B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term provider*s* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

- A **Primary Care Provider** (PCP) is a physician, nurse practitioner, or health care professional and/or medical home or clinic (Federally Qualified Health Centers - FQHC) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can see someone that is not your PCP. If you don't get a referral, Molina Dual Options STAR+PLUS MMP may not cover the service.
    - Referrals from your network PCP are not needed for:
        - Emergency care;
        - Urgently needed care;
        - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
        - Services from a women's health specialist.
    - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
    - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Service Coordinator** *and* **a Service Coordination team** that you choose.
    - A **Service Coordinator** helps you manage your medical providers and services.
        - Your **Service Coordination team** led by a Service Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral

health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Service Coordination Team. The Service Coordination Team must include, first and foremost, you and/or your Legally Authorized Representative (LAR). You can tell us who else you would like to participate. Unless you tell us otherwise, your Service Coordination Team will include:

- You and/or your LAR
- Your Service Coordinator
- Your Primary Care Provider (PCP)
- Your behavioral health clinician (if you have one)
- Your long-term services and supports (LTSS) providers (if you have them).
- A pharmacist, and
- Representatives from the facility where you receive care

Your Service Coordination Team **can also include** the following people, if it is appropriate and if you agree:

- Nurses, specialists, social workers, and other people who can provide expert advice
- Family members
- Other informal caregivers
- Advocates

- State agency or other case managers.

- Everyone on the Service Coordination team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. The goal of Service Coordination is to collaboratively assess the member's unique health needs, create individualized care plans with prioritized goals, and facilitate services that minimize barriers to care so the member can live in the least restrictive environment with optimal health outcomes.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP. For example, a women's health specialist, medical home or clinic who gives you

routine health care can act as your PCP. In some special cases, a specialist may act as a PCP if the specialist performs primary care functions, including but not limited to FQHCs, rural health clinics, health departments, and other similar community clinics. Please request this by calling Member Services at the number below. Molina Dual Options STAR+PLUS MMP will review for medical necessity/appropriateness and will obtain the written agreement from the specialist that he or she is willing to accept responsibility for coordination of all of the member's health care needs. If the specialist is not willing to serve as the PCP, the request cannot be approved.

To choose a PCP, go to the list of providers on page 21 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at (866) 856-8699, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. Or, visit MolinaHealthcare.com/Duals.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B3. Long-term services and supports (LTSS)

As a Molina Dual Options STAR+PLUS MMP member, you may be able to get long-term services and supports (LTSS), such as Personal Assistance Services (PAS) and Day Activity and Health Services (DAHS). These services promote independence and allow members to safely reside in a community setting for as long as possible. LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

Members can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your Service Coordinator about how to apply for these services, and all of the resources available to you under the plan.

B4. How to identify providers in Molina Dual Options STAR+PLUS MMP's network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this *Provider and Pharmacy Directory* on page 4 .

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options STAR+PLUS MMP's network (without prior authorization or approval from us), you will have to pay the bill.

> A **prior authorization** is an approval from Molina Dual Options STAR+PLUS MMP before you can get a specific service, drug, or see an out-of-network provider. Molina Dual Options STAR+PLUS MMP may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States. You can also go outside the plan for other non-emergency services if Molina Dual Options STAR+PLUS MMP gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You may change your PCP for any reason, at any time. You can call Member Services at (866) 856-8699, TTY: 711, Monday – Friday, 8 a.m. to 8 p.m., local time, if you want more information about our Molina Dual Options STAR+PLUS MMP providers or if you need help changing your PCP. Member Services will make the PCP change effective on the first day of the following month. For some providers, you may need a prior authorization from your PCP (except for emergency and out of area urgent care services).
- Molina Dual Options STAR+PLUS MMP works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options STAR+PLUS MMP can help you. Talk to your *Service Coordinator* for assistance.

B5. How to find Molina Dual Options STAR+PLUS MMP providers in your area

B. Proveedores

B1. Términos clave

Esta sección explica los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias.*

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, tales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidados y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (LTSS), suministros, medicamentos recetados, equipos y otros servicios.
    - El término proveedores también incluye centros tales como hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y apoyo a largo plazo.
    - A los proveedores que son parte de la red de nuestro plan les llamamos **proveedores de la red**.

