Health Management Programs

Molina Dual Options offers Health Management Programs to Members with a chronic health condition. You are enrolled in Molina Dual Options' **Healthy Living with Diabetes[®]** program. This program is for Members who have diabetes.

This program offers learning materials, advice and care tips. A nurse care manager may contact you. The nurse will work with you and your provider to help you stay well. It is your choice to be in this program. If you do not want to be a part of a program, please let us know. Call us toll-free at (866) 891-2320, TTY/TDD: 711, 4 a.m. to 8 p.m. PST, Monday through Friday.

Manage Your Diabetes

Type 2 Diabetes occurs when your body resists the effects of insulin. Over time, your pancreas cannot make enough insulin to maintain a normal blood glucose level.

You can manage your diabetes. Take your medicine as directed by your provider. Monitor your blood glucose levels at home. Write down your results. See your provider often to manage your diabetes. Your provider will do blood tests, eye, foot and dental exams, and offer an annual flu shot.

Medicine Refills

Talk to your provider to learn what options you have to refill your medicine. Your medicine is important to help you manage your diabetes.
