## Improving Services to Molina Dual Options STAR+PLUS MMP Members

The Quality of Care You Receive is Important to Us.

Molina Dual Options STAR+PLUS MMP wants you and your family to get the care you need. We have a Quality Improvement (QI) Program to measure how well we do. Each year, we set goals to improve the care and services our members receive. We look to see if our members are getting the exams and tests they need. We also see if you are happy with your care and provider. We listen to what you say so we can improve.

You can find information about our QI Program goals, progress, and results on the website. Please visit the Molina Dual Options STAR+PLUS MMP website at <http://www.molinahealthcare.com/duals>.

# Health Care Fraud, Waste and Abuse

Health care costs go up every year. Health care fraud, waste and abuse are to blame for some of these costs. About 3-10% of the nation's health care costs are due to fraud, waste and abuse. This can be from \$81 to \$270 billion. High health care costs make it hard to fund programs, like Medicaid.

Fraud, waste, and abuse can also affect quality of care. Molina Dual Options STAR+PLUS MMP worries about that. Molina Dual Options STAR+PLUS MMP wants to make sure all members get good quality care.

Molina Dual Options STAR+PLUS MMP has a Special Investigation Unit. We call this the "SIU." The SIU has four main goals. These goals are to detect, prevent, investigate and report fraud, waste and abuse.

Do you think you did not get services Molina Dual Options STAR+PLUS MMP paid for? Do you think you may be a victim of fraud, waste, and abuse? Do you know someone who is causing health care fraud? You can help Molina Dual Options STAR+PLUS MMP by telling us about your concerns.

You can report fraud, waste, and abuse to Molina Dual Options STAR+PLUS MMP's AlertLine. You may call the AlertLine 24 hours a day, seven days a week. Call the AlertLine toll-free at (866) 606-3889. You may also report your concerns on the AlertLine website. You can find the website at <https://MolinaHealthcare.AlertLine.com>.

With your help, Molina Dual Options STAR+PLUS MMP can stop health care fraud, waste and abuse!
