B. Preguntas frecuentes (FAQ)

Encuentre aquí las respuestas a las preguntas que tenga sobre esta *Lista de medicamentos cubiertos*. Usted puede leer todas las preguntas frecuentes para saber más o buscar preguntas y respuestas.

B1. ¿Qué medicamentos recetados se encuentran en la *Lista de medicamentos cubiertos*? (Nos referimos a la *Lista de medicamentos cubiertos* como “Lista de medicamentos”, para abreviar).

Los medicamentos de la *Lista de medicamentos cubiertos* que comienza en la página 14 son los medicamentos cubiertos por Molina Dual Options STAR+PLUS MMP. Los medicamentos están disponibles en las farmacias dentro de nuestra red. Una farmacia está en nuestra red si tenemos un acuerdo con ella para trabajar con nosotros y proporcionarle servicios a usted. Nos referimos a estas farmacias como “farmacias de la red”.

- Molina Dual Options STAR+PLUS MMP cubrirá todos los medicamentos que sean médicamente necesarios de la Lista de medicamentos, en los siguientes casos:
 - Su médico u otro recetador sostienen que usted los necesita para mejorar o para mantenerse sano.

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- Y usted surte la receta médica en una farmacia de la red de Molina Dual Options STAR+PLUS MMP.
- Molina Dual Options STAR+PLUS MMP puede implementar pasos adicionales para obtener acceso a ciertos medicamentos (consulte la pregunta B4 continuación).

También puede leer una lista actualizada de los medicamentos que cubrimos en nuestra página web MolinaHealthcare.com/Duals, o llame al Departamento de Servicios para Miembros, al (866) 856-8699.

B2. ¿La Lista de medicamentos cambia en algún momento?

Sí. Molina Dual Options STAR+PLUS MMP puede agregar o quitar medicamentos de la Lista de medicamentos durante el año.

También podemos cambiar nuestras reglas sobre los medicamentos. Por ejemplo, podríamos:

- Decidir si exigir o no una autorización previa para algún medicamento. (Una autorización previa es el permiso otorgado por Molina Dual Options STAR+PLUS MMP antes de que usted pueda obtener un medicamento).
- Agregar o cambiar la cantidad de un medicamento que usted puede obtener (llamado límites de cantidades).
- Añadir o cambiar restricciones de terapia escalonada con respecto a un medicamento. (Terapia escalonada significa que usted podría tener que probar un medicamento antes que cubramos otro medicamento.)

Para obtener más información acerca de estas normas sobre medicamentos, consulte la pregunta B4.

Si está tomando un medicamento de la Parte D de Medicare que estaba cubierto **a principio** de año, por lo general, no eliminamos ni modificamos la cobertura de dicho medicamento **durante el resto del año**; excepto en los siguientes casos:

- Aparece un nuevo medicamento más barato, que tiene la misma eficacia que un medicamento que figura en la Lista de medicamentos.
- Nos enteramos de que un medicamento no es seguro.
- O se retira un medicamento del mercado.

En las siguientes preguntas B3 y B6, obtendrá más información sobre lo que sucederá cuando la Lista de medicamentos cambie.

- Siempre puede consultar en línea la Lista de medicamentos actualizada de Molina Dual Options STAR+PLUS MMP, en MolinaHealthcare.com/Duals.

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- También puede llamar al Departamento de Servicios para Miembros para ver la lista actual de medicamentos al (866) 856-8699.

B3. ¿Qué sucede cuando se modifica la Lista de medicamentos?

Algunos cambios a la Lista de medicamentos se implementarán **inmediatamente**. Por ejemplo:

- **Se encuentra disponible un nuevo medicamento genérico.** A veces, aparece un medicamento nuevo y mejor que tiene la misma eficacia que un medicamento que se encuentra actualmente en la Lista de medicamentos. Cuando eso ocurre, puede que eliminemos el medicamento actual, pero el costo que pague por el medicamento nuevo será el mismo. Cuando agregamos el nuevo medicamento genérico, es posible que también decidamos que el medicamento actual siga en la lista pero cambiaremos las normas o límites de cobertura.
 - Quizás no le informaremos este cambio antes de hacerlo, pero le enviaremos información sobre los cambios realizados.
 - Usted o su proveedor pueden solicitar una excepción respecto de esos cambios. Le enviaremos un aviso con los pasos que puede seguir para solicitar una excepción. Lea la pregunta B10 para obtener más información sobre las excepciones.
- **Se retira un medicamento del mercado.** Si la Administración de Medicamentos y Alimentos (FDA, por sus siglas en inglés) establece que algún medicamento no es seguro, o bien, el fabricante del medicamento lo retira del mercado, lo quitaremos de la Lista de medicamentos. Si usted está tomando dicho medicamento, se lo informaremos. Hable con su médico para encontrar una alternativa que sea segura para usted.

