B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or health care professional and/or medical home or clinic (Federally Qualified Health Centers - FQHC) who gives you routine health care. Your PCP will keep your medical

If you have questions, please call Molina Medicare Medicaid STAR+PLUS Plan at (866) 856-8699, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can see someone that is not your PCP. If you don't get a referral, Molina Medicare Medicaid STAR+PLUS Plan may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - Services from a women's health specialist
 - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Service Coordinator** and a **Service Coordination team** that you choose.
 - A **Service Coordinator** helps you manage your medical providers and services.
 - Your **Service Coordination team** led by a Service Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Service Coordination Team. The Service Coordination Team must include, first and foremost, you and/or your Legally Authorized Representative (LAR). You can tell us who else you would like to participate. Unless you tell us otherwise, your Service Coordination Team will include:
 - You and/or your LAR
 - Your Service Coordinator

- Your Primary Care Provider (PCP)
- Your behavioral health clinician (if you have one)
- Your long-term services and supports (LTSS) providers (if you have them).
- A pharmacist, and
- Representatives from the facility where you receive care
- o Your Service Coordination Team **can also include** the following people, if it is appropriate and you agree:
 - Nurses, specialists, social workers, and other people who can provide expert advice
 - Family members
 - Other informal caregivers
 - Advocates
 - State agency or other case managers
- o Everyone on the Service Coordination team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. The goal of Service Coordination is to collaboratively assess the member's unique health needs, create individualized care plans with prioritized goals, and facilitate services that minimize barriers to care so the member can live in the least restrictive environment with optimal health outcomes.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP. For example, a women's health specialist, medical home or clinic who gives you routine health care can act as your PCP. In some special cases, a specialist may act as a PCP if the specialist performs primary care functions, including but not limited to FQHCs, rural health clinics, health departments, and other similar community clinics. Please request this by calling Member Services at the number below. Molina Medicare Medicaid STAR+PLUS Plan will review for medical necessity/appropriateness and will obtain the written agreement from the specialist that he or she is willing to accept responsibility for coordination of all of the member's health care needs. If the specialist is not willing to serve as the PCP, the request cannot be approved.

If you have questions, please call Molina Medicare Medicaid STAR+PLUS Plan at (866) 856-8699, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Duals.

To choose a PCP, go to the list of providers on page 22 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call (866) 856-8699, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time. The call is free. Or, visit MolinaHealthcare.com/Duals.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B3. Long-term services and supports (LTSS)

As a Molina Medicare Medicaid STAR+PLUS Plan member, you may be able to get long-term services and supports (LTSS), such as Personal Assistance Services (PAS) and Day Activity and Health Services (DAHS). These services promote independence and allow members to safely reside in a community setting for as long as possible. LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

Members can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your Service Coordinator about how to apply for these services, and all of the resources available to you under the plan.

B4. How to identify providers in Molina Medicare Medicaid STAR+PLUS Plan's network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this *Provider and Pharmacy Directory* on page 4.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Medicare Medicaid STAR+PLUS Plan network (without prior authorization or approval from us), you will have to pay the bill.

A **prior authorization** is an approval from Molina Medicare Medicaid STAR+PLUS Plan before you can get a specific service, drug, or see an out-of-network provider. Molina Medicare Medicaid STAR+PLUS Plan may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Molina Medicare Medicaid STAR+PLUS Plan gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You may change your PCP for any reason, at any time. You can call Member Services at (866) 856-8699, TTY: 711, Monday - Friday, 8 a.m. to 8 p.m., local time, if you want more information about our Molina Medicare Medicaid STAR+PLUS Plan providers or if you need help changing your PCP. Member Services will make the PCP change effective on the first day of the following month.
- Molina Medicare Medicaid STAR+PLUS Plan works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Molina Medicare Medicaid STAR+PLUS Plan can help you. Talk to your *Service Coordinator* for assistance.

Usted tiene acceso y participación en el desarrollo de su propio equipo de coordinación de servicios. El equipo de coordinación de servicios debe incluir, ante todo, a usted y/o a su Representante Legalmente Autorizado (LAR, Legally Authorized Representative). Puede decirnos a quién más le gustaría incluir en el grupo. A menos que nos indique lo contrario, el equipo de coordinación de servicios incluirá lo siguiente:
 - A usted o un LAR
 - Su coordinador de servicios
 - Su proveedor de cuidados primarios (PCP)
 - Su doctor especialista en salud conductual (si lo tiene)
 - Sus proveedores de Servicios y Apoyo a Largo Plazo (LTSS), en caso de que los tuviera.
 - Un farmacéutico y
 - Representantes del centro donde recibe atención médica
 - Su equipo de coordinación de servicios **también puede incluir** a las siguientes personas, si es apropiado y si usted está de acuerdo:
 - Enfermeras, especialistas, trabajadores sociales y otras personas que pueden proporcionar asesoramiento especializado
 - Familiares
 - Otros cuidadores informales
 - Defensores
 - Agencia estatal u otros administradores de casos
 - Todos los miembros del equipo de coordinación de servicios trabajan en

conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que las pruebas y los análisis de laboratorio se realicen una vez y de que los resultados se compartan con los proveedores apropiados. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. El objetivo de la coordinación de servicios es evaluar de manera colaborativa las necesidades de salud únicas del miembro, crear planes de cuidado personalizados con objetivos prioritarios y facilitar servicios que minimicen las barreras para el cuidado, de modo que el miembro pueda vivir en el entorno menos restrictivo con resultados de salud óptimos.

B2. Proveedor de Cuidados Primarios (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un proveedor de cuidados primarios. Es posible que pueda tener a un especialista como su PCP. Por ejemplo, un especialista en salud de la mujer, un hogar médico o clínica que le brinda atención médica de rutina puede desempeñarse como su PCP. En algunos casos, un especialista puede ser su PCP si desempeña funciones de atención médica primaria, que incluyen, entre otras, FQHC, clínicas de salud rural, departamentos de salud y otras clínicas comunitarias similares. Solicítelo llamando al Departamento de Servicios para Miembros (Member Services Department) al siguiente número de teléfono. Molina Medicare Medicaid STAR+PLUS Plan revisará la necesidad médica/idoneidad y obtendrá un acuerdo por escrito de parte de un especialista, quien será responsable de la coordinación de todas las necesidades de atención médica del miembro. Si el especialista no está dispuesto a desempeñarse como PCP, no se puede aprobar la solicitud.

Para elegir un PCP, consulte la lista de proveedores en la página 22 y elija un proveedor:

- que lo esté atendiendo en estos momentos, 
- que le fue recomendado por alguien de confianza, 
- cuyo consultorio es de fácil acceso para usted.
- Si necesita ayuda para elegir a un PCP, llame al (866) 856-8699, TTY: 711, De lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. O, visite **MolinaHealthcare.com/Duals**.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros (Member Services Department) y pregunte **antes** de obtener el servicio o la atención.

B3. Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Molina Medicare Medicaid STAR+PLUS Plan, puede recibir Servicios y Apoyo a Largo Plazo (LTSS), tales como Servicios de Ayudante Personal (PAS, Personal Assistance Services) y Servicios de Salud y Actividades durante el Día (DAHS, Day Activity and Health Services). Estos servicios promueven la independencia y permiten que los miembros permanezcan en un ambiente comunitario seguro el mayor tiempo posible. Los LTSS son ayuda para las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, preparar las comidas y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Los miembros pueden obtener diferentes tipos y cantidades de LTSS. Si usted cree que necesita LTSS, puede hablar con su coordinador de servicios sobre cómo solicitar estos servicios y sobre todos los recursos disponibles bajo su plan.
