E. List of network pharmacies

This part of the Directory provides a list of pharmacies in Molina Dual Options' network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

Molina Dual Options members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Molina Dual Options *Member Handbook* for more information

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Molina Dual Options network pharmacies in your area, please visit our web site or call Member Services using the information at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Molina Dual Options' *List of Covered Drugs.* The List of Covered Drugs can be found at **MolinaHealthcare.com/SCMMPMaterials**.

E1. How to identify pharmacies in our network

Along with retail pharmacies, your plan's network pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies

You are not required to continue using the same pharmacy to fill your prescriptions.

E2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply

of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.

- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**

F. Molina Dual Options' Network pharmacies

Network pharmacy providers in your area are listed in the following sections of this directory. To find a pharmacy using this directory, go to where the Network Pharmacies section begins. Once you are in that section, locate your county and the city you live in. Under each city you will find a list of pharmacies in alphabetical order. You can go to any of the pharmacies in our network. For additional assistance in locating a convenient pharmacy near you, please call the toll-free number displayed within the pharmacy listing.

F2. Mail order pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program which is called CVS Caremark Mail Service Pharmacy Program. The pharmacy will contact you, by phone, to get your approval before shipping any prescriptions. If we are unable to reach you for approval, your prescription will not be sent to you.

Typically, you should expect to get your prescription drugs within 14 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at the number at the bottom of the page. To learn more about mail order pharmacies, see Chapter 5 of the *Member Handbook*.

F3. Home infusion pharmacies

You can get home infusion therapy if Molina Dual Options has approved your prescription and if you get your prescription from an authorized prescriber.