Podemos realizar otros cambios que afecten los medicamentos que usted toma. Le informaremos con anticipación estos otros cambios realizados en la Lista de medicamentos. Estos cambios tendrán lugar si sucede lo siguiente:

- La FDA proporciona nuevas directivas o hay nuevas pautas clínicas sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo en el mercado.
 - **Y** reemplazamos un medicamento de marca que figura actualmente en la Lista de medicamentos.
 - **O** cambian las normas o los límites de cobertura del medicamento de marca.

Cuando se implementen estos cambios, le avisaremos por lo menos 30 días antes de modificar la Lista de medicamentos o la próxima vez que pida una renovación. Esto le dará tiempo para hablar con su médico u otro recetador. Ellos podrán ayudarlo a decidir si hay algún otro

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

medicamento similar en la Lista de medicamentos que pueda tomar en su lugar o si tiene que solicitar una excepción. Entonces usted podrá:

- Obtener un suministro para 60 días del medicamento antes de que se modifique la Lista de medicamentos.
- O solicitar una excepción respecto de estos cambios. Lea la pregunta B10 para obtener más información sobre las excepciones.

B4. ¿Existe alguna restricción o límite en cuanto a la cobertura de medicamentos o medidas que se deban tomar para obtener ciertos medicamentos?

Sí, algunos medicamentos están sujetos a reglas de cobertura o límites respecto de la cantidad que puede obtener. En algunos casos, usted, su médico u otro recetador deberán hacer algunos trámites antes de poder obtener el medicamento. Por ejemplo:

- **Autorización previa (o aprobación previa):** Para algunos medicamentos, usted, su médico u otro recetador deben obtener una autorización de Molina Dual Options STAR+PLUS MMP antes de surtir la receta. Es posible que Molina Dual Options STAR+PLUS MMP no cubra el medicamento si usted no obtiene la aprobación.
- **Límites de cantidades:** En algunos casos, Molina Dual Options STAR+PLUS MMP limita la cantidad de un medicamento que usted puede obtener.
- **Terapia escalonada:** En algunos casos, Molina Dual Options STAR+PLUS MMP le exigirá realizar una terapia escalonada. Esto significa que usted tendrá que probar los medicamentos en un cierto orden para su enfermedad. Usted podría tener que probar un medicamento antes de que cubramos otro medicamento. Si a su médico le parece que el primer medicamento no funciona, entonces cubriremos el segundo.

Usted puede averiguar si su medicamento está sujeto a algún límite o requisito adicional en las tablas que figuran en las páginas 14-162. También puede obtener más información en nuestro sitio web MolinaHealthcare.com/Duals. Publicamos documentos en línea que brindan una explicación sobre las autorizaciones previas y las restricciones de la terapia escalonada. Puede solicitarnos que le enviemos una copia.

Usted puede solicitar una excepción respecto de esos límites. Esto le dará tiempo para hablar con su médico u otro recetador. Ellos podrán ayudarlo a decidir si hay algún otro medicamento similar en la Lista de medicamentos que pueda tomar en su lugar o si tiene que solicitar una excepción. Lea las preguntas B10-B12 para obtener más información sobre las excepciones.

B5. ¿Cómo sabrá si el medicamento que usted quiere está sujeto a limitaciones o si tiene que hacer algún trámite para obtenerlo?

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

La *Lista de medicamentos cubiertos* de la página 14 contiene una columna llamada "Medidas necesarias, restricciones o límites de uso".

B6. ¿Qué sucede si cambiamos nuestras normas sobre algunos medicamentos (por ejemplo: autorización previa (aprobación), límites de cantidad o restricciones a la terapia escalonada)?

En algunas ocasiones, le avisaremos con anticipación si agregamos o cambiamos los requisitos de autorización previa, los límites de cantidades o las restricciones de terapia escalonada respecto de un medicamento. Lea la pregunta B3 para obtener más información sobre este aviso anticipado y las situaciones en las cuales es posible que no le avisemos con anticipación cuando cambien nuestras reglas sobre los medicamentos de la Lista de medicamentos.