- Los **proveedores de la red** son los proveedores que tienen contrato con nosotros para proporcionar servicios a los miembros de nuestro plan. Los proveedores de nuestra red, de manera general, nos cobran directamente por el cuidado que le brindan a usted. Cuando visita a un proveedor de la red, por lo general usted no paga nada por los servicios cubiertos.

- El **proveedor de atención médica** primaria (PCP) es un médico, una enfermera especializada, un profesional de atención médica o una clínica o un hogar médico (centros de salud acreditados a nivel federal (FQHC, por sus siglas en inglés)) que le brinda atención médica de rutina. Su PCP mantendrá sus registros médicos y conocerá sus necesidades de salud con el tiempo. Su PCP también le dará **una remisión** si necesita ver a un especialista u otro proveedor.

- **Los especialistas** son médicos que prestan servicios de atención médica para una enfermedad específica o parte del cuerpo. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:

  - Los oncólogos atienden a pacientes con cáncer.

  - Los cardiólogos atienden a pacientes con afecciones cardíacas.

  - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.

- Usted puede necesitar **una remisión** para ver a un especialista o a alguien que no es su PCP. Una remisión significa que su proveedor de atención médica primaria (PCP) debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si no obtiene una remisión, es posible que Molina Dual Options STAR+PLUS MMP no pueda cubrir el servicio.

  - No se necesita una remisión de su PCP de la red para:

    – atención médica de emergencia;

    – atención médica requerida urgentemente;

    – servicios de diálisis renal que usted recibe en un centro de diálisis certificado por Medicare cuando se encuentre fuera del área de servicio del plan; o

    – servicios de un especialista en salud para la mujer.

  - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede acudir a estos proveedores sin una remisión previa. Debemos pagar al proveedor de salud para indígenas americanos por esos servicios, aunque estén fuera de la red de nuestro plan.

  - Encontrará más información sobre remisiones en el Capítulo 3 del *Manual del miembro*.

- También tiene acceso a **un coordinador de servicios** *y* **a un equipo de coordinación de servicios** que elija.

- Un **Coordinador de servicios** le ayuda a gestionar todos sus proveedores y servicios.

    - Su **equipo de coordinación de servicios** liderado por un Coordinador de Servicios, es un grupo de defensores y proveedores que trabajan juntos para proveerle atención médica, salud conductual, tratamiento para el uso de sustancias, Servicios y Apoyos a largo Plazo y necesidades sociales. Usted tiene acceso y participación en el desarrollo de su propio Equipo de Coordinación de Servicios. El Equipo de Coordinación de Servicios debe incluir, ante todo, a usted y/o a su Representante Legalmente Autorizado (LAR). Puede decirnos a quién más le gustaría incluir en el grupo. A menos que nos diga lo contrario, su grupo de coordinación de servicios incluirá a:

        - Usted y/o su LAR
        - Su coordinador de servicios
        - Su Proveedor de Atención Primaria (PCP)
        - Su médico de salud conductual (si tuviera uno)
        - Sus proveedores de servicios y apoyo a largo plazo (LTSS) (si tuviera).
        - Al farmacéutico y
        - A los representantes del centro en el que recibe la atención

      Su grupo de coordinación de servicios **también puede incluir** a las siguientes personas, si corresponde y usted lo desea:

        - Enfermeras, especialistas, asistentes sociales y otras personas que puedan proporcionar asistencia profesional
        - Integrantes de la familia
        - Otros proveedores de atención informal
        - Defensores
    - Organismos estatales u otros administradores de caso.

- Todos en el grupo de coordinación de servicios trabajan en conjunto para asegurarse de que su cuidado esté coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. El objetivo de la coordinación de servicios es evaluar conjuntamente las necesidades de salud únicas de los miembros, crear planes de cuidado personalizados con objetivos prioritarios y facilitar los servicios que minimicen las barreras a la atención para que el miembro pueda vivir en el ambiente menos restrictivo con resultados óptimos de salud.

