CHIP Perinatal Program

Molina's CHIP Perinatal Program provides coverage for health care services to members identified prior to birth, whose mother is not eligible for Medicaid or CHIP. These pregnant women (adults or teens) are ineligible for Medicaid or CHIP due to either their income or their immigration status. Individuals found eligible for the CHIP Perinatal Program receive 12 months of continuous coverage from the month of the eligibility determination. This period includes the months of prenatal coverage and the months subsequent to birth.