B7. ¿Cómo puede encontrar un medicamento en la Lista de medicamentos?

Hay dos maneras de encontrar un medicamento:

- Puede buscar por orden alfabético (si sabe cómo se escribe el nombre del medicamento).
- **O** puede buscar por afección médica.

Para buscar **por orden alfabético**, vaya a la sección Índice de los medicamentos cubiertos. Podrá encontrarla en el índice.

Para buscar **por afección médica**, busque la sección llamada "Lista de medicamentos por afección médica" en la página 14. Los medicamentos en esta sección se encuentran agrupados en categorías según el tipo de afecciones médicas que suelen tratar. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría bloqueadores beta. Ahí encontrará los medicamentos que traten afecciones del corazón.

B8. ¿Qué pasa si el medicamento que usted quiere tomar no está en la Lista de medicamentos?

Si no encuentra su medicamento en la Lista de medicamentos, llame al Departamento de Servicios para Miembros, al (866) 856-8699, y pregunte por él. Si se entera que Molina Dual Options STAR+PLUS MMP no cubrirá el medicamento, usted puede realizar lo siguiente:

- Solicite al Departamento de Servicios para Miembros una lista de medicamentos similares al que desea tomar. Luego, muestre la lista a su médico u otro recetador. Ellos podrán recetarle un medicamento similar al de la Lista de medicamentos que usted quiere tomar. **O bien**
 - También puede solicitar que el plan de salud haga una excepción para cubrir su medicamento. Lea las preguntas B10-B12 para obtener más información sobre las excepciones.
-

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

B9. ¿Qué sucede si usted es un miembro nuevo de Molina Dual Options STAR+PLUS MMP y no puede encontrar su medicamento en la Lista de medicamentos o tiene problemas para obtenerlo?

Podemos ayudarle. Podemos cubrir un suministro provisional de 60 días de su medicamento durante los primeros 90 días de su inscripción en Molina Dual Options STAR+PLUS MMP. Esto le dará tiempo para hablar con su médico u otro recetador. Ellos podrán ayudarlo a decidir si hay algún otro medicamento similar en la Lista de medicamentos que pueda tomar en su lugar o si tiene que solicitar una excepción.

Si su receta médica indica un suministro para menos días, permitiremos varios surtidos, hasta un suministro máximo de 60 días del medicamento.

Cubriremos un suministro para 60 días de su medicamento si:

- Está tomando algún medicamento que no figura en nuestra Lista de medicamentos.
- Las reglas del plan de salud no le permiten obtener la cantidad recetada por su recetador.
- El medicamento requiere la autorización previa de Molina Dual Options STAR+PLUS MMP.
- O Toma algún medicamento que forma parte de una restricción de la terapia escalonada.

Si usted está en una residencia para ancianos u otro centro de atención a largo plazo y necesita algún medicamento que no está en la Lista de medicamentos, o si no puede obtener fácilmente el medicamento que necesita, podemos ayudarlo. Si usted ha estado en el plan durante más de 90 días y reside en un centro de atención a largo plazo y necesita un suministro inmediato:

- Cubriremos un suministro para 60 días del medicamento que usted necesite (a menos que tenga una receta médica para menos días), sin importar que usted sea o no un miembro nuevo de Molina Dual Options STAR+PLUS MMP.
- Esto es adicional al suministro provisional durante los primeros 90 de su inscripción en Molina Dual Options STAR+PLUS MMP.

Política de transición

Los miembros nuevos en nuestro plan podrían estar tomando medicamentos no incluidos en nuestro formulario o medicamentos sujetos a determinadas restricciones, como una autorización previa o terapia escalonada. Los miembros actuales también pueden estar afectados por los cambios en nuestro formulario de un año al siguiente. Los miembros deberían hablar con su médico para determinar si deben cambiar el medicamento por uno distinto que cubramos o si

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

deben solicitar una excepción de formulario para recibir cobertura para ese medicamento.

Consulte el manual del miembro para conocer más sobre cómo solicitar una excepción.

Comuníquese con nuestro Departamento de Servicios para Miembros si su medicamento no está en nuestro formulario, está sujeto a ciertas restricciones, como una autorización previa o terapia escalonada, o si ya no se incluirá en nuestro formulario el próximo año y necesita ayuda para cambiar el medicamento por otro que cubramos o solicitar una excepción de formulario.

