Requesting a Re-determination

If your first request for a drug is not approved, you can ask for that decision to be looked at again. This is called an appeal. You must ask for an appeal within 60 days. If you need more than 60 days we can give you more time. You must have a good reason for missing the deadline. You may ask for a drug that is not on our list of covered drugs if you think you need it. You can ask for an exception if you think a rule does not apply to you. You can ask for an exception to the limit of how much medicine you can get. You can ask for an exception if you think you do not need a special okay to get a drug (prior tiering exception). Your prescriber must give a statement to support this. You or your prescriber can ask for a faster appeal (expedited). You can also ask for a standard appeal. To ask for an appeal, please call the Member Service number on your Healthy Advantage HMO SNP ID card. You can mail your appeal to 7050 Union Park Center, Suite 200, Midvale, Utah 84074. Please include your name, address, Member ID number, the reasons for appealing, and any proof you wish to attach. If your appeal is for a drug that is not covered, your prescriber must show why a covered drug would not be as good to treat your health problem. Healthy Advantage will look at your case again and decide. If any of the drugs you requested are still not approved you can ask for a third review of your case by a reviewer outside of Healthy Advantage (independent review). If you do not agree, you will have the right to appeal again. You will get more notice of your appeal rights if this happens.

Healthy Advantage HMO SNP is a Health Plan with a Medicare Contract and a contract with the state Medicaid program. Enrollment in Healthy Advantage depends on contract renewal.