B2. Proveedor de Atención Primaria (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un Proveedor de atención primaria. Es posible que pueda tener a un especialista como su PCP. Por ejemplo, un especialista en salud para la mujer, un hogar médico o clínica que le brinda atención médica de rutina actúa como su PCP. En algunos casos, un especialista puede ser su PCP si desempeña funciones de atención médica primaria, que incluyen, entre otras, FQHC, clínicas de salud rural, departamentos de salud y otras clínicas comunitarias similares. Solicítelo llamando al Departamento de Servicios para Miembros al siguiente número de teléfono. Molina Dual Options STAR+PLUS MMP revisará la necesidad médica/idoneidad y obtendrá un acuerdo por escrito por parte de un especialista de que será responsable de la coordinación de todas las necesidades de atención médica del miembro. Si el especialista no está dispuesto a desempeñarse como PCP, no se puede aprobar la solicitud.

Para elegir un PCP, consulte la lista de proveedores en la página 21 y elija un proveedor:

- que lo esté atendiendo en estos momentos, **o**
- que le fue recomendado por alguien de confianza, **o**
- cuyo consultorio es de fácil acceso para usted.
- Si necesita ayuda para elegir un PCP, llame al Departamento de Servicios para Miembros al (866) 856-8699, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Esta llamada es gratuita. O, visite MolinaHealthcare.com/Duals.
- Si tiene alguna pregunta sobre si pagaremos por algún servicio médico o atención que desee o necesite, llame al Departamento de Servicios para Miembros para preguntar **antes** de obtener el servicio o atención.

B3. Servicios y apoyos a largo plazo (LTSS)

Como miembro de Molina Dual Options STAR+PLUS MMP, puede recibir Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés), tales como Servicios de Ayudante Personal (PAS, por sus siglas en inglés) y Servicios de Salud y Actividades durante el Día (DAHS, por sus siglas en inglés). Estos servicios promueven la independencia y permiten que los miembros permanezcan de manera segura en un ambiente comunitario el mayor tiempo posible. Los LTTS son ayuda para las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, preparar las comidas y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Los miembros pueden obtener diferentes tipos y cantidades de LTSS. Si usted cree que necesita LTSS, puede hablar con su coordinador de servicios sobre cómo solicitar estos servicios y sobre todos los recursos disponibles bajo su plan.

B4. Cómo identificar proveedores de la red de Molina Dual Options STAR+PLUS MMP

Es posible que necesite una remisión para consultar a alguien que no sea su proveedor de atención primaria. Encontrará más información sobre las remisiones en la sección B1 de este *Directorio de proveedores y farmacias* en la página 13 .

Usted debe obtener todos sus servicios cubiertos de proveedores dentro de nuestra red. Si visita proveedores que no están en la red de Molina Dual Options STAR+PLUS MMP (sin autorización previa o nuestra aprobación), usted tendrá que pagar la factura.

> Una **autorización previa** es una aprobación de Molina Dual Options STAR+PLUS MMP antes de que pueda recibir un servicio o medicamento específicos o para consultar a un proveedor fuera de la red. Molina Dual Options STAR+PLUS MMP puede no cubrir el servicio o medicamento si no obtiene una aprobación.

Existen excepciones a esta regla cuando usted necesite atención urgente o de emergencia; o bien, diálisis y no pueda ir a un proveedor del plan, como cuando está lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos. Usted también puede utilizar un proveedor fuera del plan para otros servicios que no sean de emergencia si Molina Dual Options STAR+PLUS MMP le da permiso antes.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si ha estado consultando a un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Puede cambiar de PCP por cualquier razón, en cualquier momento. Puede comunicarse con el Departamento de Servicios para Miembros llamando al (866) 856-8699, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora local si desea más información sobre nuestros proveedores de Molina Dual Options STAR+PLUS MMP o si necesita ayuda para cambiar de PCP. El Departamento de Servicios para Miembros hará efectivo el cambio de PCP el primer día del siguiente mes. Para algunos proveedores, es posible que necesite una autorización previa de su PCP (excepto en casos de servicios de atención médica urgente y de emergencia).

- Molina Dual Options STAR+PLUS MMP trabaja con todos los proveedores de nuestra red para satisfacer las necesidades de las personas con discapacidad. La lista de proveedores de la red a continuación incluye información sobre los alojamientos que ofrecen.

- Si necesita ver a un proveedor y no está seguro de si ofrecen los alojamientos que necesita, Molina Dual Options STAR+PLUS MMP puede ayudarle. Hable con su Coordinador de Servicios para obtener ayuda.
