B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, dental and vision providers, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
    - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or

part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
  - Referrals from *your network PCP* are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - Services from a women's health specialist
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **care coordinator** and a **Care Team** that you help choose.
  - A **care coordinator** helps you manage your medical providers and services
  - Your **Care Team** is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Unless you tell us otherwise, your Care Team will include:
    - You
    - Your care coordinator
    - Your Primary Care Provider (PCP)
    - Your behavioral health clinician (if you have one)
    - Your long-term services and supports (LTSS) providers (if you have them). These include:
      - Your Home Again Transition Coordinator
      - Your waiver services provider

        - Your Community Long Term Care (CLTC) waiver case manager
    - A pharmacist, and
    - Representatives from the facility where you get care
  - Your Care Team **can also include** the following people, if it is appropriate and if you agree:
    - Nurses, specialists, social workers, and other people who can provide expert advice
    - Family members
    - Other informal caregivers
    - Advocates
    - State agency or other case managers
  - Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider.

To choose a PCP, go to the list of providers on page 28 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. TTY: 711. You can also call Member Services or visit our website using the information at the bottom of the page.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B3. Long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as environmental

modification (minor changes to your home), pest control, home delivered meals, and respite care (relief for your primary caregiver, either in an in-patient facility or at your home).

LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

- Community Choices waiver
- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

Members on different waivers can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join one of these waivers. Your care coordinator can give you information about how to apply for an appropriate waiver, and all of the resources available to you under the plan.

B4. How to identify providers in Molina Dual Options' network

You may need a referral for someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this Directory on page 5.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill.

A **prior authorization** is an approval from Molina Dual Options before you can get a specific service or drug or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are during your first 180 days in our plan or when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. All changes made will be in effect on the first day of the following month, with the following exceptions: 1. If the member is calling from the provider's office, the effective date will be the date of the phone call, 2. If the member is in their first month of enrollment, the effective date will be the first day of the current month.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your care coordinator for assistance.

B5. How to find Molina Dual Options providers in your area

You may find a PCP close to where you live by checking the provider listings in this directory. Locate your county and city and then choose a PCP from that list who are accepting new patients ♦. All providers have access to language line interpreters.

You can also visit **MolinaHealthcare.com/SCMMPMaterials** to get the most up-to-date list of network providers.

You can get a printed copy of all information posted on the Molina Dual Options website upon request. If you have questions about Molina Dual Options please call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m., local time.

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de Proveedores y Farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, tales como doctores, enfermeras, farmacéuticos, terapeutas, proveedores de atención dental y de la visión y otros proveedores que proporcionan cuidados y servicios. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de Cuidados Primarios (PCP, Primary Care Provider)** es un médico, enfermera especializada u otro profesional de atención médica que le brinda atención médica de rutina.     - Atención médica requerida urgentemente.
    - Servicios de diálisis renal que usted recibe en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan.
    - Servicios de un especialista en salud para la mujer.
  - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagar al proveedor de salud para indígenas americanos por esos servicios, aunque estén fuera de la red de nuestro plan.
  - Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- También tiene acceso a un **coordinador de cuidados** y a un **equipo de cuidados** que lo ayude a elegir.

- Un **coordinador de cuidados** lo ayuda a gestionar sus proveedores y servicios médicos.
- Su **equipo de cuidados** es un grupo de defensores y proveedores que trabajan en conjunto para brindarle servicios médicos, de salud conductual, psicosociales, sociales y de apoyo a largo plazo en la comunidad o en un centro. Usted es un miembro de su equipo de cuidados y usted nos puede decir quién más le gustaría que participara. A menos que nos diga lo contrario, su equipo de cuidados incluirá:
  - Usted
  - Su coordinador de cuidados
  - Su Proveedor de Cuidados Primarios (PCP)
  - Su médico de salud conductual (si tuviera uno)
  - Sus proveedores de servicios y apoyo a largo plazo (LTSS) (si tuviera). A continuación se listan algunos:
    - Su coordinador de transición de Home Again.
    - Su proveedor de servicios de exención.
    - Su administrador de casos de exención de Atención a Largo Plazo en la Comunidad (CLTC, Community Long Term Care).
  - Un farmacéutico y
  - Representantes del centro en el que recibe la atención.
- Su equipo de cuidados **también puede incluir** a las siguientes personas, si corresponde y usted lo desea:
  - Enfermeras, especialistas, asistentes sociales y otras personas que puedan proporcionar asistencia profesional
  - Familiares
  - Otros cuidadores informales
  - Defensores
  - Organismos estatales u otros administradores de casos
- Todos los miembros del equipo de cuidados trabajan en conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que las pruebas y los análisis de laboratorio se realicen una vez y de que los resultados se compartan con los proveedores apropiados. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

