COVID-19 – Stay Informed

How to protect yourself & others

Stay Informed on updates from the [CDC](#) and the [SCDHEC](#).

Tips to Protect Yourself

- Wash your hands frequently with soap and water or alcohol-based rub
- Maintain social distancing (6 ft)
- Avoid touching eyes, nose & mouth
- If you have a fever, cough, and difficulty breathing, seek medical care early
- Wear a cloth mask that covers your nose and mouth while in public

Telehealth (Virtual Visits)

Doctor's offices are taking extra measures to ensure your safety and comfort in the office during well or sick visits, and may offer telehealth options. Preventative screenings are key for staying healthy, so it is important to stay on track, even during these difficult times. Call your doctor today to make an appointment. You can also call member services to help you find a doctor and make an appointment.

Several South Carolina health systems are offering telehealth options to the public. These options are available to anyone experiencing COVID-19 symptoms in South Carolina.
