You can get prescription drugs shipped to your home through our network mail order delivery program which is called “**CVS Caremark Mail Service Pharmacy Program.**” The pharmacy will contact you, by phone, to get your approval before shipping any prescriptions. If the pharmacy is unable to reach you for approval, your prescription will not be sent to you.

Typically, you should expect to get your prescription drugs within 14 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at (855) 771-9291, TTY: 711, 24 hours a day, 7 days a week. To learn more about mail-order pharmacies, refer to Chapter 5 of the Member Handbook.

Puede recibir medicamentos recetados enviados a su hogar a través del programa de envío de pedidos por correo de nuestra red, llamado “**Programa de Servicio de Farmacia por Correo de CVS Caremark.**” La farmacia se comunicará con usted telefónicamente para obtener su aprobación antes de enviarle cualquier medicamento recetado. Si la farmacia no puede comunicarse con usted para obtener su aprobación, no podremos enviarle su receta.

Por lo general, debería esperar recibir sus medicamentos recetados en un plazo de 14 días a partir del momento en que el servicio de farmacia por correo recibe el pedido.