Durante el período en que los miembros consultan con su médico para determinar el curso de acción correcto, podemos proporcionar un suministro provisional del medicamento que no está en el formulario si los miembros necesitan un resurtido del medicamento durante los primeros 90 días de la inscripción en nuestro plan para medicamentos de la Parte D (niveles 1 y 2). Si usted es un miembro actual afectado por un cambio en el formulario de un año al siguiente, le daremos un suministro provisional del medicamento no incluido en el formulario si necesita un resurtido del medicamento durante los primeros 90 días del nuevo año del plan.

Cuando un miembro va a una farmacia que participa en la red y le proporcionamos un suministro provisional del medicamento que ya no está incluido en el formulario, o que está sujeto a restricciones de cobertura o límites (pero por otra parte, se considera un “medicamento de la Parte D”), cubriremos un suministro de 60 días (a menos que la receta sea por menos días). Después de cubrir el suministro provisional de 60 días, por lo general, no pagaremos nuevamente por estos medicamentos como parte de nuestra política de transición.

Le proporcionaremos un aviso por escrito después de cubrir su suministro provisional. En este aviso, se le explicarán los pasos que puede tomar para solicitar una excepción y cómo trabajar con su médico para decidir si debería cambiar por otro medicamento que sea apropiado y que cubramos.

Si un miembro nuevo es residente de un centro de atención médica a largo plazo (como una residencia para ancianos), cubriremos un suministro provisional de transición de 31 días (a menos que la receta sea por menos días). Conforme sea necesario, cubriremos más de un resurtido de estos medicamentos durante los primeros 90 días de inscripción de un miembro en nuestro plan. Si el residente ha estado inscrito en nuestro plan durante más de 90 días y necesita un medicamento que ya no está incluido en nuestro formulario o está sujeto a otras restricciones, como una terapia escalonada o límites en la dosis, cubriremos un suministro temporal de emergencia de 31 días para ese medicamento (a menos que la receta sea por menos días) mientras el nuevo miembro solicita una excepción de formulario. También se contemplan excepciones en situaciones donde usted experimenta un cambio en el nivel de atención que recibe, que también requiere que usted sea trasladado de un centro de tratamiento a otro centro de cuidado. En dichas circunstancias, usted sería elegible para una excepción provisional de suministro por única vez, aun si han pasado los primeros 90 días como miembro del plan.

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

B10. ¿Puede pedir que se haga una excepción para cubrir su medicamento?

Sí. Usted puede solicitar a Molina Dual Options STAR+PLUS MMP que haga una excepción para cubrir un medicamento que no está en la Lista de medicamentos.

Usted también puede pedirnos un cambio en las reglas sobre su medicamento.

- Por ejemplo, Molina Dual Options STAR+PLUS MMP podría limitar la cantidad que cubriremos de un medicamento. Cuando su medicamento esté sujeto a un límite, usted nos puede solicitar que cambiemos el límite y extendamos la cobertura.
- Otros ejemplos: Usted puede solicitarnos que obviemos las restricciones de terapia escalonada o los requisitos de autorización previa.

B11. ¿Cómo se puede solicitar una excepción?

Para solicitar una excepción, llame al Departamento de Servicios para Miembros. Un representante del Departamento de Servicios para Miembros trabajará con usted y su proveedor para ayudarle a solicitar una excepción. También puede leer el capítulo 9 del *Manual del miembro* para saber más acerca de las excepciones.

B12. ¿Cuánto tiempo lleva obtener una excepción?

Primero, debemos recibir una declaración de su recetador que respalde su solicitud de excepción. Después de recibir la declaración, le informaremos una decisión sobre su solicitud de excepción en el transcurso de 72 horas.

Si usted o su recetador piensan que su salud puede estar en peligro si tiene que esperar 72 horas para una decisión, puede solicitar una excepción acelerada. Se trata de una decisión más rápida. Si su recetador apoya su solicitud, le informaremos una decisión en el transcurso de las 24 horas posteriores a la recepción de la declaración de respaldo de su recetador.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos están elaborados con los mismos principios activos que los medicamentos de marca. Generalmente, cuestan menos que los medicamentos de marca y sus nombres son menos conocidos. Los medicamentos genéricos son aprobados por la Administración de Medicamentos y Alimentos (FDA).

