

Thank you for being a Molina Healthcare member! We want to let you know about an update to this handbook.

Effective September 1, 2017, women in the Medicaid for Breast and Cervical Cancer (MBCC) program will receive all their Medicaid services, including cancer treatment, through the STAR+PLUS Medicaid managed care program.

What is MBCC?

MBCC provides Medicaid to women diagnosed with breast or cervical cancer or certain pre-cancer conditions. Women enrolled in MBCC must re-enroll in the program every 6 months to maintain their eligibility to continue full Medicaid benefits.

A woman can get MBCC services if she is:

- Uninsured
- Between the ages of 18 until the month she turns 65
- A U.S. citizen or a qualified immigrant
- A Texas resident
- At or below 200% of the federal poverty level

What services am I eligible for as an MBCC member?

You will receive all the Medicaid services including cancer treatment through STAR+PLUS. Through the STAR+PLUS program, you will receive:

- Unlimited prescriptions
- A Service Coordinator to help you find the right providers for all your needs
- A Primary Care Provider (PCP) to make sure all of your needs are addressed
- Value Added Services, these are extra services for Molina members at no extra cost

Can I continue to see the same providers?

You can continue to see your doctor if they are part of Molina's network of providers. If your doctor is not part of our network, you can continue to see them for 90 days, after that you will have to find a new doctor. Molina Member Services can help you find a new doctor. Molina will honor all authorizations for six-months, until the authorization expires, or until a new one issued.

Who can I call if I have questions?

You can call Member Services at (866) 449-6849, Monday to Friday, 8:00 a.m. – 5:00 p.m., local time. You can also call Service Coordination at (866) 409-0039.
