B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY: 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

- Referrals from your network PCP are not needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
 - services from a women's health specialist.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **care coordinator** and a **Care Team** that you choose.
 - A **care coordinator** helps you manage your medical providers and services.
 - Your **Care Team** is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Unless you tell us otherwise, your Care Team will include:
 - you
 - your care coordinator
 - your Primary Care Provider (PCP)
 - your behavioral health clinician (if you have one)
 - your long-term services and supports (LTSS) providers (if you have them). These include:
 - your Home Again Transition Coordinator
 - your waiver services provider
 - your Community Long Term Care (CLTC) waiver case manager
 - a pharmacist, **and**
 - representatives from the facility where you get care
 - Your Care Team **can also include** the following people, if it is appropriate and if you agree:
 - nurses, specialists, social workers, and other people who can provide expert advice
 - family members
 - other informal caregivers
 - advocates

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY: 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

- state agency or other case managers
- Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider.

To choose a PCP, refer to the list of providers on page 24 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call your care coordinator at (855) 735-5831, TTY: 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time. The call is free. TTY: 711. You can also call Member Services or visit our website using the information at the bottom of the page.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B4. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as environmental modification (minor changes to your home), pest control, home delivered meals, and respite care (relief for your primary caregiver, either in an in-patient facility or at your home).

LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

- Community Choices waiver

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY: 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

Members on different waivers can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join one of these waivers. Your care coordinator can give you information about how to apply for an appropriate waiver, and all of the resources available to you under the plan.

B5. How to identify providers in Molina Dual Options' Capital Network

You may need a referral for someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this Directory on page 8.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization (PA) or approval from us), you will have to pay the bill.

A PA is an approval from Molina Dual Options before you can get a specific service or drug or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are during your first 180 days in our plan or when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can also use providers outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP. All changes made will be in effect on the first day of the following month, with the following exceptions:
 1. If the member is calling from the provider's office, the effective date will be the date of the phone call.
 2. If the member is in their first month of enrollment, the effective date will be the first day of the current month.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your care coordinator for assistance.

B6. How to find Molina Dual Options providers in your area

B7. List of network providers

This Directory of Molina Dual Options' network providers contains:

- **Health care professionals** including primary care providers, specialists, and mental health providers;
- **Facilities** including hospitals, nursing facilities, Federally Qualified Health Centers (FQHCs), and infusion centers; **and**
- **Support providers** including long-term services and supports (LTSS) providers of adult day health care, attendant care, companion services, environmental modification, home-delivered meals, incontinence supplies, nutritional supplements, personal care services, Personal Emergency Response System (PERS), private duty nursing, respite care, and specialized medical equipment and supplies.

In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training.

The total count of each provider type will be shown at the beginning of each provider type listing.

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

C. Molina Dual Options' network providers

En esta sección, se explican los términos clave que encontrará en nuestro *directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Si tiene alguna pregunta, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días de la semana, de 8:00 a.m. a 8:00 p.m., hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Duals.

necesidades de salud a lo largo del tiempo. Su PCP también le dará una remisión en caso de que necesite consultar a un especialista u otro proveedor.

- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
 - Los oncólogos atienden a los pacientes con cáncer.
 - Los cardiólogos atienden a pacientes con afecciones cardíacas.
 - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Usted puede necesitar una **remisión** para ver a un especialista o a alguien que no es su PCP. Una **remisión** significa que su proveedor de cuidados primarios (PCP) debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si usted no obtiene una remisión, Molina Dual Options no podrá cubrir el servicio.
 - Las remisiones de parte de su PCP de la red no son necesarias para lo siguiente:
 - atención de emergencia.
 - atención médica requerida urgentemente.
 - servicios de diálisis renal que obtenga de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan; ○
 - servicios de un especialista en salud de la mujer.
 - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagarles a los proveedores de servicios de salud para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.
 - Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- También tiene acceso a un **coordinador de cuidados** y a un **Equipo de Cuidados** de su elección.

Además, le brindan servicios de apoyo en la comunidad o en una instalación. Usted es un miembro de su Equipo de Cuidados, y usted nos puede decir quién más le gustaría que participara. - en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros.

En primer lugar, deberá elegir un Proveedor de Cuidados Primarios.

Si tiene alguna pregunta, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días de la semana, de 8:00 a.m. a 8:00 p.m., hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Duals.

- cuyo consultorio sea de fácil acceso para usted.
- Si desea ayuda para elegir un PCP, llame a su coordinador de cuidados al (855) 735-5831, TTY: 711, Los 7 días de la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. TTY: 711. - Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de obtener el servicio o la atención.

B4. Servicios y Apoyo a Largo Plazo (LTSS)

Puede optar a recibir servicios y apoyo a largo plazo (long-term services and supports, LTSS), tales como modificaciones ambientales (adaptaciones menores a su hogar), control de plagas, comidas a domicilio y servicios de cuidado de respiro (alivio para su cuidador primario, ya sea en un centro de internación o en su hogar).

Los LTSS ayudan a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse y preparar las comidas. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podría proporcionarse en una residencia para ancianos o en un hospital.

Los LTSS están a disposición de los miembros en determinados programas de exención administrados por la División de atención a largo plazo en la comunidad (CLTC) de Healthy Connections Medicaid. Esas exenciones son las siguientes:

- Exención de opciones comunitarias
- Exención para VIH/SIDA
- Exención para dependiente de ventilación mecánica

Los miembros con diferentes exenciones pueden obtener distintas clases y sumas de LTSS. Si cree que necesita LTSS, puede consultar a su coordinador de cuidados cómo acceder a ellos y si puede unirse a una de estas excepciones. Su coordinador de cuidados puede proporcionarle información sobre cómo aplicar para una exención adecuada y todos los recursos que se encuentran a su disposición bajo el plan.

B5. Cómo identificar a los proveedores de la red de Molina Dual Options Capital Network

Es posible que necesite una remisión para consultar a alguien que no sea un Proveedor de Cuidados Primarios. Hay más información sobre referencias en la Sección B1 de este Directorio en la página 17.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Dual Options (sin aprobación o autorización previa de nuestra parte), usted tendrá que pagar la factura.

Si tiene alguna pregunta, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días de la semana, de 8:00 a.m. a 8:00 p.m., hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Duals.

Una **PA** es una aprobación de Molina Dual Options antes de que pueda recibir un servicio o medicamento específicos, o para consultar a un proveedor fuera de la red. Es posible que Molina Dual Options no cubra el servicio o medicamento si no obtiene la aprobación.

Las excepciones a esta regla son durante sus primeros 180 días en nuestro plan o cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. No hay cobertura de servicios fuera de Estados Unidos, salvo para servicios de emergencia que requieran hospitalización en Canadá o México. También puede salir del plan para recibir otros servicios que no sean de emergencia si Molina Dual Options le otorga el permiso con anterioridad.

- Puede cambiar de PCP dentro de la red, en cualquier momento. Si ha estado viendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Todos los cambios que se realicen entrarán en vigor el primer día del mes siguiente, con las siguientes excepciones:
 1. Si el miembro se está comunicando desde el consultorio del proveedor, la fecha de vigencia será la fecha de la llamada telefónica.
 2. Si el miembro se encuentra en el primer mes de inscripción, la fecha de vigencia será el primer día del mes actual.
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.
- Si necesita a un proveedor y no está seguro de si este le ofrece las adaptaciones que usted necesita, Molina Dual Options puede ayudarlo. Hable con su coordinador de cuidados para recibir asistencia.