Molina Dual Options STAR+PLUS MMP cubre tanto medicamentos de marca como medicamentos genéricos.

B14. ¿Qué son los medicamentos de venta libre (OTC)?

OTC significa “de venta libre”. Molina Dual Options STAR+PLUS MMP cubre algunos medicamentos OTC cuando son recetados por su proveedor.

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

Puede leer la Lista de medicamentos de Molina Dual Options STAR+PLUS MMP para ver qué medicamentos de venta libre tienen cobertura.

B15. ¿Molina Dual Options STAR+PLUS MMP cubre productos no farmacológicos de venta libre?

Molina Dual Options STAR+PLUS MMP cubre algunos productos no farmacológicos de venta libre cuando son recetados por su proveedor.

Ejemplos de productos de venta libre no farmacológicos: *comprimidos sin aspirina de 325 mg, jarabe para la tos de 100/5ml.*

Puede leer la Lista de medicamentos de Molina Dual Options STAR+PLUS MMP para ver qué productos no farmacológicos de venta libre tienen cobertura.

B16. ¿Cuánto es su copago?

Como miembro de Molina Dual Options STAR+PLUS MMP, usted no tiene copagos para medicamentos recetados y de venta libre, siempre y cuando siga las reglas de Molina Dual Options STAR+PLUS MMP.

B17. ¿Qué son los niveles de medicamentos?

Los niveles son grupos de medicamentos en la misma Lista de medicamentos.

- Los medicamentos del nivel 1 son medicamentos genéricos. Por los medicamentos del nivel 1, usted no paga nada.
 - Los medicamentos del nivel 2 son medicamentos de marca. Por los medicamentos del nivel 2, usted no paga nada.
 - Los medicamentos del nivel 3 son medicamentos recetados o de venta libre (OTC) no cubiertos por Medicare. Por los medicamentos del nivel 3, usted no paga nada.

C. Lista de medicamentos cubiertos

La siguiente lista de medicamentos cubiertos le proporciona información sobre los medicamentos cubiertos por Molina Dual Options STAR+PLUS MMP. Si no puede encontrar con facilidad su medicamento en la lista, vaya al Índice de medicamentos cubiertos que comienza en la página 163. El índice contiene, por orden alfabético, todos los medicamentos cubiertos por Molina Dual Options STAR+PLUS MMP.

La primera columna del cuadro contiene el nombre del medicamento. Los medicamentos de marca figuran en mayúsculas (p. ej., BYSTOLIC) y los medicamentos genéricos están en minúscula y cursiva (p. ej., *metoprolol*).

Si tiene alguna pregunta, llame a Molina Dual Options STAR+PLUS MMP al (866) 856-8699, TTY/TDD: 711, de lunes a viernes, de 8 a.m. a 8 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

La información de la columna titulada Medidas necesarias, restricciones o límites de uso, le indica si Molina Dual Options STAR+PLUS MMP tiene alguna regla para cubrir su medicamento.

Nota: El asterisco* junto a un medicamento significa que este no es un "medicamento de la Parte D". La cantidad que usted paga cuando surte una receta de este medicamento no se computa para los costos totales de sus medicamentos (o sea, la cantidad que usted paga no le ayuda para calificar para la cobertura en situaciones catastróficas).

- Además, si recibe Ayuda Adicional para pagar los medicamentos recetados, usted no recibirá Ayuda Adicional para pagar estos medicamentos. Para obtener más información sobre la Ayuda Adicional, consulte el recuadro que aparece a continuación.

Ayuda Adicional es un programa de Medicare que ayuda a las personas con ingresos y recursos limitados a disminuir los costos de los medicamentos recetados de la Parte D de Medicare, como primas, deducibles y copagos. A este programa de ayuda adicional también se lo conoce como "Subsidio por bajos ingresos" o "LIS".

- Estos medicamentos también tienen reglas diferentes para las apelaciones. Una apelación es una manera formal de solicitarnos la revisión de una decisión de cobertura y cambiarla si usted piensa que cometimos un error. Por ejemplo, podríamos decidir que un medicamento que usted quiere ya no está cubierto por Medicare o Texas Medicaid.
- Si usted o su médico no están de acuerdo con nuestra decisión, puede apelar. Para pedir instrucciones sobre cómo realizar una apelación, llame al Departamento de Servicios para Miembros, al (866) 856-8699. También puede leer el capítulo 9 del *Manual del miembro* puede saber cómo apelar una decisión.
