last. In most cases, approvals are given for one year. You will need to request a new formulary exception once your approval expires.

Changes to drug costs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay depends on which stage you're in when you get a prescription filled or refilled.

These are the two stages:

<p style="text-align: center;">Stage 1 Initial Coverage Stage</p>	<p style="text-align: center;">Stage 2 Catastrophic Coverage Stage</p>
<p>During this stage, our plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2026.</p> <p>You begin this stage after you pay a certain amount of out-of-pocket costs.</p>

If you have questions, please call Molina Complete Care for MyCare Ohio (HMO D-SNP) at (855) 665-4623, (TTY: 711), Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

The Initial Coverage Stage ends when your total out-of-pocket costs for drugs reaches **\$2,100**. At that point, the Catastrophic Coverage Stage begins. Our plan covers all of your drug costs from then until the end of the year. Refer to **Chapter 6** of your *Member Handbook* for more information on how much you'll pay for drugs.

Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount program don't count toward out-of-pocket costs.

E3. Stage 1: "Initial Coverage Stage"

During the Initial Coverage Stage, our plan pays a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

We moved some of the drugs on our *Drug List* to a lower or higher drug tier. If your drugs move from tier to tier, this could affect your copay. To find out if your drugs are in a different tier, look them up in our *Drug List*.

The following table shows your costs for a one-month supply filled at a network pharmacy with standard copays in each of our six drug tiers. These amounts apply **only** during the time when you're in the Initial Coverage Stage.

If you have questions, please call Molina Complete Care for MyCare Ohio (HMO D-SNP) at (855) 665-4623, (TTY: 711), Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. G. Choosing a plan

G1. Staying in our plan

We hope to keep you as a plan member. You don't have to do anything to stay in our plan. Unless you sign up for a different Medicare plan or change to Original Medicare, you'll automatically stay enrolled as a member of our plan for 2026.

G2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have Medicaid, you can end your membership in our plan any month of the year. Since Molina Complete Care for MyCare Ohio covers both Medicare and Medicaid services, your Medicaid coverage is aligned to match your selected MyCare Medicare plan. As long as you're enrolled in this MyCare plan for your Medicare benefits, your Medicaid enrollment will be with Molina Complete Care for MyCare Ohio plan as well.

In addition, you may end your membership in our plan during the following periods:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

If you have questions, please call Molina Complete Care for MyCare Ohio (HMO D-SNP) at (855) 665-4623, (TTY: 711), Hours are October 1 - March 31: 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you moved out of our service area,
- your eligibility for Medicaid or Extra Help changed, **or**
- you recently moved into or are currently getting care in an institution (like a skilled nursing facility or a long-term care hospital). If you recently moved out of an institution, you can change plans or change to Original Medicare for two full months after the month you move out.

Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section G2**. By choosing one of these options, you automatically end your membership in our plan. You may also make a selection of a different integrated MyCare Ohio plan in any month of the year. This will result in your membership with us ending, and your enrollment will transfer to the MyCare plan you choose for both your Medicare and Medicaid benefits on the first of the month following when your selection is made.