B2. Proveedor de Cuidados Primarios (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un Proveedor de Cuidados Primarios.

Para elegir un PCP, consulte la lista de proveedores en la página 28 y elija un proveedor:

- que lo esté atendiendo en estos momentos, **o**
- que le fue recomendado por alguien de confianza, **o**
- cuyo consultorio es de fácil acceso para usted.
- Si necesita ayuda para elegir a un PCP, llame al (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. La llamada es gratuita. TTY: 711. También puede llamar al Departamento de Servicios para Miembros (Member Services Department) o visitar nuestra página web utilizando la información que aparece en la parte inferior de la página.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros (Member Services Department) y pregunte **antes** de obtener el servicio o la atención.

B3. Servicios y Apoyo a Largo Plazo (LTSS)

Puede recibir servicios y apoyo a largo plazo (LTSS), como modificación ambiental (modificaciones menores a su hogar), control de pestes, entrega de comidas al domicilio y servicios de relevo (alivio para su cuidador primario, ya sea en el hogar o en un hospital).

Los LTSS brindan ayuda a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse y preparar las comidas. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Los LTSS están a disposición de los miembros en determinados programas de exención administrados por la división de Atención a Largo Plazo en la Comunidad (CLTC) de Healthy Connections Medicaid. Esas exenciones son las siguientes:

- Renuncia de opciones comunitarias
- Exención para VIH/SIDA
- Exención para dependiente de ventilación mecánica

Los miembros con diferentes exenciones pueden obtener distintas clases y sumas de LTSS. Si cree que necesita LTSS, puede consultar a su coordinador de cuidados cómo acceder a ellos y si puede unirse a una de estas exenciones. Su coordinador de cuidados puede proporcionarle información sobre cómo aplicar para una exención apropiada y todos los recursos que se encuentran a su disposición bajo el plan.

B4. Cómo identificar proveedores en la red de Molina Dual Options'

Es posible que necesite una remisión para alguien que no sea un Proveedor de Cuidados Primarios. Hay más información sobre remisiones en la Sección B1 de este Directorio en la página 5.

Usted debe obtener todos sus servicios cubiertos a través de los proveedores dentro de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Dual Options' (sin aprobación o autorización previa de nuestra parte), usted tendrá que pagar la factura.

> Una **autorización previa** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o consultar a un proveedor fuera de la red. Molina Dual Options podría no cubrir el servicio o el medicamento si usted no recibe esta aprobación.

Existen excepciones a esta regla durante los primeros 180 días en nuestro plan o cuando usted necesita atención urgente o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando está lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos, excepto los servicios de emergencia que requieran de hospitalización en Canadá o México. También puede salir del plan para otros servicios que no sean de emergencia si Molina Dual Options le otorga el permiso con anterioridad.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento. Si ha estado consultando a un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Todos los cambios que se realicen entrarán en vigor el primer día del mes siguiente, con las siguientes excepciones: 1. Si el miembro se está comunicando desde el consultorio del proveedor, la fecha de vigencia será la fecha de la llamada telefónica, 2. Si el miembro se encuentra en el primer mes de inscripción, la fecha de vigencia será el primer día del mes actual.
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores dentro de la red en este Directorio incluye la información sobre las adaptaciones que proporcionan los proveedores.
- En caso de que necesite un proveedor y no esté seguro de si este le ofrece las adaptaciones que usted necesita, Molina Dual Options puede ayudarlo. Hable con

su coordinador de cuidados para recibir asistencia.

B5. Cómo encontrar proveedores de Molina Dual Options en su área
