How We Work with our Providers to Make Choices about Your Health Care

Molina Dual Options STAR+PLUS MMP wants you to get the care you need. Sometimes your provider may need to ask us to approve the service before you receive the service (prior authorization), while you are receiving services (concurrent) or after you have got the service (post-service). We will work with your provider to decide if you need the services. We call this process Utilization Management (UM). We make choices about your care based on medical need and your benefits. We do not reward providers or others to deny coverage for services you need. We do not pay extra money to providers or our UM staff to make choices that result in giving less care.

If you have a question about our UM process or decisions, you can call us. Please call our Member Services Department toll-free at (866) 856-8699 (TTY/TDD: 711) Monday – Friday, 8 a.m. to 8 p.m., local time. Staff can also accept collect calls. If you need help in your language, a bilingual staff member or interpreter is available. We also offer TTY/TDD services for

members who have hearing or speech disabilities. Our Member Services staff can answer your call Monday through Friday (except holidays) between 8 a.m. and 8 p.m. local time. If you call after 5 p.m. or over the weekend, please leave a message and your phone number. The Member Services staff will return your call within one business day.

Looking at What's New

We look at new types of services, and we look at new ways to provide those services. We review new studies to see if new services are proven to be safe for possible added benefits. Molina Dual Options STAR+PLUS MMP reviews the type of services listed below at least once a year:

Your Right to an Advance Directive

All members have the right to accept or refuse treatment offered by a provider. However, what if you are not able to tell the provider what you want? To avoid decisions that may be made against your will, it is important to have an Advance Directive.

An Advance Directive is a legal form that tells medical providers what kind of care you want if you cannot speak for yourself. You can write an Advance Directive before you have an emergency. This keeps other people from making important health decisions for you if you are not well enough to make your own. There are different types of Advance Directive forms. Some examples are:

- Power of Attorney for Health Care
- Living Will

It is your choice to complete an Advance Directive. No one can deny you care based on whether you have an Advance Directive. Talk with someone you trust, like a family member or friend. They can help you make decisions about your health care. You can also talk with your lawyer or PCP if you have questions or would like to complete an Advance Directive form.

You may call Molina Dual Options STAR+PLUS MMP to get information on how to obtain Advance Directive forms that comply with applicable state laws.

If you have signed an Advance Directive and you believe the provider has not followed your instructions, you may file a complaint. Please visit the website at MolinaHealthcare.com/Duals or call Member Services for more information on how to file a complaint.
